### FREIGHT COMMITTEE HELD A CONFERENCE

#### CONSIDERED MATTERS RELATIVE TO BUSINESS

### BIG REDUCTIONS

#### Tremendous Saving To Anderson Will Be Effected By The New Rates Soon To Be In Use

There was a very important meeting of the freight rates committee of the Chamber of Commerce last night at which time was considered the recent reduction in rates secured in part by the efforts of this committee. W. W. Sullivan, the chairman of the committee, and D. A. Ledbetter, attended a meeting in Atlanta at which it was discussed, and the railroad as a result will put into effect on the 1st of June a rate from the West and on the 1st of July a rate from New York and eastern points which will mean a saving in freights of from \$40,000 to \$60,000 a year.

The putting into effect of these rates will mean a great deal more of work for the traffic department of the Chamber of Commerce, for if the merchants of this matter they will turn all of their bills of lading over to the freight experts to see whether or not the new rates have been applied. In this way hundreds of dollars may be saved to each individual shipper. A reduction of from 15 to 10 per cent carry much significance to each individual, but when the rate is applied on shipments in considerable quantity it will be seen what a tremendous saving to the city it will mean.

The Chamber of Commerce must keep a check on Anderson to see if the new rates have been applied.

It is believed that the first reduction was from a basis of 1.50 to 1.30. He did not fight for a reduction, but for an equalization. He found that Belton and fifteen and even more stations on the C. & W. C. road were getting much lower rates than Anderson and he went direct to T. C. Powell the general freight manager of the Southern Railway and urged him not to reduce Anderson's rate but to equalize the rates. After much study Mr. Powell concluded that Anderson had been discriminated against and ordered the equalization as requested. Mr. Ligon stated that he never had any trouble getting the railroad to treat the town fairly if they saw that the appeal was just.

### WHEELS OF THE LAW ARE GRINDING SLOWLY

#### SECOND WEEK OF CRIMINAL COURT COMING TO CLOSE

### SOLICITOR ABSENT

#### Hon. J. E. Boggs Discharged the Duties of Solicitor Kurtz P. Smith in Court Yesterday

Yesterday's session of the Court of General Sessions brought up but few cases of instance and the business of the court was mainly confined to cases of minor importance. On account of the death of the Solicitor's father, Kurtz P. Smith was not in attendance at court and his duties were discharged throughout the day by Hon. Julius E. Boggs.

When the court convened yesterday morning the foreman of the jury in the case of T. A. Shaw, indicted for obtaining goods under false pretenses, reported to the Judge that no verdict could be reached. Judge Prince ordered a record of a mistrial be entered on the journal and discharged the jury. Policemen and other Anderson people who spend the nights up said that the public would doubtless be thankful that this jury is not to remain in session during any other nights. According to the policeman the jury found an organ in their room Wednesday night and throughout the entire night one man played it while the remainder on the same side as he was singing "Almost Forsaken." This continued until morning when they reported that they could not agree.

Harvey Oliver, charged with violating the liquor laws, was given a hearing yesterday and a verdict of guilty was returned. On account of the fact that the Judge had excused the jurors who were on the Shaw case, all night, there were not enough left in attendance to try a case while the Oliver trial was going on and accordingly the court had to select another jury reported so that more men could be secured.

Ollie Adams was tried on a charge of assault and battery with intent to kill the jury returned a verdict of guilty.

Ellis Hughes pleaded guilty to a charge of assault and battery with intent to kill and he was sentenced to 12 months at hard labor.

John Adger was given trial on a charge of larceny and the jury returned a verdict of guilty.

George Chickales was tried on a charge of violating the dispensary laws. The defense introduced no witnesses, no arguments were made by the attorneys and Judge Prince directed the firmness of the jury to sign a verdict of not guilty.

This concluded the business of the day and adjournment was had at 10 o'clock last night. Court will convene again this morning at 9:30 o'clock.

### FINE SELECTION OF THE SPONSORS

#### Commander of Sons of Veterans Announced Young Ladies Appointed By Local Camp

Anderson's Sons of Veterans, the public of the city will compliment J. W. Quattlebaum, commander of the local camp, on the splendid selection he has made of the sponsors to represent Camp W. W. Hubbard during the approaching year.

Miss Watkins is a daughter of the late John C. Watkins and a granddaughter of the late Lieutenant Colonel Thomas C. Watkins, who was killed during the Civil War. Miss Tribble is a daughter of the late James L. Tribble, who served with distinction in the Confederate army.

The selection of these two young ladies will meet with the hearty approval of all members of Camp Hubbard and they are well pleased over the choice made by Mr. Quattlebaum.

