

A HOME OF YOUR OWN IS A HOME INDEED.

North Anderson continues to hold its building record—

FOR HOMES, SEE JOHN LINLEY, FARMER & LINLEY

Three houses are now under construction—two others, Mr. Eugene Tribble's and Mr. Cooke's will be started in a few days—and it is very probable that we can announce two more during this week.

Items of Interest and Personal Mention Caught Over the Wireless of the Streets of Anderson

Dr. Guerry Here For an Operation.
E. K. Chapman, a well known business man of the city, connected with the Southern Public Utilities Company, underwent an operation at the Anderson county hospital yesterday. Dr. Guerry of Columbia came to Anderson to perform the operation and arrived in the city at noon. The operation went through immediately after and last night it was said that it had been entirely successful and that the patient was doing nicely. This will be good news to Mr. Chapman's many friends.

See Pictures in The Open Air.
Briarwood & McCullough, proprietors of the new air dome in North Anderson, have announced that they are practically ready to open the new place of amusement and are now engaged in making preparations for the first night performance, which is to take place either tonight or tomorrow night. They say that they have succeeded in booking some unusually fine pictures and expect the attendance for the opening night to be large.

Rain Played Its Favorites.
While the rain fell in sheets down in the business section of Anderson Monday night, it did not rain at all in North Anderson and it is said that it stopped short only a few miles out of the city. In some parts of the city it hailed while the storm was going on and in others not a bit of hail was seen or heard. No further reports were received yesterday as to the damage done by the storm in this section, but it is said that Augusta, Ga., suffered severe losses from a tremendous hail storm which visited that city shortly before it broke on Anderson.

Mr. Felton is Asking For His Re-Election.
In this issue of The Intelligencer appears the announcement of the candidacy of J. B. Felton for re-election to the office of county superintendent of education. Mr. Felton has made one of the best county officials that Anderson has ever known. Under his able guidance, the schools of the county have progressed in a splendid manner and there can be no denying the fact that Mr. Felton has been faithful to the duties of his office. There has been no announcement of any one else for this office, thus far, and at present, it would seem that Mr. Felton will get the office for another term without opposition.

Ladies Are Now Attending Games.
Quite a number of ladies witnessed the game of baseball yesterday afternoon between Anderson and Gaffney. The ladies are now being admitted free to all games and they seem to appreciate the courtesy thus shown them. It is said that a number of parties will be organized for the game this afternoon and it is expected that more ladies will witness the exhibition than have yet been seen at Buena Vista park since the present season opened.

Two Accidents With Automobiles.
Two automobile accidents marked Monday night in Anderson. A car driven by Mrs. J. N. Pearson and one driven by R. D. Henderson collided at the corner of West Market and Peoples streets. Fortunately neither of the cars suffered much damage and the occupants escaped without injury. A car driven by Mr. Pruitt and one driven by Mr. Watson ran together on North Main street last night and Mr. Pruitt's car suffered considerable damage, the springs being torn off and the fender razed.

Mr. Manning is In the County.
Richard L. Manning of Sumter, a candidate for governor of South Carolina, has been spending the last few days in the city in the interest of his candidacy. Mr. Manning is very popular with the Anderson county voters and it is conceded that he will make a good race and will poll a splendid vote in this county. He says that he is well pleased with things as he finds them in Anderson.

Ready To Take Over the Office.
Dr. W. A. Tripp, who is to become treasurer of Anderson county when C. W. McGee completes his final statements of the office, has already arrived in the city to assume his new duties. Associated with Dr. Tripp in the office will be R. A. Gentry, who has been in the city for some weeks becoming familiar with the duties of the office. Mr. Gentry will remain in the office for two months and then Dr. Tripp will assume entire charge.

County Board is Facing Hard Task.
The Anderson county educational board is facing a hard task in naming the new school trustees for Anderson county. The board convened for this purpose yesterday morning and since that time has been at work on naming 175 school trustees for this county. In a number of instances the old trustees were reappointed but in several cases it was necessary to choose new ones.

Commissioners Held Very Short Meeting.
The Anderson county commissioners were in session here yesterday, meeting in the office of the supervisor at the court house. There was little business transacted, most of the forenoon being devoted to the auditing of bills. With this exception, the meeting attended to no other affairs. Those members of the commission present were J. M. Dunlap, T. M. Van Diver and J. Mack King.

Mr. Sanders Moved To Calhoun street.
W. A. Sanders has moved from the house he has been occupying on Manning street to a nice, new home on Calhoun street. He has completed his moving and is now installed in his new residence.

Unique Hearing In the Courts.
A unique hearing arose in Magistrate Broadwell's court yesterday when Will Foster was arraigned on the charge of carrying concealed weapons. The question of whether or not the pistol in question was in a box and a man was guilty of this charge when the man sitting on the box. The defendant's attorney demanded a jury, and this was furnished, following which the jury returned a verdict of acquittal.

Piercetown Man Has Moved Here.
H. C. Owens, a well known young man of the Piercetown section, has accepted a position with the street railway company in this city and entered upon his new duties yesterday. Mr. Owens is highly esteemed in his section and will doubtless do well with his new employers.

Light From the Earth.
The darkest part of the sky is always aglow. The earth itself gives off a lot of light. Scientists of the Franklin Institute have measured this earth light and have found that it is of the order of one-tenth part of the intensity of a star of the first order of magnitude. It is attributed, at least partially, to a permanent aurora borealis which is revealed by the characteristic green ray observed on obscure nights in the whole heavens.

PROMINENT MAN PASSES AWAY

Injury of Several Days Ago Proves Fatal—End Came Yesterday

Special to The Intelligencer.
Walhalla, July 7.—J. H. Kell, a widely known farmer of this section died at his home two miles south of Walhalla early this morning from injuries received last Friday afternoon. It is believed that Mr. Kell mounted his mule to ride home after a day's work, that the mule became frightened from some cause and threw the rider who became entangled in the harness and was dragged considerable distance. He was never conscious except for a few moments at intervals. Mr. Kell leaves a widow and several grown children and wide connection of relatives and friends. His remains were buried this afternoon at the Lutheran cemetery after appropriate funeral services by his pastor the Rev. J. B. Umberger.
