THREE NURSES ARE TO GRADUATE TONIGHT

INTERESTING EXERCISES ARE PLANNED FOR EVENT

SPECIAL FEATURES

Musical Program Will Make Occasion Very Enjoyable—President Will Deliver Diplomas

Interesting exercises have been planned by the authorities of the Anderson County Hospital for the graduation exercises which will be held tonight at 8:30 o'clock. Three young ladies will receive their diplomas from the institution and will be discharged as full-fledged nurses when tonight's event comes to a close. Those to receive diplomas are: Miss Janice N. Langley, Miss Emma E. Clinkenshaw and Miss Sarah D. Dickson.

The exercises tonight are to be held in the auditorium of St. John's Methodist church and will be marked by a number of features. The evening will be opened by Dr. W. H. Frazer of the First Presbyterian church of Anderson and he will be followed by Dr. John F. Vines, pastor of the First Baptist Church. Dr. Vines will speak to the nurses as a representative of the Ministerial Union and Dr. J. Ben Townsend will then deliver an address as a representative of the hospital association and the medical association. The diplomas are to be presented by E. S. Ligon, president of the Anderson County Hospital association.

One of the most attractive parts of the evening's exercises will be the splendid musical program. A cordial invitation has been extended the people of the city to attend tonight's event and the auditorium of St. John's church will be taxed to accommodate the crowd.

RUSSIAN BALLET FOR THE DINNER

In Compliment to the King and Queen of Spain Who Will Attend Wedding of Kermit

Madrid, June 4.—Joseph E. Willard, American ambassador and Mrs. Willard had King Alfonso and Queen Victoria of Spain as their guests at luncheon at the American embassy today. Kermit Roosevelt and the British and German ambassadors also were guests.

A brilliant reception followed, which was attended by the members of the diplomatic corps and many persons prominent in the society of the Spanish capital. A Russian ballet was given for the entertainment of the guests.

Because Ambassador Willard desires to observe all the requirements of the Spanish laws in respect to foreign marriages, the Magistrate of Buenavista District will perform the civil marriage ceremony for Miss Belle Willard and Kermit Roosevelt on June 10. The American embassy is situated in the Buenavista District, the most aristocratic section of the city.

When the minister of state learned that the ambassador desired to observe the Spanish law in this respect he suggested the justice should be done to the American embassy; but as the embassy is beyond the control of the magistrate, being technically United States territory, a room has been fitted up in the magistrate's own residence, where the ceremony will take place.

The formal witnesses doubtless will include Eduardo Dato, the Spanish premier; the Marquis de Lema, the Minister of State; Myron T. Herrick, the American ambassador to Paris, and Col. Roosevelt.

The religious services will take place at noon the next day in the chapel of the British embassy. The chapel is in a pavilion in the embassy grounds. The Rev. Dr. Samuel N. Watson, pastor of the American Protestant Episcopal church in Paris, will perform the ceremony.

CONFERENCE WILL BE CLOSED TODAY

Women Workers Are To Adjourn Meeting at Noon After Successful Session

The Woman's Missionary Conference, which has been in session at Anderson college for the last two days, will come to a close today at noon. Before that time some action will be taken in regard to making the conference an annual affair and it is believed that this will be decided upon.

The conference was opened yesterday by Mrs. F. J. McCown of Mountain Creek, following which the Bible Study Class held a very interesting meeting. This part of the program was directed by Prof. C. M. Faithful of the Anderson college faculty. The Personal Service class, under the direction of Mrs. R. Lee Sanders held a very interesting session and then came the meeting of the Mission study class, led by Mrs. A. L. Smithers. A business session was held yesterday afternoon by the Ways and Means committee, beginning at 3:30 o'clock.

The vespers service last night was held at 7:30 o'clock by Miss Helen Harris and at 8:30 o'clock began one of the most interesting addresses the conference has yet heard, this address being delivered by Rev. E. S. Reeves of Honea, S. C. Mr. Reeves assumed the subject, "The Right Use of Property," and made a great impression upon his hearers. All those who have attended the conference have been benefited and each of them will feel happy that they availed themselves of this opportunity.

YOUNGSTERS HAD A MERRY TIME

Almost 600 Lads and Lassies Of St. John's Methodist Sunday School Enjoyed Outing

There has never been a more delightful event for the young people of the city than that enjoyed yesterday by the Sunday school pupils of St. John's Methodist church. The entire Sunday school, numbering between 500 and 600, spent the day at Williamston, making the trip from Anderson on two special trains of 3 cars each on the interurban. They left Anderson yesterday morning at 10 o'clock and when Williamston was reached they took entire charge of the place. Contests were arranged, both for the boys and girls and the day on the whole was one of delight.

