ANDERSON BELONGS TO THE "HELLO BILLS"

EARLY DELEGATES NOW BEGINNING TO ARRIVE

MANY WILL COME

Gates of the City Have Been Thrown Wide Open and Elks Are Welcome

"Hello Bill"

Are we glad to see you? Well yes, and then some. The city is yours, to do with as you please, and the longer you stay the better Anderson folks will like it.

The first delegates to arrive in Anderson for the two days session, today and tomorrow, of the State Convention of Elks, reached this city last night and by noon today over half the members expected will be in the city. Anderson has made many preparations for her visitors and the city is ablaze with the purple and white of Elksdom and the public is giving the Hello Bills a warm welcome on every side.

It is expected that all told about 500 Elks will be in the city for the convention and they will be the liveliest set of "good fellows" Anderson has ever had an opportunity to entertain.

The biggest delegation to come to Anderson for the event will be the Columbia crew. They will arrive in Anderson this morning on a special train, reaching here about 5.30. Spartanburg will send 75 members, making the trip here in two Pullman cars and Greenville will also have a large delegation. The following from the Columbia State of Wednesday tells of the coming of the Columbia delegation.

At the conclusion of a final rehearsal and parade this afternoon the drum corps of Columbia lodge, No. 1190, B. P. O. E. Elks, will be ready to leave for Anderson tomorrow night to attend the State convention of Elks. The drum corps will be seen on Main street for the first time this afternoon. Under the leadership of A. J. Garing, star soloist of Sousa's band, J. W. Comstock, bugle sergeant; A. J. Rawls, drum sergeant, and C. J. Lynch, drum major, the drum corps has been hard at work for weeks preparing for its first appearance at the State convention.

Members of the drum corps are urged to be at the Elks' home on Hampton street this afternoon at 6 o'clock ready to make the final march. The parade will be up Sumter street and then into Main to the capitol. The uniforms of purple and white, the colors of the fraternity, arrived Friday and were used for a short time that afternoon in abbreviated parade on Hampton street, shortened by the approach of a thunder storm. The first official appearance will be this afternoon.

Special Train. Plans were completed Saturday for the movement of the Columbia delegation to Anderson. A special train will leave the union station, via the Southern railway shortly after midnight Tuesday. With the 75 or more Columbia representatives, including the officers and members of Columbia lodge the drum corps will be represented by from Sumter, Florence, Orangeburg, Charleston and Georgetown. The train will not leave Columbia until the Atlantic Coast Line train arriving at 11:20 p. m., has brought the "Bills" from the neighboring lodges.

The special train will consist of a baggage car, day coach and three Pullman cars. Anderson will be crowded with visitors for the annual convention and Columbia Elks anticipating crowded hotels will have their cars parked and use them for sleeping quarters during the two days stay. The State association of Elks is always a popular occasion and some 500 "Bills" will visit Anderson for the sessions of June 17-18. Anderson lodge has recently completed a handsome home at a cost of \$10,000 and the convention will make the best official Elks' gathering therein. The Anderson lodge has made extensive arrangements to entertain the convention, which it secured at the last meeting in Greenville after a spirited fight between Columbia, Charleston and Anderson.

Next Convention. The Anderson invitation was accepted after Columbia had withdrawn in its favor, it being then the hobby lodge of the state. Since then lodges have been instituted at Gaffney and Spartanburg and it is said that both these infants will bid for the next convention. Florence and Sumter may enter the competition and extend an invitation for the convention of 1915. George D. Levy of Sumter is president of the association and C. J. Lynch of Columbia is first vice president.

The Rev. K. G. Finlay, rector of Trinity church, is State chaplain. P. S. Finn of Sumter is secretary. James L. Erwin of Columbia is a member of the executive committee. L. H. Cary of Greenville is the ranking Elk of South Carolina as district deputy grand exalted ruler.

All the officers of Columbia lodge, No. 1190 are expected to attend the convention including J. Brain Bell, exalted ruler; W. H. Burkhalter, esteemed leading knight; S. F. Thomson, esteemed loyal knight; J. W. Arthur Smith, secretary; J. M. Van Metre treasurer; the Rev. K. G. Finlay chaplain; J. J. Marshall, esquire, and R. K. Otis, tiler.

WELL KNOWN CASE NEARING THE END

After Consuming Two Days, Case of Hardy vs. Crout is Completed.

Another day has been consumed in the case of Hardy vs. Crout, that was continued from Monday. The details of this case are well known, on account of the fact that at the last term of court, after four days of arguments, pro and con, a mistrial was the result. Much interest is being manifested in the outcome. All the testimony is in, and the arguments will be concluded this morning. Quite a number of witnesses have been introduced by both sides in this case. Every point gained by either side was fought by able attorneys. Messrs. Leonard, Watkins and Allen are counsel for plaintiff; Hood & Sullivan represent the defendant.

