VITRIOL ABSENT FROM CAMPAIGN

(Continued From First Page) ally of Anderson from being present. Digging No Issues. John G. Richards of Liberty Hill, promised a safe and progressive administration and asserted that he never had in his long official life dodged an issue. He said that he was the author of a bill creating 124 free scholarships for young men at Winthrop college, among other bills of which he is the author and which became laws. He explained his change from a state wide prohibitionist to a local optionist. He favored educational advancement along all lines. "I am not swinging to anyone," he declared. He answered in reply to a question that he favored the minority report of the recent democratic state convention as regards registration. Charles Carroll Stimms, of Barnwell made a brief speech and announced the death of a sister at Charleston during the day. He asserted that he was shocked to know the state convention had treated the "poor white voter" with the medicine given the negro in 1876. Lieutenant Governor Charles A. Smith, of Timmonsville, stated his aim was to make the state a better and happier place in which to live. He made his appeal for support on his record as lieutenant governor. He urged an economical administration two cent rate law expecting on short lines and a popular vote of state wide prohibition. Speaker Mendel L. Smith of Camden told of his record in the house of representatives and advocated a two cent rate law for the trunk lines and a full crew statute. Approving the good roads movement, he urged working convicts on the roads. He asserted he stood for the strict enforcement of the law and local option compulsory education. He deplored ill-considered granting of pardons. After being in session since eleven o'clock, with an hour and a half for dinner, the meeting closed at six o'clock. BANDIT BROKE THROUGH Peking, China, June 17.—"White Wolf," the notorious Chinese brigand, together with 1,000 of his followers today broke through the circle of the regular troops which had surrounded him on Lily Mountain, 120 miles to the south of Lanchow, since June 4. General Chao, with 5,000 regulars followed the brigand in hot pursuit. White Wolf, after devastating the province of Hu Pei, No Nan and Shen Si, on June 4, attacked Tao Chow in the extreme south of Kan Su, and after robbing the inhabitants, burned the town. He and his followers afterwards were surrounded by the regular troops.

Breach Mended Between Chiefs

(Continued from page 1) my. "Come with us or remain away, as you choose," was said to be the purport of the message. It was reported in Saltillo, that in following out the plan, two brigades already have left Torreon for Saltillo, to operate under Villa, who was expected to leave Wednesday. El Paso, Texas, June 17.—General Venustiano Carranza and General Francisco Villa tonight failed to deny that their relations had reached a breaking point. Neither did agents of the constitutional leader or his field commander attempt to give reasons for the ousting yesterday by Villa supporters of all Carranza appointees in the offices at Juarez. A statement issued early today by a Villa agent here, said Villa had authorized the agent to issue a general denial of the reported estrangement. The statement was found later to have been made without authority. Followers of both Villa and Carranza were unable today to get an official expression from Coahuila, where Carranza has established himself, or from Torreon, where Villa evidently remained. Employees of the Juarez customs house and telegraph office were sent south today on a special train. They were reported as having been placed by Villa's officers in the State penitentiary at Chihuahua. However, according to Roberto Piqueira, Carranza's confidential agent here, the men were sent to Saltillo, Carranza's headquarters. This report was received by agents of both factions as a sarcastic action by the Villa adherents. It was not denied from any source that Villa's soldiers had taken over the entire fabric of civil government that heretofore was manipulated by Carranza's cabinet officers. H. Perez, Abreu, in charge of the constitutionalists in formation bureau, disappeared with the rest. Alberto Pani, Carranza's agent in charge of the treasury department at Juarez, escaped to American soil, although all of his fellow employees were arrested. Much Money Gone. In addition to the disappearance of the Carranza officials from the border port \$100,000 in constitutionalist currency missing, it is said tonight. The money was said to have been confiscated by Villa and taken to Chihuahua. Lazaro de La Garza, Villa's commercial agent at Juarez, today issued an invitation for the Spaniards of the La Guna district to return to their homes. They had been forced to leave Mexico by Villa's order, just after the taking of Torreon. de La Garza's statement said: "The order from General Villa expelling the Spaniards from Torreon was made necessary in view of the profound hostile sentiment against them among the people. Now the conditions are normal in that region and the Spaniards may return to their labors with full guarantees. Reports today indicated that the election of Carranza officials at Juarez last night was followed by similar events at other points in Northern Mexico. Agents of both factions denied in general terms there had been any estrangement, but Villa's men sat in chairs which yesterday were occupied by Carranza's officers at the customs houses, telegraph and federal offices at Juarez. One of Carranza's representatives declared similar transfers had occurred at Chihuahua, Torreon and other cities. The doubly enforced censorship prevented specific news arriving from the south, regarding the sudden turn of affairs in Northern Mexico, or of the military movements against Zacatecas. Villa ordered by Carranza to move south, remained at Torreon, although it was thought his troops had been put in motion. Saltillo, Mex., June 16.—Via Laredo, Tex., June 17.—General Villa's resignation as commander of the constitutional army of the central division has not been accepted and the threatened breach between General Villa and General Carranza has been averted according to a statement from General Carranza's headquarters late today. It was reiterated that representations of the strained relations between Generals Villa and Carranza had been greatly exaggerated and that Villa would go immediately to Zacatecas to direct the assault on that town. It was announced that the campaign against Zacatecas would be pushed at once; that five thousand men had left Torreon for Zacatecas yesterday and that 3,000 more would leave today. It is understood that the assault on the strong positions at Zacatecas will begin tomorrow and the town be carried by assault. It was also announced that General Obregon, with 12,000 men, would attack Guadalajara tomorrow. General Obregon encountered a strong force of federalists between Manzanillo and Guadalajara, and it is stated, defeated them decisively yesterday, killing 100 and wounding many others. He has cut Guadalajara off from communication with the outside world. It is reported, and also has cut the lines of communication leading to Manzanillo. General Pablo Gonzales, commanding the army of the northeast, arrived from Monterey and conferred with General Carranza as did General Villalobos, acting minister of finance, who arrived from Torreon this morning. It was stated that General Gonzales came to lead his troops south to San Luis Potosi. Must Have Levy. Washington, June 17.—Comptroller of the Treasury Downey today decided that the Federal board after it comes into existence, immediately must levy an assessment on member banks to defray the salaries of board members and employes.