One of the principal features of the affair was the picnic dinner. Never before had Williamston seen such an assortment of delicious viands and before the call was given for dinner it did not seem possible that the children would be able to eat one-half of the food provided, but this was evidently a mistake.

Apparently there was not a single accident to mar the pleasures of the day and every one of the children were brought back to the city safe and sound last night, reaching Anderson at 7:30 o'clock.

J. MACK KING IS IN THE RACE

Seeks Office of His Merits and Asks For a Chance To Serve The County

J. Mack King, supervisor of Anderson county, yesterday made the formal announcement of his candidacy for election to that position. Two years ago Mr. King was a candidate for the house of representatives. He first came out as a non-partisan, but after the lines had been drawn he took a stand without being bitter. He received the highest vote cast for any candidate in the county last summer.

Upon the resignation of Mr. J. T. Milford, he was appointed by Gov. Bleasdale to the office of Supervisor and accepted it, although he had been informed that this was his political graveyard, even under the most favorable circumstances. Mr. King says that he wishes to have a trial at the office for a full term and he believes he will show the people that he knows the business of the county and can handle it to the entire satisfaction of all.

Mr. King has been trying to give every road in the county some attention, and at the proper time he will tell the people of the county his views on county government under a system he has planned.

THE SILENCE IS FAVORABLE

It Is Believed By the Mediators That Carranza Will Accept the Proposals

(By Associated Press) Niagara Falls, June 4.—Mediation ended another day for word from General Carranza on Constitutional participation at the conference here, but no word came. The silence was regarded as favorable, for it was interpreted to mean that the Constitutionalists were weighing carefully the advantages of mediation. There was no conference again today. The American commissioners stayed at the hotels.

MILES GIVES ANOTHER TRIAL BY THE COURT

YOUNG MAN HAS ANOTHER CHANCE ON CHARGE

APPEAL IS GRANTED

Judge Prince Yesterday Heard Motion for New Trial and Granted It Because of Error in Name

The most interesting motion made before the Court for Anderson county since that body convened for this term was heard by Judge Prince yesterday afternoon in the case of Will Miles, a well known young white man of this county, convicted a short time ago on a charge of slander. Attorneys for the defendant made a motion for a new trial and the Court granted it. This means that the Miles case will again be called when the next term of the Court of General Sessions convenes for Anderson county.

The principal grounds set out by the defendant's attorneys as to why a new trial should be granted are that the jury trying the case was not a lawful jury, because of the fact that one of the jurors on this case had never been chosen as such. It seems that T. W. Pruitt had been drawn on the jury and for some reason T. W. Pruitt, Jr. presented himself and sat on this case. As a result thereof the Court granted the new trial.

MANY AFTER A COUNTY OFFICE

Number of Anderson County Citizens Would Be "Persuaded" To Take Treasurer's Job

It would not be a very difficult undertaking to secure a man to fill the office of county treasurer. There had been but little talk about anyone offering for the position until C. W. McGee, at present county treasurer, tendered his resignation to the governor and since that time several have intimated that they may be in the race.

In his letter of resignation, sent to Governor Bleasdale, Mr. McGee asked that his resignation become effective "July 1 or as soon thereafter as may be possible." If Governor Bleasdale is willing to relieve Mr. McGee it will mean that a new man will be appointed to fill out the term. If however, Mr. McGee should be asked to fill out the term before resigning, he might have to consider acceding to it. Mr. McGee's term would not have expired for another year from July 1st.

While no definite announcement was made by any candidate yesterday it was understood that there is to be no dearth of them in the field and this much-sought after office will be quite a bone of contention during the coming county campaign.

ROOSEVELT'S BOYS ARE VERY BUSY

New Party In Pennsylvania Is After Penrose's Scalp—Call Themselves Washingtonians

Harrisburg, June 4.—The Washington party, as the Progressive party in Pennsylvania is known, today laid its campaign plans and adopted its declaration of principles.

The platform declares that the "paramount issue in Pennsylvania is Penrose and Penroseism," that the party stands for protection and that the tariff is a matter of business, not play. The party renounces its allegiance to Theodore Roosevelt.

Local option with the county as a unit and woman suffrage are favored.

THOM BEFORE THE COMMITTEE

General Counsel for the Southern Railway Will Discuss the Anti Trust Bill

Washington, June 4.—With testimony today by two railroad attorneys, the senate interstate commerce committee practically completed its anti-trust hearings, and next week will take up the task of settling upon one of more bills to report to the senate.

