ENROLLING COMMITTEES AN-ANNOUNCED FOR COUNTY

THE NEW RULINGS

County Executive Committee Trying To Carry Out All New Regulations As Near as Fossible

y Democratic Executive committee took place last Monday, S Pearman, county chairman and Leen L. Rice, county recretary, have received the names of nearly all the enrollment committee for the variou precincts. This is a matter of importance this year than it has ever been before on account of the fact that all new rolls must be provided, since the State Convention in Columbia ruled that old rolls are worthless. The following is a list of the precincts and the mana

More and more is the sportswoman getting to be the rival of her brother when it comes to a matter of comfortable clothes. Here we have her enjoying the freedom of a pocket. She can carry all sorts of things in it, and they will not fall out, for under its

trimming of buttons and buttonholes there are two snap fasteners, easily opened and easily shut.

It has been estimated there will be the larger of the county, but township lines are not to be counted in this calculation. You simply vote at your nearest precinct in your county. In towns and cities you cannot vote outside the ward in which you reside, unless one or more wards are combined to form a club district, in which event you can vote at the precinct of such club district. If you live outside of a town or city and in the same township an such town or city, then, you can vote at the nearest town in such club or city. If the town or city is a township in itself then no outsider can vote in such town. You must put your name on the club rolls either in your own handwriting or your own mark. The club rolls will be furnished by the state committee.
