The Reduction in The Electric Light Rate

Will enable you to use Electric Labor Saving Household Necessities at a cost to you of no more than your bill has been aggregating. You can put in that additional Fan you've been contemplating, an Electric Iron, Stove, or one of the many other devices that make the hot weather bearable.

PICNICS HAD A WEEPING CLOSE

Several Parties Almost Drown ed Yesterday on Returning From Outing.

ple as they drove away from the city vesterday morning. With a smiling sky overhead it seemed that the day would be ideal for such trips but yesterday afternoon as some of the paries came creeping back to the city those who did not make the trip were well pleased over the fact that they did not. The picnicers were just as The picnicers were just as wined as a set of people well ould be without actually losing their gruntled as any set of people ever

seen in Anderson.
The picule which the enjoyed at Jolly Springs was one of the best celebrations held in the county yestreday and the program they carried out was very entertaining. Other Sunday school classes and affilfated organizations number of picuics. fated

Several camping parties chose yes terday as the initial day for their stay in the country and it is believed that they will all be back in the city by

FO RREPRESENTATIVE

MAN JUMPED THIRTY FEET TO THE GROUND

LAWRENCE TREWOLA HAD A NARROW ESCAPE

GAVE FIRE ALARM

Neighbors Saw Man Falling From Window and Concluded It Was on Fire

yesterday afternoon about 1 o'clock of C. A. McLain's boarding house to the ground beneath. The fall was a dictance of between 20 and 30 feet and that the man did not break his neck is hardly less than miraculous, ye last night he was almost himself
ugain and except for being badly
bruised he is as round as ever.

Trewella is a carpenter by trade
and has been at work for the last few

weeks on the Vandiver building is being creeted on Main street terday was a holiday and all the em wolla came to town and had a fer drinks and he says that the last thing he remembers is taking a drink of Shortly after he drank it he started for his home at 221 East Orr street and when he arrived there he found the boarders assembled at dinner. Several of them asked if he did not care for some dinner and he replied that a cup of coffee would be sufficient. He drank this and then sufficient. He drank this and then calling for his wife they went to their repar on the second floor. There, without mentioning his idea to his wife, he slarted to jump from the window. Mrs. Trewolfa tore some of the dething from his healty in an of the clothing from his body in a: or the crotting from his body in an endeavor to precent the rash act but he threw her aside and jumped. It so happened that Dr. J. C. Harris was passing the house at the time and he gave the man such medical assist

One of the remarkable things in an invitation from the national ascennection with the happening was sociation, and has accepted, that a neighbor saw the man falling. The National Building and Loan W. P. Wright, driving a Chalmers
of ar, was the winner in the class
event for cars of 30 horse power and
over. His time was 4:47.

Frank Brownlee was the winner in
the slow race for cars of six cylinders
