HOME HOPES WON AN EASY VICTORY

GREENVILLE LOST GAME TO ANDERSON YESTERDAY BY SCORE OF 9 TO 2

ROBINSON PITCHED

Anderson Had Greenville Out-classed And Remains At Top of League Again Today

As a result of Robinson's masterly pitching and the tremendous slugging of his team-mates, Anderson will spend at least a more day or two at the top of the percentage column in the Piedmont League. The young pitcher on the firing line for Anderson won the first game for the Anderson team on the home ground when Greenville was defeated yesterday afternoon by a score of 9 to 2.

About 100 fans had gathered at Beuna Vista Park when the game was called at 5 o'clock. Anderson took the field and retired Greenville in one, two, three order. Stuart, first to the bat for Greenville succumbed to three of Robinson's puzzles and retired to the bench. Jeffers walked, but in trying to steal second was thrown out by Millwood. Potat whiffed at three nice ones and the Greenville club took the field. Then is when the locals began to break up the affairs. Watkins walked, was followed by Graydon who was safe at first base when Pope dropped the throw after Graydon had laid down a pretty fan and when Pope threw the ball to third base to catch Watkins Jeff errored and that runner was safe. With two on "Red" Childers got a pretty single, scoring Watkins and then Bull, manager of the team, came to bat. Childers stole second and with things in that fix Bull landed on a Texas leaguer, scoring Graydon and Childers. Ripley struck out and then Bull scored on a wild pitch by Pyley. McColl grounded out to first base, Tollison walked but was caught napping off first and the side was retired, fans 4, hits two.

Anderson scored again in the third on three hits, one being a two-bagger by Graydon and an error by the pitcher. The locals scored again in the sixth on two hits, again in the seventh on two hits and the two final scores were registered by the locals in the eighth on Millwood's single, an error of short stop, a sacrifice hit and Childers' two sacker.

Greenville scored her first run in the second inning when Pope, first baseman for Stone's aggregation, pounded the first offering on the nose, knocking it almost to the fence. Then bull took a bound, went over the fence and Pope received a home run. Robinson immediately steadied up, retiring the next three men in short order. He had things his own way from that time until the fifth inning when on an error and three hits the Greenville team managed to register again. So far as they were concerned the game ended right then and there.

The work of Robinson was ace-high. He struck out ten men and yielded only six hits while Pyley for Greenville gave up 11 hits and struck out only five men.

The Anderson team put up a first class exhibition of baseball, playing like seasoned veterans and they gave the young pitcher splendid support.

Box score for Greenville vs Anderson game, listing AB, R, H, PO, A, E for both teams.

Anderson, 9; Greenville, 2. Summary: Two base hits, Graydon, Childers; home runs, Pope; sacrifice hits, Graydon, 2; McColl; base on balls, off Pyley, 5; off Robinson, 3; struck out by Pyley, 5; by Robinson, 10; wild pitches, Pyley 1; hit by pitched ball, Graydon, 1; stolen bases, Graydon, Childers; left on bases, Anderson 3; Greenville, 6; hits off Robinson, 6; off Pyley 11. Time, 1:50. Umpires, Mr. Moseley, Mr. Price. Attendance, 400.

BUNTS

Well, how do you like 'em? Some club, what? The very best in this league and that's no joke.

If Anderson isn't proud of her baseball team, she should be.

And still we are on top. Good for another week up here at least.

"Chick" Watson is slated to pitch for Anderson this afternoon and what "Pet" Robinson did yesterday he can do today.

It may be that 100 is a good crowd for Anderson to furnish at a baseball game but it is a mighty sorry showing for any town to make on the opening day at home.

We hate to think of what will happen to Greenville during the next five days.

And who is this Guthrie, pitching a no-hit game against Gaffney for Spartanburg? Wait until we get a look at him and he will forget that he ever pitched a no-hit game.

Honest now, isn't that ball good as was ever played in the Carolina Association?

The fans liked the work of McColl on first base yesterday and they had a perfect right to. He plays the game from the time the first man is up until the last one has been struck out.