The committee has before it a mass of testimony from many parties interested in the proposed legislation and drafts of several bills of varying scope. A motion is pending before the committee to report only a trade commission bill and defer action on the other subjects until next winter. Many senators openly favor this plan and the testimony of many witnesses is certain to lead to more careful scrutiny of the legislation to receive committee approval. For the present, however, the committee proceeded on the theory that the senate shall pass sweeping legislation before adjournment and will report out measures that will give it opportunity to act on the bill.

The committee listened today to the objections to the house so-called railway capitalization bill from George F. Bromwell, vice-president of the Erie Railroad and E. S. Jonett, general counsel for the Louisville and Nashville.

No session will be held tomorrow, but A. P. Thom, general counsel for the Southern Railway will be heard Saturday. Chairman Newlands said today that Mr. Thom would be the last witness.

THOUGHT KING WAS "SUNNY JIM"

Begged Him Not To Use Force—Just Another One of Those Fool Suff Stunts in London

(By Associated Press.) London, June 4.—The King and Queen held court at Buckingham palace tonight and despite all precautions a militant suffragette gained access to their presence and interrupted the presentations.

As she was passing the king the suffragette dropped on her knees and cried: "Your majesty, for God's sake do not use force."

The woman was attired in court dress and her action caused consternation. She continued to admonish the king, but the conductor of the band in the gallery signalled to the band to play louder and the woman's voice was drowned.

The woman was immediately removed from the room and handed over to the police. Her name was not learned and close inquiries are being made as to how she obtained a card of admission.

The scene was brief and the assemblage generally had little knowledge of what was transpiring. Whether the woman was an invited guest who sympathized with the suffrage movement or an intruder who gained admission by forged card is not known. The police had knowledge of a conspiracy to approach the royal presence and every guest and every carriage arriving at Buckingham palace tonight had been subjected to close inspection by detectives—a unique precaution and one that caused considerable delay and not a little indignation or irritation in court circles.

Tonight's incident is calculated to produce a feeling of still greater exasperation in the public mind and renewed demands for strong measures to suppress the suffragette agitation. Among those presented to the king and queen were Miss Esther Cleveland of Princeton, N. J., daughter of the late Grover Cleveland; and Mrs. Randolph Mordcaid and Miss Margaretta Pennington, both of Baltimore.

WILL RUN FOR HOUSE

Representative O. D. Gray Will Not Offer for the State Senate. Hon. Oscar D. Gray of Williamston, who was in the city yesterday, stated definitely that he had decided not to enter the race for the state senate, for he considers that the house really has the greater opportunity for service. He will announce for reelection in a few days.

It is stated on good authority that the close friends of Hon. J. W. Ashley will not permit him to make the campaign this summer as they do not think it will be to his interest on account of his health to go to Columbia in the winter.

It is understood that nearly all of the members of the Anderson delegation in the house will offer for reelection. Hon. J. A. Hall is aspiring to the senate as is also Hon. H. C. Summers, Jr., who is announced up to this time Mr. Summers and Mr. Jesse L. Sherrad are the only candidates in the field, formally.

W. P. NICHOLSON ANNOUNCES

For the Office of Probate Judge or Anderson County. Judge W. P. Nicholson, who is now completing his second term as Judge of Probate for Anderson county, will again be a candidate to succeed himself. Judge Nicholson has made a splendid official during the two terms that he has held this office and he will be a hard man to beat. Two other candidates have already announced for his office and it is probable that one or two others will also enter the race and indications are that the fight will be an interesting one. The office of Probate Judge is about the most important in the court house for the officer is the state's representative to protect the widows and orphans, to advise them and to help them.

C., June 4.—The democratic convention having this afternoon unanimously renominated for the United States senate Lee S. Overman and for a member of the North Carolina corporation commission Edward L. Travis, adjourned to-night shortly before 7 o'clock, after the adoption of a platform. Hucte Chatham, of Elkin, was the permanent chairman. As the closing act of the afternoon session, the convention by a unanimous vote endorsed the position taken by President Wilson for the repeal of the Sanial tolls exemption clause; commended the house of representatives for its vote for repeal, and called upon the democratic majority in the senate to uphold the president's position and sustain the fundamental principle of democracy in opposition to trusts and bounties. At night the convention heard a strong address by Secretary of Commerce Redfield on the value of the democratic tariff. This was followed by a warm discussion as to a legalized state-wide primary plan in the platform, the convention endorsing the principle as applied to national, state and judicial primaries; and pledged the party to enact such laws as would make the principle applicable to all parties. The platform endorses the administration of Woodrow Wilson and the state democratic administration; commends the progress made to secure an end of freight rate discrimination; pledges democracy's efforts to secure a six month school term in every district; demands the strict upholding of the prohibition law; indorses a reviv-
