BIG PACIFIC MAIL LINER, 1,000 ABOARD, REPORTED SINKING OFF FORMOSA COAST

SIBERIA SENDS FRANTIC S. O. S. THEN SHE IS OMINOUSLY SILENT

MRS. FRANCIS B. HARRISON, WIFE OF GOVERNOR OF PHILIPPINES AND MANY OTHER PROMINENT PEOPLE ARE ABOARD THE VESSEL

Early Reports Flashed By Wireless to Japan Said the Steamer Was Sinking and Later Messages Declared That She Was Ashore Off the Formosa Coast—Aid Is Being Rushed To Scene Of Disaster

San Francisco, May 2.—Cablegrams reaching here at 2:30 this morning report the steamer safe, but officers of the company are not at all certain of her yet.

(By Associated Press) Tokyo, May 1.—Wireless calls for assistance from the Pacific Mail steamer Siberia, heard on the Japanese coast today, indicated that she was in grave peril off the coast of Formosa.

The liner left San Francisco April 7 for Manila. She carries 80 stowaway passengers including Mrs. Francis B. Harrison, wife of the governor general of the Philippines.

Accident is a mystery. The exact nature of the accident has not been determined, nor have the details been received here up to a late hour tonight.

An early report said the liner was "sinking" while a later message conveyed the information that she was "ashore" six miles off the southwest mainland of Formosa Island.

RYAN REPORTED SAFE. Heriata Francis, Heriata Cross, Heriata Yarn, arrived in Vera Cruz, Yucatan, Mexico, yesterday.

The Japanese government dispatched the steamer Kanto Maru from Formosa to the succor of the Siberia as soon as the news of her trouble was received.

More Than 1,000 Aboard. Among the passengers on the Siberia besides Mrs. Harrison is Mrs. John B. Rentiers, wife of the new British consul at Manila.

The Siberia left Yokohama April 27 and Nagasaki April 29 for Manila. She had a passenger list of 22 persons in the first cabin, about 50 in the second and 400 stowaway passengers.

Manila, May 1.—Officials of the wireless telegraph stations at Olengapo and on Corregidor Island are making every effort to get into communication with the British steamer Persian concerning news of the Siberia, but so far they have been unsuccessful.

The warships comprising the United States Asiatic fleet are now at sea practicing target shooting. Messages telling of the plight of the Siberia have been flashed to the American commander.

While no official advice have yet been received in Anderson from headquarters in St. Louis, members of Post D of the T. P. A. believe that Feaster V. Tribble, the association's well known secretary, has set a new record for the United States in the matter of securing members and that he will be awarded the handsome prize offered by the National association to the member securing the most new members in the year.

Mr. Tribble has secured a total of 65 new members, which he said he is a record for the United States. If this figure is not raised by some other contestant Mr. Tribble will have the honor and distinction of having broken the record set by John G. B. and set a new record.

The contest came to a close Thursday night but it is possible that it will close up at the annual and scientific convention, Mr. Tribble has only three in this state.

Three of the cities entered in the contest today will be held. These are Columbia, Natchez and the American city.

Mr. Tribble said that he had secured a total of 65 new members in the year.

PEACE IS IN AIR AT WASHINGTON

MEDIATORS STRIKE NO SNAG IN PROGRAM AND ARE GOING AHEAD

ACCOMPLISH MUCH Carranza Only Disturbing Factor and He Is Expected To Fall In Line, They Say

(By Associated Press) Washington, May 1.—Assurances of peace, with a steady abatement of "war talk" was the dominant feature in Mexican developments here today. Attention was centered on the work of the South American mediators, who reported steady progress and no deadlock between the parties.

Carranza Disturbs. In other quarters, however, the failure of General Carranza thus far to accept the mediators' proposal for a suspension of hostilities caused continued doubt over the outlook for broadening the scope of the mediators' work to a settlement of the whole Mexican situation.

The report that Dr. Ryan, an American in the service of the United States government, was about to be shot as a spy by Mexican federalists at Zacatecas caused serious apprehensions through the day, but reassurances as to Dr. Ryan came direct from Huerta late in the day.

Mediators at Work. While the gravity and the hopefulness of the situation varied from hour to hour, the South American envoys seem steadily at their work, noting two sessions at the Argentine legation, their long conference, last night with Secretary Bryan was followed today by a conference with the Spanish ambassador, Senor Riano, who represents the Huerta government. The mediators made no announcement.

It was known they were expecting another definite development today, which might lead to a statement later, but its purport was not disclosed. There was reason to believe, however, that it related to the attitude of Carranza.

What They Have Done. Summing up what the mediators had accomplished, a well posted authority said it was not more actually done in a sense than that they had secured in the history of internationalism. He specified, beginning April 25, and continuing six days including today:

First, acceptance of good offices by the United States.

Second, assistance by Huerta.

Third, acceptance by Carranza.

MUSIC FEAST WAS ENJOYED

MARCUS A. KELLERMAN GAVE FINE PROGRAM FRIDAY AFTERNOON

YOUNG PIANIST Was a Sensation—the Cathedral Choir Last Night Gave Splendid Concert

There was a very large and representative audience within the Chautauqua tent last night to enjoy the concert by the Cathedral Choir, a collection of singers selected and engaged especially by the Redpath Chautauqua management. It is believed that not only will the tent be filled tonight, but all of the space within the walled enclosure will be occupied when from a popular standpoint the climax of the music festival is reached.

This morning Dr. Spring will submit to the people of Anderson upon questions of the city, of the home and of the heart. His addresses are doing great good and the only pity is that he cannot reach every one.

