

North Main St., from Greenville street, north (the part we sanded last fall) and North Avenue as far as the old race track was as smooth and hard as a sand-clay road gets to be.

It's a joy to drive a car over this road through North Anderson.

POLITICAL NEWS

Because of the fact that people in all sections of Anderson and adjoining counties are deeply intrested in the approaching State campaign, The Intelligenced has arranged at considerable additional expense, to secure a complete and comprehensive report of the campaign, day by day, as it progresses. In addition to that The Intelligencer now announces a remarkable reduction in the subscription price DURING THE CAMPAIGN ONLY. The campaign and elections will continue over approximately three months and for that length of time The Morning Intelligencer will be sent to any address for Seventy-five Cents, strictly in ad-

Big Celebration. Plans are now being made by the local post of the Travelers Protective Association for the big rally which it plans to hold at an early date. It is planned to have a number of prominent speakers her from various cities and a reception will be another feature of the affair. The event is being anticipated with keen delight on the part of the traveling men and their

School Board Met Yesterday.

A meeting of the school board was held yesterday afternoon in the office of E. C. McCants, superintendeent. The meeting was for the purpose of considering plans for the rebuilding of the Glenn street school and for a conference with the architect. It was de-cided at this meeting to take immeliate action on the question of adding wo additional rooms to the school building. Instead of this, they will wait until the rebuilding has progressed somewhat and then decide the mat-This action was taken on the advice of J. J. Baldwin, the architect, and will of course be pursued.

Try This Plan

For a Few Days.

While Anderson people are complaining of the heat they should bear in mind the various ways in which they can be more comfortable. But Mr. and Mrs. Eugene Sebyt and Har-ry Sebyt and Mrs. Earl Lewis and Mrs. Walter Beaty have returned from a short trip to Greenville. Bond Anderson is spending a few days in Danville, Va., where he has gone on railroad business.

Prof. R. A. Abrams of Starr was among the visitors to spend yesterday in the city.

H. G. Fisher of Level Land spent.

Here's what the board of health says do: "Don't eat meat. Don't drink any gin rickeys. Don't work hard. Don't play games in the open. Stay on the shady side of the rtreet and don't worry. Do all this and you won't suffer." H. G. Fisher of Level Land spent. Do all this and part of yesterday in the city on bush. Mr. Evans III

At Pendicton.

J. C. Wright of Martin township was mong the visitors to spend vesterday that E. G. Evans is ill at his home in Pendleton. As soon as the message was received in Anderson his son Glenn Evans of the Owl Drug store went to Pendleton. It was said yes terday that there was some slight improvement to be noted in his condition and it is hoped that he will shortly be

Prominent Georgian in

The City Yesterday.

Dr. ' I. Hailey, of Hartwell, Ga., accom: d by Mrs. Hailey and children spont yesterday in the city. Dr. Hailey is one of the staunch citizens of this prosperous Georgia city, and is an active promoter of all that means progress. Among the things opens. progress. Among the things engag-ing his attention at this time is Hailey's ferry across the Savannah river. He has erected for the use of the traveling public a commodious club house, containing all the neces sary adjuncts for a comfortable out-ing, all of which is for the use of those wishing to stop there, free of charge. Dr. Hailey is anxious to have the route by his ferry adopted at the National Highway, and he has named it "The Hartwell, Ca., and the An-derson, S. C., Highway." An adver-tisement elsewhere in this issue tells of the distauces from this ferry to adjacent Georgia and South Carolina points of interest.

The new windows and the new arrangement of the interior of the store are unexcelled in South Carolina. Good windows are the most valuable asset any store can have, and judging from the new windows of Gelsberg Bros. their assets are far in advance of their liabilities. Mersrs, Gelsberg Bros. claim their hobby is "fitting the hard to fit" and from the elaborate display in their windows, the task is an easy one.

REV. J. L. HARLEY WAS SURPRISED

Thought He Was To Be Permitted To Assist In Checking Petitions

Rev. J. L. Harley of Spartanburg, State superintendent of the anti-saloon league, arrived in the city yesterday in pursuance of what was considered an engagement with Supervisor King to check over the dispensary petitions in the safe of the supervisor. Mr. King had stated to Mr. Harley upon a former visit that the petitions were in the safe and could not be handled except by persons appointed by Mr. King who, as custodian, in responsible to the people of the county for them, one appointed by him, was to be given

Mr. Harley stated yesterday that it was his understanding that he or some representation upon the committee checking the lists, for he had been received most courteously by Supervisor King, who had talked over the matter rather hurrically with Mr. Harley and one of the local ministers. Mr. Har-ley stated that he had told Mr. King 12th of June and he had suggested that this would be a day suitable to start on the work and it was his understanding when he went away some weeks ago that when he returned on the 12th

Victor. A thrilling 2 reel western feature. It is a gripping story that will appeal to every one with J. Warren Kerrigan in the lead.
UNIVERSAL IKE, JR., AND HIS lists inspected as per the former con-

> Supervisor King stated yesterday that in counting the names no the pe-titions, he found that there were about 1,826. The committee started to work yesterday, Mr. Fant arriving from Belton at 2 o'clock, and it will require some days of constant work to com-plete the trak. Every name on a pe-tition is taken up and a search is made in the registration books to see it he is a registered voter. When his name is found among the registered voters, the number of his registration certificate is written on the petition opposite the signers name. This is a difficult task as there are about 50 registration books.

War on the Tick. War on the Tiek.

Oak Grove, Juno 12.—James A. Gallowsy cuttle tick inspector for Bethea and Kirby townships, was through this section-today on a tour of inspectition. Mr. Gallowsy is making what might be termed a house-to-house canvass listing all cattle that he finds and noting whether or not they are tick infected. Wherever he finds the presence of ticks he is soon to return with the materials for eradication.

The farmers are heartily in accord

The farmers are heartily in accord with the work and will aid the government in every way to drive out this

So far most of the infected cattle are found in pastures bordering on swamps and branches.

than ever now with the improvements inside and out. Yes, we keep in step, with the trend of the times-the uplift. We adopted, adapted and adhered to the best so can give you better satisfaction than ever before.
