IS ALIVE. Republican party is coming back into power. As one of the speakers before the Michigan Republican Welfare conference here today he declared the man who voted the third party ticket did so to act as a protest and not a manifestation of permanent loyalty to the flower. He said he would not leave there in protest.

TOWNVILLE

Townville, May 26.—The last public entertainment to be given at Townville for this season will be Friday evening, beginning at 8:30, when Miss Dunlap, the music teacher, will give her music recital. We have several times had selections given by her pupils at our entertainments so we know whosoever we speak when we say that it will be time well and enjoyably spent to attend this recital especially since Miss Dunlap has spent so much time and energy towards its success during the last several weeks. To a great degree the School Improvement Association efforts have been crowned with success through the assistance of Miss Dunlap. Besides the music proper there will be given a pantomime, "The Holy City" and a short play "Reveries of a Bachelor", for efforts have been made to secure some one to deliver an address on "The Influence of Music" and it is quite probable that this also will be a number on the program. The recital is free and for you. Come and tell others to come. Miss Annie Fant who is attending school at Rabun Gap, Ga. is at home for a short vacation. Mr. and Mrs. Glenn Fagg of Long Branch are visiting the latter's father, Mr. Jett Shirley. The entertainment given at the school house Tuesday evening for the benefit of the school improvement association was quite a success, and a neat sum of \$44.40 was realized. Mr. J. A. Burgess who has been ill at his home near Townville, we are glad to note is some better. Miss Carnes of Fair Play is visiting her friend, Miss Vergie Grant. Mr. W. B. Hawkins, E. P. Earle, W. C. King who attended the Southern Baptist convention, Nashville, Tenn., have returned home. They report a grand time and splendid meeting. Mr. Tom Simmons and two daughters of Earle Grove attended church at Townville Sunday. Mrs. Olive Cole and three children of Westminster spent last week with her mother, Mrs. B. N. Campbell. Quite a crowd from Townville attended the Singing Convention at Double Springs Sunday. They had many singers and the singing was grand. Miss Lizzie Bruce who has been teaching school somewhere in the lower part of the State has returned home for the summer vacation.

OVER IN GEORGIA

Hartwell Sun. Mr. and Mrs. James Hamilton Skelton of Hartwell, Ga., announce the engagement of their sister, Miss Lola Jean Skelton to Fleming Payne Thornton of Washington, Ga., the marriage to occur during the month of June at the home of the bride. It will be interesting to a number of Hart county people to know that another of her most worthy boys, Mr. Thos. E. Estes of the Junior class at Mercer University, Macon, has been chosen as one of the speakers to represent his society in the coming fall term debate. This is an honor sought for, and given by the students. Thomas will certainly make good in his debate as he has in all his college work. He is one of the most popular students, has made a splendid record since going to Mercer and with his characteristic determination and grit, we predict for him even greater success in the future. W. H. Smith writes to the Hartwell Sun: I noticed in a recent issue that Mr. J. A. Adams had seen a belted buzzard. Here is another buzzard story: Mr. Will Senkhal recently captured and took from the said Mr. Buzzard his bell and has it in his possession at this time. It too, must be very old for the bell has the initials "T. W. H. May 4th, 1816," plainly cut on it. It is a small brass dinner bell, with handle cut off. The bell was fastened around its neck with wire. The buzzard was caught in a trap baited with a dead chicken. Mr. A. A. McCarry who has represented the county in the legislature three terms declines to run again.

SIX AND TWENTY

Pendleton, May 25.—A good rain would sure be of great benefit now to our crops. There is going to be an all day singing at Six and Twenty next Sunday. Everybody has a cordial invitation to come and bring their song books, and be sure to bring your basket full of something to eat. As for Sunday School, I don't think that we can be beat, for it to be a county school. At the closing of our school we entertained a large crowd and all performances were exceptionally good, and to make it all the more better there was a very happy and happy crowd ever assembled together. There being no one running circus or other any one drinking. The small creek crop is ripening very fast on account of such a long drouth. Despite the drouth now Baylandrath also has a fine field of corn. Mr. and Mrs. John Moore, spent last Sunday with the former uncle Mr. Tom Link of Walker Hollingsworth section. Mr. and Mrs. E. R. Richey, spent last Saturday and Sunday with their daughter, Mrs. I. A. Cochran, of Liberty, S. C. Miss Martha Shoop, one of Harlow's charming young ladies was with us last Sunday in our Sunday School. Mr. John Fowler, of Trinity was to our section last Sunday afternoon for a while. If it doesn't hurry up and rain our farmer's are going to soon be without a job and all will have to go fishing. Six and Twenty baseball team crossed bats last Thursday afternoon with the Hopewell team, the results was 5 to 12 in favor of the local team.

FACTS ABOUT ANDERSON

Anderson, the fifth largest city in the State, is located in the southwestern part of South Carolina, and contains a population, including suburbs, of which it has many, of approximately 20,000. It is the western terminus of the Greenville, Spartanburg & Anderson Electric Interurban Railway, and is the northern terminus of the Charleston & Western Carolina Railway. The Blue Ridge Railway enters the city giving splendid passenger service to Aiken and the West and Columbia, Greenville, Charleston and the southeast. Anderson is noted for its rapid growth in population, manufacturing and wealth. Here are located Anderson College, many factories, beautiful churches and schools, and hundreds of imposing residences. The value of Anderson's real property is estimated at \$17,500,000.00; its business increases are varied including many wholesale and a large variety of retail concerns. It is one of the largest cotton markets in the south and an important center for the sale of hay, timothy, grain and cover crops. It leads all cities in the state except two in the sale of fertilizers. The Chamber of Commerce has more than 300 members and is alive at all times to the city's best interests and welfare. Anderson offers unequalled opportunities for investment. The city's unparalleled growth, one of the greatest in the entire country, is due to the eternal vigilance and civic pride of its people.

Every one appreciate the importance of protecting the home against the deadly Fly. Flies are disease carriers. Live and breed in all kinds of filth. Infect food and drink by germ laden feet. Each female fly can lay 150 eggs. Screens should be used to keep them out.