NEW TREASURER ACCEPTS OFFICE

Sworn His Bond to Columbia Yesterday and Will Come to Anderson, July 1st.

Dr. W. A. Tripp of Brushy Creek, recently appointed by Governor Blease as treasurer for Anderson county to succeed C. W. McGee, resigned, was in Anderson yesterday and while here told a reporter for The Intelligencer that he had decided to accept the appointment and would assume the duties of the office on July 1, at which time Mr. McGee will retire.

Dr. Tripp said that he had just completed his bond and same was sent to Columbia yesterday.

The new officer has quite a large medical practice but this he has placed in the hands of his son, Dr. V. M. Tripp who is also a well known physician.

Dr. Tripp said yesterday that he had definitely determined to make the race for treasurer in the coming campaign and would shortly make a formal announcement to that effect. He said that this was a change from his original plans but is reminded that wise men sometimes change their minds; fools never.

PAID SOMETHING FOR NOTHING

Candidates Filed Reports of Expenses Incurred in Campaign With Clerk of Court.

Better to have run and lost than never to have run at all may apply to the feelings of the candidates defeated in yesterday's election but it is hard to believe that any of them were tickled over the fact that they had paid something for nothing, in other words that they had given out their hard earned cash and got not office in return. The following is the list of expenses incurred by the various candidates, according to the pledges filed with James N. Pearman, clerk of court:

Table listing candidates and their expenses: J. H. Godfrey \$16.25, J. M. Payne 23.00, Dr. W. F. Ashmore 25.00, R. E. Elmore 33.50, etc.

HORTON OUT FOR CONGRESS

BELTON MAN IN THE RING FROM THIRD DISTRICT

WILL BE A WINNER

Friends are Sure Mr. Horton Will Be Very Much in the Race to the End.

Congressman Alken is to have a new opponent for his seat in congress and Anderson county a candidate. For some time it has been rumored that Belton had a citizen with congressional aspirations, and was considering the matter of offering for the position of representative from the Third Congressional district. All rumors are now at an end and John Horton is in the race to stay and, his friends say, to win. It is believed that he will poll a large vote in Anderson county, and this is the largest voting county in the district. Coupled with the large vote he will carry in the other counties, his supporters and friends in this county see nothing in the way of Anderson's having a representative in congress.

The following sketch of Mr. Horton's life has been sent The Intelligencer from a warm friend of the candidate living in Belton:

John Alken Horton, our candidate for congress, was born in August 1874, on his father's farm near Belton. As a small boy he attended school here in Belton, having to walk the distance of four miles twice each day. He was determined to have an education, and never stood back on account of wind or weather, but was always present and stayed his classes. From here he went to the Patrick Military Institute in Anderson, teaching school there the summer months to pay his tuition. He was graduated from this institution in 1895. He then went into the grocery business on a small scale, but soon his business had grown to be one of the largest in Belton.

In 1903 he organized the Farmer's Bank of Belton with a capital stock of \$25,000.00. He met with a great deal of opposition in this venture, especially by Hon. A. C. Latimer, but when this gentleman saw how determined Mr. Horton was to succeed, he withdrew his objections, and was one of his biggest stockholders—showing how much confidence he had in Mr. Horton. The bank has grown to a surplus of \$17,000.00, under his able management. He did all of the work himself for several years, but now he and his cashier are both taxed to keep up with it.

He was mayor of Belton for three terms retiring each time on account of business. It was during his administrations, that lawlessness was practically wiped out of Belton. His fearless administration did honor to him, accomplished the end he was striving for—a law abiding as well as clean town. He was always merciful where circumstances warranted it and did his duty as an honest man should.

Mr. Horton was married in June 1910 to Miss Emma Tate, one of Elberton Georgia's most attractive young ladies. Socially they are one of the most popular couples in Belton, and as a business man Mr. Horton is honored as highly as any man in Anderson county, because he has succeeded at everything he has ever undertaken, because his character is clean and honorable; because he sticks to his business, because he can always be depended on to be at his post and because he will do what is right while he is there.

That is the kind of a man Belton is offering to this district as a candidate for their representative and surely that is the kind of a man every good, honest voter in this district wants to represent him in our congress.

If you vote for Mr. Horton you can feel safe that when a roll is called in congress he will be present to answer to his name and to have your interests truly at heart. Born of farmer parents brought up a farmer boy and thrown in close contact with farmers, all of his life, he knows the farmer's needs not the theories, but their actual needs. Living for years in a mill town he also knows their needs and being a banker, he knows their needs, and is ready to work for them all to the very best of his ability, as he has always done in everything he ever undertook to do.