When "Red" Childers decides it is time for him to hit a few he is going to hit and that is all there is to it. We are just aching for a sight of him trying Spartanburg pitchers a round or two.

If Gaffney doesn't get a pitcher or two before she comes here next week she will wish she had.

How about Robinson's throws to first base? The runners just have to take a mortgage while they are down there.

Millwood is showing up remarkably well as a catcher and he can paste a few every now and then as well.

All hail the power of the Manager's name—Mr. Bull.

Bull himself is certainly no slouch when it comes to laying up against a good one. He can afford to wait and look them over.

Now don't that 1,000 make a pretty row of figures on the topmost round?

With five out of six with Greenville and two out three from Gaffney next week, we will be prepared to show Spartanburg a thing or two when we go there.

If we keep this pace up it will take two interurban cars to haul the fans over to Spartanburg for the opening game.

The only trouble in the world with the Greenville team and the Gaffney team is the fact that they are shy on pitchers. With two good hurlers their teams would equal ours.

"If ours ain't the best club in the whole shining world it is darn nigh it."

Mr. Rice and Mr. Moseley do mighty well as umpires. Take a look at them this afternoon.

Let's see if we can't increase the attendance a little at today's game.

Ladies Day for Wednesday. Most every man has a mother, wife or sweetheart and it is up to him to take her out to see the game, Wednesday. No admission charged, every lady admitted free.

The afternoon game here on July Fourth should bring out a tremendous crowd.

"Tommie" Stouch is almost sore, but "Tommie" is too good a sport to let one "loose" worry him much.

Roberts, who officiated at short stop for Greenville yesterday made one beautiful catch when he actually ran down a line drive. He robbed us of a good hit and maybe a run.

When it comes to bunting the bases full and scoring runs Graydon knows a thing or two about the game. He did that at Gaffney Thursday and repeated it yesterday.

Pyley of the Greenville team is a better hitter than he is a pitcher.

It will be well worth a trip to the park just to see Watson pitch today.

Bull will be manager of the team for the time being at least and he will give a good account of himself.

About the fastest man on his feet on the entire club is Tollison, who plays center field for the locals.

LADIES WILL SEE THE GAME FREE TOMORROW

NO ADMISSION CHARGED AT THE PARK GATE

TO BE LADIES DAY

President Anderson Club Made Interesting Announcement Last Night for Wednesday

The ladies—God bless 'em—will see tomorrow's game of baseball between Anderson and Greenville of the Piedmont League, without any cost. President Whaley announced last night that tomorrow will be officially dedicated as ladies day and every lady caring to attend the game will be admitted free of charge.

Anderson won the game from Greenville yesterday and it is believed that she will win both the remaining games but it must be admitted that the locals did all they could do yesterday and it is said that Greenville has a good pitcher in store for the set-to tomorrow. With nothing to pay for admission the ladies should certainly take advantage of the offer and turn out tomorrow.

The Anderson team is "going good" and if the fans will lend their support the local club will have a long day when they go up against Spartanburg—at which time that lead will be as still longer.

NO HIT PITCHER WAS RUNG IN BY SPARTANS

Great Game With the Gaffney Nine Resulted in a Triumph For the Phenom

FEDERALS TO CLAIM CHAMPIONSHIP TITLE

President Gilmore Says Defi Will Be Handed Other Big League. At End of Season.

Spartanburg June 29. Guthrie, the ex mill-leaguer, pitched a no-hit game against Gaffney, while the Tip-Tops hammered two Gaffney pitchers for a total of 14 hits. While the bidding went clean, the game was full of thrills. McArthur, for Spartanburg, knocked two home runs and a sacrifice hit out of five times at bat. Bowden lined out a three-base hit with the bases full; Gaffney didn't have a chance except in the third, when through the masterful pitching of Guthrie the side was retired. About 450 fans saw the game.

FEDERALS TO CLAIM CHAMPIONSHIP TITLE

President Gilmore Says Defi Will Be Handed Other Big League. At End of Season.

Chicago, June 29. Some team of the Federal League will claim the world's baseball championship this fall.