PLAN FOR ATTACK

Villa Preparing to Mass Men in Siege of Zacatecas. Torreon, Coahuila, Mexico, June 17. General Natera, commander of the new central division, was expected tonight from Zacatecas to discuss with General Villa the military situation. While in Torreon, Natera will be the guest of General Villa. General Villa today announced that so far he had been able to send 8,500 men toward Zacatecas. He hopes to have the rest of his forces near Zacatecas within a few days. It was learned today that the federal forces at Zacatecas numbers between 12,000 and 15,000. reinforcements said to be part of the Saltillo garrison having reached Zacatecas during the latter part of the week. DANIELS GETS DEGREE BY VIRGINIA COLLEGE

Secretary of the Navy Addressed Seniors of Washington & Lee and Was Honored.

Lexington, Va., June 17.—Josephus Daniels, secretary of the navy, was given the honorary degree of doctor of literature by Washington and Lee University at its annual commencement exercises today. Mr. Daniels was orator of the day and in his address urged the graduates to emulate the example of manhood set by General Robert E. Lee, who was for many years president of the University. Eighty nine students received diplomas, degrees in course being conferred as follows: Master of arts three; Bachelor of arts, 26; bachelor of science, 11; bachelor of laws 29. Other honorary degrees conferred were: Doctor of laws, Milton W. Humphreys, member of the University of Virginia faculty; doctor of divinity, J. Mercer Blain, China; W. D. Smith, Winchester, Va., and Holmes Rolston, Staunton, Va. "If I had one wish more than another for the South, it would be that a double portion of the spirit of General Robert E. Lee should fall upon them and that those who lead should receive his mantle and worthily wear it." So declared Secretary of the Navy Daniels in his address today. The secretary's earnest message to the students was "get a hero" and he urged them to choose Lee as their exemplar, pointing out that their future would be marked by the sort of heroes they choose. "We are all hero worshippers—or we should be—and I give you the example of the perfect product of what worship of the noblest hero can produce in urging you to choose Lee as your exemplar as Lee chose Washington," said he. "I cannot tell you the alchemy or the transmutation by which one who worships a great man comes to partake of the qualities of the object of the worship." Declaring that the biggest thing in going to college was not what a student gets out of text books or from lectures, the secretary expressed the belief that students in the larger colleges were not receiving the inspiring comradeship and leadership of that class of teachers who give more of themselves to the classes than they give of the books. Lee's sympathetic nature and evinced interest in each one personally is the ideal of those who aspire to each youth, the secretary declared. Secretary Daniels declared that Lee brought all the world to see that failure was not failure, but that it was in reality the triumph of devotion to duty, "which endures after the tumult and the shouting end." He spoke of the statesmanship and courage shown by Lee when, seeing that there was no hope for victory, he laid down his sword at Appomattox to devote the rest of his life to teaching the young men of the South. "Some times I shudder," said the secretary, "to think what would have been the fate of the South in its supreme hour of need of a great man if the eader of the army had not been big enough and brave enough to admit that victory was impossible." CONVENTION CLOSED South Carolina Cottonseed Men End Meeting with Banquet. Wilmington, N. C., June 17.—Closing tonight with a banquet at Wrightsville Beach, the South Carolina Cotton Seed Crushers Association today elected officers as follows: President, John T. Stevens, Kershaw; Vice President, F. H. Hendrix, Leesville; secretary, B. F. Taylor, Columbia; associate secretary, W. B. West, Columbia. A resolution was adopted expressing appreciation of the association of Congressman Lever's bill in the house, authorizing the census bureau to gather statistics for use of the cotton seed crushers of the country.