Belton is proud of Mr. John Alken Horton and predicts great things for him in the future.

PAYNE AND GODFREY IN THE SECOND RACE

OVER 1,250 VOTES CAST IN YESTERDAY'S ELECTION

ALDERMEN PICKED

No Second Race Necessary for the Selection of an Alderman Many Surprises Yesterday

Many surprises marked yesterday's election, held in Anderson for the selection of a mayor and aldermen, but the outcome in the race for mayor will hardly occasion surprise as political wisecracks had it handed out just as it happened with Payne and Godfrey to contest for the office in the second race.

The biggest surprise in connection with the race was the closeness of the vote. Almost every ward came in with the candidates for mayor bunched.

Another surprise was in the race for aldermen, every alderman being elected in yesterday's battle at the polls. No second race will be necessary in any instance.

A meeting of the executive committee was held yesterday afternoon at which time the votes were counted and the official returns made public. The committee said last night that any candidate desiring to contest yesterday's election would have to present his claim before 6 o'clock this evening to G. P. Browne or W. H. Wheeler. The following is the official count as announced by the secretary of the executive committee last night in the race for alderman.

- Ward 1. Barton, 160; Ballentine, 89; Guest 20; Jones 9. Ward 2. Dobbins 140. Ward 3. Spearman 89; Johnson 43; Acker 31. Ward 4. Tate 153; Gilmer 91. Ward 5. King 82; Harbin 75. Ward 6. Carter 21; Pannel 91.

ANDERSON WOMAN LOSES BROTHER

D. A. Goldboth, Brother of Mrs. Ward Thomson, is Dead in Marion, S. C.

Mrs. Ward Thompson's friends in Anderson county will sympathize with her in the loss of her brother, David Asa Godbold, which recently occurred in Marion. The following dispatch from Marion tells of his death:

Marion, June 14.—On June 1, at the home of his brother-in-law, W. D. Owens, in Marion, David Asa Godbold died. He was the son of Mr. and Mrs. F. Marion Godbold. Two years ago he had a severe spell of illness from which, it is believed, he never fully recovered. About six weeks before his death he suffered greatly and was carried to an infirmary at Florence for treatment. He came home and was later stricken with paralysis. Again he was carried to the infirmary, but realizing that nothing could be done for him, he was brought to Marion. He never regained his strength enough to be taken to his own home in the county. Mr. Godbold was in the prime of his life, being only 43 years old. He is survived by his widow, who was Miss Martha Stanley, one daughter, Miss Sue Vance, a four-year-old son, Francis, both parents, one brother, Vance Godbold of Richmond, Va., and one sister, Mrs. Ward Thompson of Anderson.

PAID INSURANCE ON SCHOOL LOSS

Adjuster Comes to Anderson and Settled With Board for the Furniture Burned.

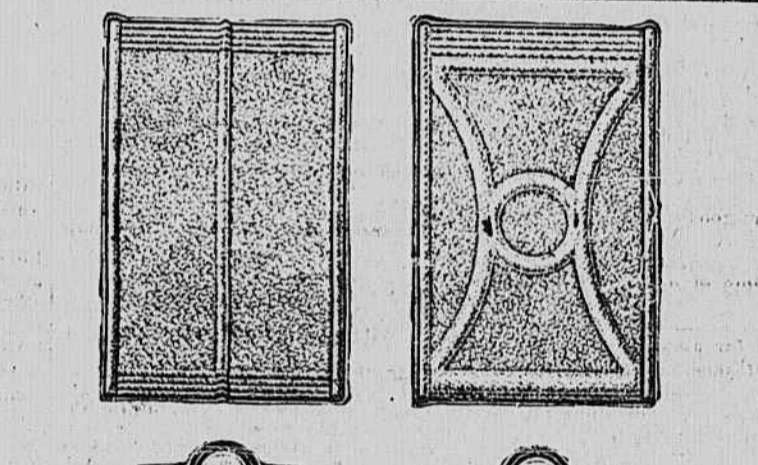

A fire insurance adjuster came to Anderson yesterday and after conferring with the Anderson school board gave the secretary of the board a check for \$712.50, this being a settlement in full on the furniture and fixtures of the Glenn street school, which was destroyed by fire a few weeks ago. This settlement was satisfactory to both the insurance company and the board and so this loss is properly closed up.

Work of rebuilding the burned school is progressing rapidly and the building, when completed, will be equally as good as it was before it not better.

R. E. Pennel of Martin township was among the visitors to spend yesterday in Anderson.
