STANSELL'S Studio The Reliable Photo and Frame Shop

Did you know? That the Read Phosphate Company, established over forty years ago, by Southern men and still owned and controlled by Southern men, has spread its business from the Ohio to the Gulf, from the Mississippi to the Atlantic and now has factories in Indiana and Ohio?

Did you know? That no fertilizer manufacturers in America have had larger and wider experience in laboratory and field than the Read Phosphate Company?

Did you know? That the Read Phosphate Company now offers fifty-eight different brands of goods to suit your soil and crops, no matter what you are planting, nor where you are planting it?

Did you know? That I can sell you any of these goods in any quantity? A. S. FANT. BELTON, S. C.

Mrs. M. C. Cunningham Will have on display her Spring and Summer Millinery every day during the season—beginning Thursday, March 19th. BELTON, S. C.
