DAMAGE DONE BY DAM GIVING AWAY Riverside Mill Forced to Close

Down Yestarday Until Damage Was Repaired

The Riversite Mill lost a day's time yesterday and suffered some slight damage when his dam gave away. All she water at the mill pond excaped and consequently the towns of their mill were idle through out the day.

Officials of the mill said that the trouble was due to the recent hard rains and when the machillery was not running dimday the breaker upon the dam became very heavy from the great volume of water. The some went out some time Sunday night.

A large force of torkness went to work on the job yesterday morning and by night the dam has been replaced.