#### Picnic At North Anderson Park Tonight Delightful Affair For The Student Body

It was announced last night that the Anderson College girls will have a gay duting at North Anderson Park tonight. The affair will be a delightful one for the student body and all guests invited. The picnic will be held at 8 o'clock and will be a most enjoyable one for all who attend.

## Saturday is the Last Day! Even tomorrow may end your chance to have the NEW HOOSIER for \$1.

Will you decide now to come down tomorrow and settle the matter once for all, or will you let tomorrow drift by—and then realize you are too late to decide, because of the close of the Hoosier Plan of Sale?

Scores of other women are in your state of mind. They are reading this final call tonight. And many who have postponed as you have are making up their minds tonight to come down tomorrow for a final decision.

A choice still remains between "White Beauty" (selected by 3 out of 4 women) and the Hoosiers with "Oak" interior. But the numbers are few and you cannot hope to get one if you delay. You incur no obligation by coming, so let other matters wait tomorrow while you settle this important question.

You could easily imagine a decision of grave importance to you. For the new Hoosier is a wonderful labor-saver—already used by 700,000 women. It saves miles of steps and hours of valuable time. It saves health and good looks. It is very low in price—and on the liberal terms of the Hoosier Plan is the Cheapest Kitchen Cabinet Ever Built.

- #### The Hoosier Plan is Simply This:
- \$1 put on any Hoosier you select in your home.
  - \$1 weekly quickly pays for it.
  - The Low Cash Price fixed by the Factory prevails strictly.
  - The Sale is under direct supervision of the Hoosier Company.
  - No interest. No extra fees.
  - Your money back if you are not delighted with your Hoosier.

**We Now Have Kept Our Promise to You**  
Please remember, if you come too late, that we have told you every day of the progress of this sale, and that we now warn you of the final date in time for you to still enroll if you act early tomorrow.

## Read About these conveniences that have made the HOOSIER necessary to over 700,000 Women

- Mrs. Christine Frederick's famous "Housekeeper's Food Guide"—on the upper left door—answers every woman's eternally perplexing problem—"What shall we have for dinner?" You turn the dial to the meal you want and a complete outline of a perfectly balanced meal is before you—an exclusive Hoosier feature that is an invaluable help.
- The Cook-book holder on the middle upper door holds your cook book securely when not in use. When you are cooking, simply open up the book to the proper page behind the holder. It is on a level with your eye, always clean, never in the way.
- There are 40 special conveniences in the NEW HOOSIER—17 are entirely NEW.
- The Hoosier Metal Flour Bin holds fifty pounds. It is low and easy to fill. The sliding glass front enables you to clean the entire bin easily. The inside is entirely of metal, with no corners to hold flour. First flour in is always out first.
- The New Shaker Flour Sifter is the most wonderful of all the New Hoosier inventions. It is the only flour sifter ever made on a kitchen cabinet that shakes flour through instead of grinding it through. It cannot wear out and cannot grind through any grit or foreign substance that might be in the flour.

Twenty of these conveniences are described in OUR WINDOW DISPLAY, which is the talk of the town. Come in and find out about the others.

Every woman has her favorite recipe. If you're the most women, you have difficulty remembering where you put the one you want. The Metal Recipe Card File has 50 cards and 10 index guides. You can paste or write the recipe and file it always at your fingers' ends. A special holder is provided so you can keep any recipe you are using at level of your eyes—without holding or rolling it.

These and 35 other conveniences are worth examining tomorrow—even at some personal effort on your part. Tomorrow is your last chance to decide whether you want them now on the easy Hoosier Plan.

An Expert Demonstrator from the Factory will be With Us During this Sale

therefore decided that all arrangements would be made for entertaining the young ladies at an event of this kind, to take place at North Anderson Park tonight.

All told there will be about 150 or 200 students of Anderson college to take part in the affair tonight. The invitation to the student body includes both the boarding pupils of the institution and also the day pupils and many Anderson girls will be seen at the party tonight. The trustees have also invited a number of Anderson people to attend, among these being the ministers of the city and their wives, the superintendent of the Anderson public schools and the faculty of the high school, representatives of the Y. M. C. A., the Secretary and Executive committee of the Anderson

Chamber of Commerce and Judge and Mrs. Geo. E. Prichard.

A delightful luncheon will be spread on the grass at the park and when this is concluded a number of automobiles will be in readiness to carry the young people for a ride around the city.

Those in charge of the affair said last night that the cars will start from the college at 6 o'clock and will come down to the square, so that people going out for the event can either board them at the Greenville station or at the transfer station, coming back from North Anderson the cars will leave at 8 o'clock.

This is a happy idea on the part of the college trustees and last night it was said that the young ladies of the college were all wildly enthusiastic over the approaching event.
