JUDGE JETER C. PRITCHARD **BELIVERED MASTERLY**

- ADDRESS

FEMPERANCE TALK

North Carolina Jurist Made the Strongest Plea Ever Heard In Electric City

Before the hour for beginning the rvices in the court house Sunday goon, approximately 600 men had gathered and every available been filled. During the neready gathered and every available set had been filled. During the ne-nutiatic song service, with Prof. G.

ang with effect, "What a Friend We have in Jesus;" and Mrs. F. M. Burnett also favored the great gathering of men with a vocal number, which was greatly enjoyed. Judge Pritchard was fittingly introduced by Capt. H. H. Watkins of the local bar.

changes of the local bar.

Absolute silence reigned, as the
eather, in calm and deliberate tones
plained why he took the time from
a pricial duties to engage in makreligious addresses. He said that religious addresses. He said that religious addresses. He said that the would find it impossible even sleep did not he render the as often as opportunity of itself.

explained that the "conserva-of manhood," in its broader sense included the conservation of woincluded the conservation of wo-tood. He dwelt at length on the but that the boys and girls of any number are that community's set asset: and stated that one the dangerous tendencies of this is that men and women neglect

Doys and girls, used with great effect the illustration of Cornells who was the mother tweive children, all of whom in infancy withe the exception of acchi. He said that not only a Grachi prove to be Rome's at paset, but that the children of manually were its most precious

community were its most precious is dispensally the first step in the system of manhood, and the fir, "is right home-training." He rated this with forceful examined argument, using as one exhibit experience as a Judge in the second below.

A Tribute to the Jew.

A Tribute to the Jew.

Indicate that while upon the automatic below of the district of the Jews was struck with the fact that peoples of practically all districts were brought before that peoples of practically all districts were brought before to the peoples of practically all districts were brought before to the peoples of practically all districts were brought before to that peoples of practically all districts were brought before to that peoples of practically all districts a make the transition of a single Jew file greaters in this matter caused him to examine the criminal records in home city, Ashavellie, N. C., and records showed that only five the people of the The Jandation to the home trainof the Jandah children. He sekley many mesent had over heard
ly ish eyn reter to die percht as
Cotons" or the "Old Man."
itse Pritchard's second point untse conservation of manhood was:
ana-tment and enforcement of
littery and repressive laws. He
tseed in this connection the soof "bersonal liberty" how that
lways raised me illustrated this
t northly with the following:
see York city, a German, who had
a several drivin of beer met up
on Tikhman who had sectaked
of the water. The German at-

irishman: "I thought this was a land of nersonal liberty;" whereinon the frieldman replied: "Yes, but your liberty ends where my nose begins."

Judge Pritchard says that "personal liberty ends where the best interest of my boy and your boy begins." He stated that while practicing law in Madison county he defended fifty-two cases and be per cont of them were tradishle direct to the bar-rooms and in every South Carelina class and the fact to the bar-rooms and in every South Carelina class and the fact to the bar-rooms and in every South Carelina class and the fact to the bar-rooms and income and in every south Carelina class and the fact to the bar-rooms and income and in every south Carelina class and the fact to the bar-rooms and income and in every south Carelina class and the fact to the bar-rooms and income and the canada and the every south Carelina class and the chamber of Commerce Wed-reliable to clock for the puppose of discussing "clean-up day" for Anderson and planning for the best methods to be followed in this work.

Will John f. McLaurin be a candi- the mechanical trades, thereby lessen, date for governor? The question has been asked a freat many three in the inst few morths. McLaurin visited Anderson some montax ago and announced that he would prohably be a men, the cotton of the south will candidate. At the dinner of Blease supporters at Columbia fair week, he stated that he would retire from politics.

The mechanical trades, thereby lessen, the companies which group of that can abide, that God approves, and if we will market our cotton properties on the south will candidate. At the dinner of Blease make us the richest people in the supporters at Columbia fair week, he stated that he would retire from polities.

What we need is prosperlty, not companies the mechanical trades, thereby lessen.

"And may you be brave enough and strong enough to leave out of your columns those things which or ly make for degeneration and which in the light of the eternal are dragging make for degeneration and which in men and women down.

"One drop of ink, makes the milities."

compulsory school laws. I saw a statement in a Texas paper

the large crowd. Many were turned away.

The people of the city have been services, with effect, "What a Friend We have in Jesus;" and Mrs. F. M. Burshalt is services.

