DRAINAGE VIEWERS HAVE FILED REPORT

HAVE INVESTIGATED THE ROCKY RIVER SWAMP

PLAN IS FEASIBLE

Drain Many Acres of Marsh Land and Doing Away With the Contaminated Water

The Board of Viewers, consisting of W. A. Sanders, Oliver Bolt and George W. Laboon, appointed some days ago by James N. Pearman, clerk of court, to view the Rocky River swamp land and report as to whether or not it can be drained, filed a complete report with Mr. Pearman yesterday. The Viewers advise that the proposition is feasible and they seem to be heartily in favor of the proposed move.

Since this report has been filed the Clerk of Court will set a day for a final hearing on it at this time the property owners will be given an opportunity to appear and state any objections they may have to a drainage district being formed. If there is no objection, the board or sustained the district will be formed and the work of draining the lands will proceed.

The following is the complete report of the viewers, as filed yesterday: "Anderson, S. C., May 18, 1914. We, the undersigned, appointed by Jas. N. Pearman, Clerk of Court of Anderson County, S. C., to act as the Board of Viewers to investigate the proposed Rocky River Drainage District have this the 18th day of May, 1914, examined the lands described in said petition and find:

1st. It to be a very practicable proposition. 2nd. We find that it will benefit the public health by draining many acres of marsh land, then by riding the community of great bodies of contaminated water, also benefit several highways and protect them from food poisoning, and will be conducive to opening up many acres of fertile land."

3rd. We believe these lands in the proposed drainage district will be benefited beyond comparison as to their condition at present.

4th. We advise that all the lands included in plans herewith will be benefited, but do not advise to extend the Drainage District by the streams further than shown by plans herewith, but advise that the Drainage work proceed to the above stated extent."

We also find that quantities of sand is constantly washing in from the hills through the small branches, and fill side ditches which block the main channel, thereby raising its bed to such a height that the water flows into the surrounding bottoms. We advise that the success of the proposed drainage will depend on a system of side hill ditches maintained by each land owner to prevent this sand getting into the main channel which if not taken care of will bring the Drainage District back to its present condition."

DR. STEEL WILL BE THE SPEAKER

Famous Lecturer Coming To Anderson To Deliver Orations On the Second Reunion Night

It was announced in Anderson yesterday that a contract had been closed with Dr. S. A. Steel of the National Chautauqua Bureau for the principal address on the second night of the Confederate Reunion here. Dr. Steel will speak at 8:30 o'clock on the night of May 28.

Dr. Steel is a native of Mississippi and at present is the head of a college for young women in Jackson, Tenn. His early life was spent amid the turbulent scenes of the Civil War and he graphically describes the conditions existing at that time in his splendid lecture, "Home Life in Dixie During the War."

The orator for the Anderson reunion has some held responsible positions with the Methodist Church and was the first general secretary of the Epworth League. He is a man of national note and Anderson people will seek to hear him.

Dr. Steel has a wealth of testimonials, but he especially values the following from P. W. Horn, Superintendent of Public Schools in Sherman, Texas, and one of the most intelligent and successful men in his profession. Mr. Horn said: "I particularly enjoyed your lecture the other night on 'Home Life in Dixie During the War.' I wish that every school child in Texas could hear the lecture and I am sure that it would be a most profitable one for the older people, as well as the young."

Dr. Steel's lecture is not only interesting but is also of great value to the people of Anderson. It is a most timely and timely one. It is a most timely and timely one. It is a most timely and timely one.

EXTRA TRAIN ADDED ON THE INTERURBAN

SHORT RUN FROM HERE TO BELTON AND BACK

SEVERAL CHANGES

Additional Service Provided By F. & N. To Make Connection With Train For Columbia

According to an announcement made in Anderson yesterday, a new train will be operated between Anderson, Belton and return over the Piedmont & Northern lines each day after next Sunday. The new train is put on so that passengers may make connection with the Columbia train on the Southern. The new train is to leave Anderson at 4:40 p. m., arriving at Belton at 5:20 and returning it will leave Belton at 5:20, reaching this city at 5:50 p. m.

The Pullman car service from Belton to Atlanta will also be put into operation next Sunday by the Piedmont and Northern lines. Leaving this city at 8:45 p. m., the Anderson people will be enabled to catch the train carrying the Pullman at Belton. This car will be taken to Greenwood and there transferred to the Seaboard for the Atlanta trip.

