Architects Are

Planning Work. Several architects are at work on the plans for the changes to be made in the coure house and it is hoped that the work may be started within the next few days. They have made drawings of the proposed arrangement and these seem to meet with and these seem to meet with the approval of the efficials. It is planned to expend \$1,500 in the work, changing the sheriff's office and that of the sup-ervisor into one, which will be occupied by the clerk of court. The sheriff will move into the clerk's office while the supervisor will go up-stairs into one of the jury rooms.

could find no tract of it. Mr. Smith located the machine between Honea Path and Belton and it has now been taken back to Greenwood. Whoever made away with the car evidently knew little about driving and a number of mishaps had occurred to the machine. It finally got to the place where it would not run at all and the thieves gave up the job and took to flight. It is estimated that quite a sum of money will be necessary to put the machine back into good chape Kurtz P.