It yand he knows how to compel the answer is found in the following letter to Capt. D. S. Taylor of Sandy The Texas man received 11 cents for the cotton amounting to \$40.00 perhalt. The Texas man received 11 cents for the cotton amounting to \$40.00 perhalt. There was a set of middlement of the hand and in reply to your question as to my running for governor, I and the people of the city have been swer "Yes." I said from the beginning given a very cordial invitation to the that I would not be a candidate unless there was such a demand from the services.

The people of the city have been swer "Yes." I said from the beginning of the country should be devoted to the services.

The people of the city have been swer "Yes." I said from the beginning of the country should be devoted to the services.

The people of the city have been swer "Yes." I said from the beginning of the country should be devoted to the services. Carolina, with Georgia, have the water power to manufacture all of the cotton crop.

I thank you for your friendly inter-

est and will come to see you before long. Anderson has some land in it as good as Marlboro, and that is say-ing all that can be said of any land in this world. We need only enough dirt to mix with the fertilizer to make two bales of cotton to the acre. Provided, my deal Uncle Dave, we let long staple alone; it sure gave me a "black eye" this year.

ANDERSON MAN WAS CHOSEN

E. C. McCants Selected as Vice President of State Teachers Association

Anderson people as a whole, and more especially those Anderson coun-ty school teachers who did not succeed in getting to Spartanburg for the State Association of Teachers, will be interested in learning that E. C. Me-Cants, superintendent of the public schools of Assessed was elected first vice-president of the institution. There is no educator in the State of more ability in his line of work than Mr. McCants and he will be able to accomplish much for the association.

First, it will be a social meeting, The next meeting of this body is with refreshments, and second, there will be a delightful musical program. Cants will have much to do in connect the meeting of the civic league held tion with the plans for the 1915 meet-197 - IN 188

IS RECOVERING

Able to Visit Office Yesterday After Iliness of Two Weeks With La Grippe

derson is My Town. From Anderson I is t for the Orient twenty years ago pext autumn. I have friends theresome beneath the sod whom to me there has been silence for years—but for whom I hold an affection that as strengthened with the silence and the years. Some are in the fwilght of life—nearing the Eternal Light of the Eternal Shore. I am sending you by this post a copy of our city paper,

"The Theocrate."
"May Anderson grow in the building up of things that are worth while, that can abide, that God approves, "And may you be brave enough and

"One drop of ink, makes the mill-ions think," and those thoughts make for life or death, for light or dark-ness for God or mammon."

ANDERSON BOY WAS THE WINNER

Frank E. Broyles Was Victorious In Oratorical Contest At College of Charleston

That Anderson leads and others follow is well known here. Another example of this comes from Charleston lous in the oratorical meet at the college of Charleston. The following concerning the Anderson boy's victory is from the Charleston News & Courter:
"A Shadow" the last oration on the

programme, delivered by Frank E Broyles, of the Cliosophic society, won the annual oratorical contest at the College of Charleston last night be Bingham of Louisville, Ky., was awarded to Mr. Broyler on the unanimous decision of the judges, consisting of Hon. Theodore Jervey, the Hon. Huger Sinkler and the Rev. George J. Gongaware, D. D. The decision seemed to be popular with the students, who with their friends, filled the chapel, despite the untoward weatchr.

Other contestants for the Bingham m dal were Alexander C. Dick of the Closophic society on "A Misapplied Principle;" G. L. Buist Rivers, of the Cherstomathic, "Preparedness, the Way to Peace." All of the orations were forcibly delivered and very in-

Civic Value of A Great White Way

* * * * * * * * * * *

By Porter A. Whaley The construction of a modern great White Way through the heart of the city of Anderson is from a civic standpoint the greatest move ever made in the history of Anderson. Its con-struction will mean the beginning of a new specif in Anderson The Destr-ning of logical and concrete plans for the City Beautiful

Can we make Anderson the most beautiful city in the Carolinas? Nes And if we do, what? It means that the most beautiful will be the most prosperous city. This great white way wil inspire our people as nothing else will—a desire for the things aesthetic, for the things of finer culture and of greater finances.

it is a big stort towards making Anderson the Beauty Spot of the Car-olinas and Anderson's wonderful loca-tion and beautiful surrouning are tion and beautiful surrounings are such as can be found but in a few places elsewhere throughout the world. And Anderson's surroundings were put here by nature, and they are ours. It is something to be the largest city in a state, but it is infinitely more to be the most heautiful. Enlightenment follows light and one step towards the heautiful leads on towards nerfection. Following

on towards perfection. Following Audernon's new Great White Way, we
