Anderson county politicians, are now beginning their plans for holding the various club conventions on April 25 and various supporters of the dif-ferent factions will make effort to have the clubs favorable to their particular candidate

The constitution of the Democratic party of South Carolina says that Democratic clubs shall meet on the fourth Saturday in April, which comes this year on April 25. However, county executive committees may name any other day in the fourth week in April for the club meetings, provided at least two weeks' notice of the meeting be given by advertisement in the county papers. The clubs are entitled to elect one delegate to the Democratic convention of their county for avery 25 county for every 25 members and for the majority fraction thereof, clubs have the right to enlarge or dim-inish their representation at the connty convention according to circumstances. At the club meetings delegates to the county convention and members of the county Democratic executive committee will be elected. County Convention May 4.

The constitution of the Democratic party sets the first Monday in May as the date fo rithe meetings of the county conventions. This year the first Monday will fall on May 4. The county conventions will be organized under the supervision of the chairmen of the county Democratic excutive committees. Each convention will elect from among its own members a president, a vice president and a secretary and treasurer. By a majority vote any county convention may permit of or recognize the formation of a new cub or cubs a new club or clubs.

The county conventions will elect the delegates to the State Democratic convention, which meats this year on May 20 in Columbia. Each county is entitled to double the number of dele-gates in the State convention as it has

members of the general assembly.

Gen. M. L. Bohham, chairman of the Anderson county Democratic Executive committee, has aiready issued the official call for the meeting.
