The store was closed as everybody in the town had gone to the school celebration. It appears that Mr. Simpson's son, clerking in the store, had turned the wick too high in the swinging lamp in front of the store and an explosion resulted. The store and contents were destroyed, without a cent of insurance. The stock was worth about \$1,000, and the building about \$5,000.

SEVERELY SHAKEN UP BY POWDER EXPLOSION

Waxhaw, May 13.—This town and the surrounding country, even down into the edge of Lancaster County, S. There was a lot of blasting powder and dynamite that was so old it would not ignite with regularity, and the foremen were afraid to use it in the shafts. Some of the younger men wanted to have some fun. They took the old stuff and mixed about 30 pounds of good, new explosives with it and set off the whole thing.

SOUTHERN METHODISTS

Decided Not to Change the Wording of their Creed
Oklahoma City, Okla., May 13.—Plans for the creation of three Episcopal districts, one for Latin American countries and Africa, another for Mexico and Cuba and the other for the far East, including Japan and China, to provide a closer superintendency of foreign mission fields and a proposal for the retirement of "slab" pastors, submitted by the general conference, were presented today to the general conference of the Methodist Episcopal Church, in session here.

When Mr. Brissey learned of this state of affairs he straightway volunteered to lead his enormous Packard automobile truck for the occasion and as a result it will be possible to make the trip on that machine. This has solved Mr. Burnett's problem and thus everything is arranged for the launch.

The petition sets forth that petitioner signed a contract to play as catcher for the Federal league and was to receive \$6,833.33 per year for the years 1914, 1915, and 1916, or the total of \$17,000. When he refused to play with the Federals, suit to enforce him from playing with another baseball organization. Branch of contract is attached.

The report also showed that receipts for the current year amounted to \$75,478.97, or \$14,000 more than last year's receipts. Only an incomplete report from the foreign mission report was received in the regular report of the board.

By MOSS.
THIS is a little heart to heart talk. It's meant for the business men of this territory, for those who advertise and for those who ought to. Friend, you must make your customers buy from you MENTALLY before they purchase in ACCIDENTALITY. You must arouse and interest the spot before you can reach the pocketbook. Thought precedes action.