ELKS DEVOTED DAY TO INFORMAN JOY

JUST HAD A GOOD TIME AND HEAR A FEW SPEECHES

WORDS OF WELCOME Today is The Day of Business—Officers Are To Be Elected This Afternoon. J. Brian Bell, the brilliant young news editor of the Columbia State, last night wrote for this paper and for his own, the following account of the meeting of the State association of the B. P. O. E. in Anderson. With a record number of delegates and other members of the order in attendance the first session of the convention of the South Carolina association of the B. P. O. E. Elks was held here this afternoon. The real business of the convention will be transacted tomorrow, all the preliminary details having been arranged this afternoon. The "Elks" are enjoying themselves hugely. Anderson Elks are dropping everything not connected with Elksdom to make the stay of the visitors pleasant. The beautiful new Elks home recently completed, is officially open for the first time. Business of importance tomorrow, will be the selection of the meeting place for the convention of 1914 and the election of officers. The next meeting place is the chief topic of conversation here tonight. Three cities will extend invitations; and delegates from Florence, Spartanburg and Charleston are here to press their claims. In the election of officers it seems likely that C. J. Lynch of Columbia, now first vice-president of the convention, will be advanced to the presidency. Columbia played an important part in the events of the first day. The aggregation from No. 1190, numbering about 50, accompanied by Elks from Sumter and Florence left Columbia Wednesday morning at 12:30 and reached Anderson in time for early breakfast. The special train via the Southern Railroad came through without delay and the cars were parked at the station here for occupancy during the convention. After breakfast the drum corps from Columbia lodge No. 1190 B. P. O. Elks staged a parade which scored a big hit with the visitors and the town folk. The first business session was held at Buena Vista Park at 8 o'clock. The meeting was opened with prayer by the State chaplain, the Rev. K. G. Finlay of Columbia. Mayor Lee G. Holleran welcomed the convention in behalf of the city of Anderson and Gen. M. L. Bonham extended an invitation in behalf of the Anderson lodge of Elks. The response in behalf of the State association was made by Proctor A. Bonham, of Greenville. A committee on credentials was appointed by President George D. Levy of Sumter. T. J. Bell of Anderson, is chairman of the committee. After the opening meeting the Elks were shown the sights of Anderson in an automobile ride, scores of machines whirling the visitors over a good portion of rich Anderson county. The wonderful building strides being made here amazed the Elks. Two houses are now growing where one stood before. Last night a smoker was served at Buena Vista Park. Tomorrow's exercises will open with a grand parade at 10:30 o'clock, in which all the lodges will participate. The drum corps of Columbia lodge will have a prominent part in the parade. The business meeting will follow and a barbecue ends the convention. Columbia has the largest number of visiting Elks in attendance at the convention closely followed by Spartanburg and Greenville. Gaffney and Spartanburg, the baby lodge who were admitted at this afternoon's session of the association are making magnificent showing in point of attendance and enthusiasm. NEW DRY ACT Vermont Men Would Get Around the Dispute Over Kenyon Law. Washington, June 17.—A constitutional amendment designed to protect "dry" states was introduced in the Senate today by Senator Dillingham of Vermont. Instead of prohibiting the sale for beverage purposes of intoxicating liquor in the United States as the Hobson-Sheppard constitutional amendment merely prohibits the transportation into any state for sale or use for any purpose contrary to the laws of such State. Its purpose is similar to the recently enacted Kenyon law, but it would remove all question as to the validity of the legislation embraced in these matters. TESTING EUGENIC LAW Man Who Wanted to Get Married Without Certificate Kicks. Madison, Wis., June 17.—The State supreme court today sustained the constitutionality of the eugenic marriage law, reversing the Milwaukee county circuit court. The law requires male applicants for license to undergo blood tests. Alfred A. Peterson, refused a license on failure to present a medical certificate, started action to test the constitutionality of the measure. The law prescribes a fee of \$10 for physicians to make the test. It was shown that the physicians refused to make the examinations on the ground that the fee was insufficient. ANDERSON WON GAME Elberton, Ga., June 17.—Anderson defeated Elberton 3 to 2, here today in a well played game featured by the pitching of F. Robertson and the batting of Webb and Childers. Watkins played a good game at the bat and in the field.