The afternoon program yesterday was the song recital by Marcus Kellerman, the distinguished baritone who has sung on so many concert stages in the country, and also has appeared in the grand opera. Mr. Kellerman has had a hard trip, riding four consecutive, hot nights in a Pullman, and spending one part of a night at Cahoon, Pa., arriving here in the dark in the middle of the night. But he was in a fair voice, notwithstanding, and his program was all the more enjoyable because he explained earnestly and carefully the nature of the songs he presented, trying to urge upon people a love for classical music.

He opened with the Prologue from "Pasciaco" and gave an explanation of the opera. This spirited piece was well suited to his robust figure and well rounded voice. He then rendered it well, or as well as anyone can, a son of sunny Italy could, for he somewhat expressed the matter yesterday. This is one air that seems especially suited to the voice of a Latin. For the same reason it was a disappointment that Mr. Kellerman did not sing the "Watch on the Rhine" or the "Two Grenadiers," either of which must fit his voice so beautifully.

However he did give the wonderful prayer-song from "Tannhauser," the "Song of the Evening Star," and his interpretation of the piece was excellent and showed the range of his voice, for he rendered the high notes and the low with equal facility, as demonstrated in this song and in the concluding "Danny Deever" by Kipling, which is a deeply tender and spontaneous in its air-like measure. In these two songs was his splendid voice most fittingly shown, although the audience was greatly pleased with some of the lighter airs andlieder which he gave.

Mr. Kellerman has been heard before by a number of Anderson people who make a habit of attending the music festival at Spartanburg, and they enjoyed his visit to this city and will look for him again next season.

A Brilliant Pianist. A surprise on the afternoon program was the accompanist who Mr. Kellerman, a young man of brilliant technique and artistic temperament. Mr. Shyman, who gave first one of his own compositions, a difficult polka which appeared quickly to the musically educated, who listened on his coming back. For an encore he gave a dainty little skill, "The Doll's Waltz" which everybody liked, for on in the afternoon he played splendidly "Trotts Rhapsodie." Mr. Shyman is quite a young man and has a fine career ahead of him.

The piano used was one which was loaned with this Mr. Shyman's consent, that he is singularly gifted as a soloist and as an accompanist, for his interpretations during the evening program were unique and lovely and added so much to the full effect of the concert.

A Great Program. The Cathedral Choir sang to an immense audience last night, trying to sing from a distance to enjoy the singing of melody. The choir is a double mixed quartet and the voices were remarkably blended. The soloists enjoyed the audience with the quality of their work. The nature of the program was such as to appeal to every person under the tent. The first part was made up of sacred writings, and the second part was in lighter vein.

ANGRY GEORGIAN ATTACKS BURNS

MARIETTA, PHAGAN GIRL'S HOME, RESENTS DETECTIVE'S PRESENCE

SHERIFF IS CALLED Sleuth's Efforts in Bah-Of Frank, the Alleged Slayer, Is Cause of Demonstration

(By Associated Press) Marietta, Ga., May 1.—William J. Burns, the detective, was the center of an angry demonstration when he came here late today, presumably in connection with an investigation of the case of Leo M. Frank, the young factory superintendent of Atlanta under sentence of death for the murder of fourteen-year-old Mary Phagan.

Crowd Is Threatening. One of a large crowd that surrounded the detective as soon as his presence was discovered struck him in the face and threats of violence were made if he attempted to resist. Burns immediately went to a hotel, while another detective, C. W. Burke, who accompanied him here, summoned deputy sheriffs to guard him.

This was the home of the murdered factory girl and many of her relatives still live here. Much feeling has been aroused by the detective's declaration that Frank was not guilty and that James Conley, a negro sweeper convicted as an accessory in the murder, alone was responsible for the crime.

Burns and Burke came here in an automobile and were at a garage when they were discovered and the demonstration started. Burns left the city tonight for Atlanta.

Crowd Throws Eggs at Burns. As soon as the officers were notified of the demonstration against the detective, they went to the hotel where Burns had taken refuge. Judge Morris also hastened there and it was decided that it was best for the detective to leave the city as quickly as possible.

The crowd which had started the demonstration, together with others, had by this time gathered in front of the hotel. An automobile was summoned and the detective, accompanied by Deputy Sheriff Hicks and Judge Morris quickly entered it.

Jeers and threats were shouted by the crowd and eggs thrown at Burns. One hit Judge Morris, but the detective was not struck. The automobile left the city at a high rate of speed.

Burke, the other detective, and the sheriff who brought the two men here, were guarded tonight to prevent possible violence.

Dorsey Condemns Detectives. Atlanta, May 1.—Resumption of hearings today on the extraordinary motion for a new trial for Leo M. Frank, under sentence of death, was marked with attacks by the state on the methods used in obtaining evidence for the defense's new plea.

MEET TUESDAY TO MAKE PLANS

Large Tent Has Been Secured By The Committee For Holding Of Veteran's Reunion

Large Tent Has Been Secured By The Committee For Holding Of Veteran's Reunion

The sessions of the veterans to be held in Anderson during the coming reunion on May 27 and 28, will be held in a large tent, just secured by the committee from the State Reunion association. This tent was obtained through Gen. J. J. Robinson, Dr. John P. Vines and Luther P. Smith. It will seat only 1,000 people, but it is so arranged that the place can be raised and vastly more than that number can be accommodated.

Secretary Whaley said yesterday that the tent will be pitched either on the Ligon lot, where the chautauqua is now located or on the acreage lot on Sharp street, just in the rear of Main street.

A call has been issued for a meeting to take place Tuesday at which time the entertainment committee of the Chamber of Commerce will meet with two representatives from each of the United Daughters of the Confederacy chapters in Anderson. Col. Joseph N. Brown will also be invited to attend this meeting and take part in the deliberations.

At this meeting all plans for the reunion will be outlined and the work so arranged that all details may be completed before the first day of the convention for this city.