This announcement in effect, came today from the office of James Gilmore, president of the Federals. He said the winner of the pennant in his organization, would challenge the winner of the world's series, between the National and American Leagues. If this is not accepted, and generally it is conceded it will not be, the winning Federal League club and a team of stars from the remaining teams will play and the world's championship will be claimed by the victor.

The Federal League bases its claim to major league status on "new paper and public recognition." The National and American Leagues, however, are parties to the national agreement and are barred from contending with so-called outlaw leagues, such as the Federal.

In 1904 the club Liedkehoel refused to rise when their work was done for the emperor in the 1914. The authorities pointed a complaint against him and he refused to consent to the proposition. Consent was refused and the club had to be dropped. There appeared to be considerable doubt as to any event, whether a mere refusal to neglect to stand up when the emperor is being honored is sufficient to constitute the crime of lese majeste.

Constitution of the emperor, the emperor's authority, the emperor's observance in many places, through out the empire. The police authority was particularly active against the so-called "workingmen's gymnastic societies." They proceeded by declaring them political associations out of hand, and after under the declaration they forbid members attending them. The socialists maintain that these associations are non-political and devoted entirely to gymnastic work, but the police have been able to bring evidence enough to satisfy the courts that the associations are a part of the party's propaganda for winning recruits among the young.

Was Free for All. Chicago, June 29. Scores almost riotous marked the first game today which Chicago won 10 to 7. In the sixth inning Hoblitzel and Herzog were ordered to the club house for protesting against a decision by Umpire Eason. A few moments later one of the Reds threw a bat toward the players' bench, but his aim was poor, the bat landed in one of the field boxes and fans swarmed onto the field like angry bees. They finally were quieted. Then Mullany, Miller and Douglass were sent to John Hoblitzel and Herzog for continuing the argument with Umpire Eason. A few moments later Sweeney became angry when Moran spiked the second baseman's thumb in sliding to second, and the pair had to be parted. Good was banished early in the game.

Spilt Double Bill. Philadelphia, June 29. Boston split even with Philadelphia in a double-header here today, the former winning the first game 7 to 1 and the home team the second by 7 to 2.

Pitcher Won the Game. Washington, June 29. Washington beat New York today, 4 to 0. Easinger allowed but four scattered hits and scored the winning run himself in the third inning.

Took Opening Game. Detroit, June 29. Outbiting Detroit two to one today, Chicago took the opening game of a series of three with the Tigers, 3 to 2.

COBB TALKED WITH GILMORE. President of the Federal League Denied That Jumping Was Discussed.

Buffalo, N. Y., June 29.—President James A. Gilmore, of the Federal baseball league, and Ty Cobb, of the Detroit American league, met today in a hotel here. Rumors that the Federal league official had made Cobb an offer to jump to the Federal league were denied by both Gilmore and Cobb.

"Saw just had a pleasant chat," said President Gilmore, "and after a few minutes talk Cobb left to umpire a baseball game. The matter of his joining the Federal league now or at any other time was not raised."

President Gilmore stated that he came here to arbitrate Hal Chase in freeing himself from the injunction obtained by attorneys of the Chicago White Sox which prohibits the first baseman from playing with the Buffalo Federals in New York state.

Pending the outcome of the litigation, no attempt will be made to play Chase either in this or any other state, said Mr. Gilmore, who left for Chicago tonight. Cobb left by boat for Detroit.

SC MILLERS KEEP SEATS

The Luck of Courtesy Shown While Kaiser Was Cheered Greeted Talk.

Berlin, Germany, June 29. Two weeks since the Reichstag was closed but the action of the socialists in remaining seated while the usual cheers for the emperor were given is still the subject of press comment. There is ordinarily little sympathy for the socialists in the German press, but they have shown great sympathy in attacking the socialist demonstration as a breach of good manners.

The North German Gazette, undoubtedly speaking for the government, declared that the next Reichstag must take measures to prevent a repetition of such public insults to the emperor.

