Watson Pitched Well for Anderson But Pope Got His Usual Home Run

Greenville, July 4 - Greenville applied a whitewash coat to the Anderson club in the final game of the series this morning. About 300 people naw the game. Errors on the parts of Graydon and Pool in the seventh frame coupled with hits by Wood Cate: and Pope, the latter driving the ball over the left field fence and scoring two runs in front of him, Watson pitched a steady game for Anderson and while he could not have won with his team mates hitting as thed did, it would have been different had he received proper support. Watson's two-bagger in the second inning was the only hit secured off Woods, who pitched the best game witnersed on the local lot this seahim had been able to hit.