Only five minutes change is made

to the arrival and departure of trains from Anderson by the new schedule, with one exception. The train formerly arriving here at 10:10 p. m., will come 40 minutes later.

The following is the new schedule:

Table with 2 columns: Departing from Anderson, Arriving at Anderson. Lists train numbers and times.

DOCTOR OF LAWS DEGREE

Conferred Upon Josephus Daniels by Trustees of Davidson College

Dr. W. H. Fraser and Mr. M. M. Mattison have returned from Davidson College where they attended the commencement exercises. Mr. Mattison went to be present upon the occasion of the graduation of his son, Mr. Marion Eugene Mattison. This was a very notable commencement occasion, and among the other happy incidents was the conferring of the degree of doctor of laws upon Josephus Daniels, secretary of the navy.

According to the highway commissioner of Colorado the employment of convict labor in the building of roads has proven very successful.

Carrying to Navy Yard Bodies of U. S. Fighters Killed in Mexico

Copyright, 1914, by American Press Association. The bodies of the men killed in the capture of Vera Cruz, Mexico, were being carried to the navy yard by the U. S. Army.

KRESS CONTRACT WILL BE AWARDED AT ONCE

REPRESENTATIVES HERE ALL DAY YESTERDAY

ANNOUNCED TODAY

Likely That Greenville Men Will Construct Building, Although Contract Is Not Signed

Anderson was yesterday visited by contractors and builders from all parts of the United States, here to place their bids on the construction of the splendid Kress building, to be erected in this city within the next few months. A. I. Wilson of New York one of the Kress representatives and Seymour Burrell of New York, architect for the Kress people, were in the city for the purpose of receiving and considering the bids. Eight were submitted and these were opened yesterday at noon but no definite decision could be reached by Mr. Wilson and Mr. Burrell as to who would obtain the lowest bid was submitted by J. T. Gallivan of Greenville for the Gallivan Building Company by the Kress men would not state whether or not that company would receive the contract for the building.

It is understood that the Kress men will consider the plans again today and they will probably announce either tonight or tomorrow the name of the company to build the handsome home for the Kress company in this city.

The new building is to cost between \$10,000 and \$17,000, according to a statement made yesterday by Mr. Burrell and this will put up a handsome building, although several of the firms bidding on the work had expected it to cost over \$25,000.

Among those firms bidding yesterday were Evans Construction Company of Birmingham, F. L. Graham of Little Rock, Ark., H. L. Dixon of Greensboro, N. C. and R. N. McEachern of Douglas, Ga. All these firms had representatives in the city yesterday and several other firms also submitted bids by letter.

HOPELESSLY TIED UP ON THE SHAW CASE

NO PROSPECT OF JURY ARRIVING AT VERDICT

OTHER HEARINGS

Jury Unable to Reach a Verdict Last Night in case of C. A. Shaw; One Pleas of Guilty

The jury last night was hopelessly tied up on the case of C. A. Shaw, charged with obtaining money under false pretenses and there is little likelihood that a verdict will have been reached by the time court convenes this morning. The case occupied the attention of the court throughout the afternoon yesterday and went to the jury shortly before court adjourned at 4:30 o'clock.

P. S. Stegall, charged with disposing of property under false pretenses, was given a trial yesterday and the jury returned a verdict of not guilty.

In the case of Rube Williamson, charged with larceny, the defendant entered a plea of guilty and was sentenced to seven months on the county roads or in the penitentiary for a like period.

W. D. Moore was convicted on a charge of selling liquor but by account of the defendant's poor health, the court suspended sentence so long as Moore shall not be convicted in the state or municipal courts of the same charge.

The first case tried was that of C. A. Shaw and the judge instructed that a sealed verdict be returned this morning. However, it is not believed that the jury will be able to agree.

On account of the fact that the jury was unable to reach a verdict in the case of C. A. Shaw, the court was adjourned yesterday afternoon at 4:30 o'clock.

NAME SPONSORS FOR LOCAL CAMP

Committee Appointed Yesterday at Meeting of Sons of Veterans For This Purpose

The members of Camp W. W. Hamilton, Unit Sons of Confederate Veterans, met yesterday afternoon at the Chamber of Commerce and completed arrangements for the reunion. A committee consisting of the prominent, J. E. W. Quattlebaum, and Messrs. E. W. Masters, S. M. Wolfe, Swain Gibson and F. T. Dickson was appointed to name sponsors for the local camp.
