TO THE FARMERS OF SOUTH CAROLINA By The Read Phosphate Company

Bulletin No. 172 of the South Carolina Board of Fertiliser Control shows that thirty-three samples of our fertilizers were analyzed at Clemson College during the faily and spring of 1912-1913. Thirty two camples but of the charge-three analyzed above the guarantee, the average of all the thirty-three samples being \$1.22 per ton above the guaranteed value. Not only this but we use only the best kinds of Ammoniates, such as high grade Blood, Fish Scrap, Bone, Tankage and Cotton Seed Meal in the Read Goods Thus the farmer who uses the Read Perfilings not only rete the b kind of fertilizer but more of it, for \$1:20 per ton on the 30,000 tons shipped from our Charleston factory last season shows the we gave our customers \$35,660.00 more than we guaranteed. Be sure and see your dealer right away about Read's Fertiliza

Everyone blas It Within His Power to be Elappy

A celebrated French physician has said that "a man's liver is the barom-eter of his disposition."

eter of his dispusition.

Every man and every woman knows that the cheerful smile is a big factor for far once success.

Everythe should know that the disordered liver is cause of ninety per cent of human dis. Lasy overworked livers are the prime causes of headaches, indigestion, constipution and dozens of other illia.

But the inactive liver always warms by coated former, sour atomach, dult eye and even laniness. Here your associates, Calumel med to so. Modern day science has found a better way in CARSWELLS LUER-line which is a bare venerable remedy on sale under guarantee or many re-

STATE-WIDE PRIMARY PLANE.

Indianapolis, Ind., March, 13. The inference of President Wilson was a last night by democrate gathered here for the sinte emperition when at a conference Senators Shiveley and Kern argue, the committee on resolutions to report a plant industing a sinte wide primary.

Kern arged the committee on resolu-tions to report a plank indensing a state-wide primary law.

Many party leaders did not like to give up the convention system, but were willing that a primary law should be enacted providing for the selection of delegates to the conven-tion.