In the Prussian Diet, the conservative investigated the matter, desiring to know whether the present attorney's office had been asked to proceed against the socialist for lese majeste, or whether it intended to take such action. Repeating the minister of justice, while he severely criticized the action of the socialists, declared that he doubted whether it would be possible to get convictions, since it would probably be held that the giving of the customary cheers for the emperor constituted a part of the constitutional proceedings. The imperial constitution provides that deputies may not be brought to account for their actions or utterances in the Reichstag. An official, said the minister, would place the socialists in the light of victors, and conviction would make them appear martyrs. In either case the result could not benefit the state, and it had therefore been decided to take no notice of it.

In 1904 the club Liedkehoel refused to rise when their work was done for the emperor in the 1914. The authorities pointed a complaint against him and he refused to consent to the proposition. Consent was refused and the club had to be dropped. There appeared to be considerable doubt as to any event, whether a mere refusal to neglect to stand up when the emperor is being honored is sufficient to constitute the crime of lese majeste.

SUMMER SCHOOL NOTES

Winthrop College, June 28.—The second week of the Winthrop Summer School here closed with a marked increase in the enrollment. The actual attendance is very much in excess of that for any previous year, being about six hundred.

An interesting feature is the wide range of patrons. The students not only include every phase of teaching, high school, grammar school, elementary and rural schools, but also represent all sections of the country. There are teachers present from every county in South Carolina and from North Carolina, Florida and Georgia.

Dr. Balliet, of New York University, has delighted both faculty and students this week with his lectures on Methods of Teaching. Many of the teachers and Superintendents, who were fortunate enough to hear him while in their Conference, have said that his lectures alone were worth the expense and trouble of the Summer School.

He will be followed next week by President Carroll G. Pease, of the Wisconsin State Normal. Dr. Pease not only is at the head of one of the most wide awake Normals of the Middle West, but he is also an ex-President of the National Education Association. This is the highest honor that can be bestowed by the greatest educational association of the world and it is noteworthy that not only Dr. Pease, but also Dr. O. T. Corson, who is an ex-President of this Association will lecture to the teachers of the Summer School.

The conference of the county superintendents and of the rural superintendents this week was highly enjoyed by the college authorities and evidently inspired these officials with new enthusiasm.

Next week the prize winning girls of the Tomato Clubs will begin their special course as guests of the college, and extensive preparations are being made for their entertainment.

Sup't E. L. Hughes, of Greenville, is giving a special series of lectures this week on the construction of apparatus for work in Geography.

A delightful evening's entertainment was given on Thursday night by W. Powell Hal, an impersonator, who kept his audience in a state of merriment throughout the evening. Preceding these entertainments and lectures moving pictures are shown free to the audience. These are usually of an educational nature and aptly illustrate the use of the moving picture as an educational agency.

Enthusiastic preparations are under way for the Independence Day Celebration, which will be held on July 4th as it is practically impossible for the merchants to close their stores on Saturday, the 4th. This celebration is under the management of the Community Y. M. C. A., the merchants of the city, and Winthrop College. An address will be delivered by Governor M. F. Ansel, there will be races and athletic events, and a spectacular pageant of over three hundred Winthrop Summer School students entitled "Uncle Sam's Birthday." This is in charge of Miss Spencer, of the college faculty, and with the fireworks will give a fitting close to a day's holiday in the midst of hard and serious work.

STILL DISCUSSING TERM

Washington, June 29. The constitutionality of the clause in the administration trade commission bill prohibiting "unfair competition" furnished the basis for several hours of heavy legal argument in the Senate today.

Senator Robinson, of Arkansas, submitted court decisions, which he claimed upheld the constitutional right of congress to invest in a commission the powers conferred by the bill. Senator Robinson also argued that the prohibition against "unfair competition" was sufficiently definite to enable the proposed commission to fix rules and regulations for the enforcement of the law.

Senator Borah, of Idaho, continued his attack on the "unfair competition" clause. He said the clause was of questionable constitutionality. His principal objection, however, was that the clause reversed the anti-monopoly theory of present laws.

Enthusiastic preparations are under way for the Independence Day Celebration, which will be held on July 4th as it is practically impossible for the merchants to close their stores on Saturday, the 4th. This celebration is under the management of the Community Y. M. C. A., the merchants of the city, and Winthrop College. An address will be delivered by Governor M. F.
