

Here's a "Special" for You, Your Friends, Their Friends---Everybody

In this great big carload of merchandise just shipped in to our Anderson branch to be sold at
 --:- --:- prices unheard of in Anderson and surrounding country heretofore. --:- --:-

From far and wide our buyers have gathered together this choice lot of merchandise, shrewd buyers, too, else we couldn't sell at the wonderfully low prices of which the few items listed below will give you an idea. On the face of it, we'll freely admit it's hard to believe that such high-grade merchandise can be sold so cheap. It's a veritable river of good things in wearables on which we have let down the flood gates of low prices. And the good part about it is, we don't ask you to believe the mere printed words in this Ad, we offer you the same proof that Ex-President Roosevelt offered to those who disputed his claims to his "River of Doubt"—CONVINCE YOURSELF BY VISITING OUR STORE. LOOK OVER THE GOODS, NOTE THE PRICES, REMEMBER OUR UNFAILING GUARANTEE OF MONEY BACK IF DISSATISFIED, AND WHAT'S THE ANSWER? The answer is that you'll buy here "more for a dollar than a dollar will buy elsewhere" the wearables that your whole family needs because our guarantee keeps you from being dissatisfied even though you want to buy.

To make the shopping of our patrons easy, we have placed our merchandise on tables throughout the store, plainly tagged, so that you can find what you want easily at a price that will make your pocket book proud to turn loose every nickle, dime or dollar you spend here.

We are proud to say that during our very short stay here in Anderson we have made hundreds of friends by our fair methods of dealing and honest treatment. The oldest man or the tiniest tot alike gets courteous, attentive treatment from us, as our sole aim is to sell good goods cheaper and please everyone. If you doubt that we are doing both, just ASK YOUR NEIGHBOR, if he or she has been here, then VISIT US YOURSELF.

Glance over these few prices—surely its worth a trip to our store to see if the goods are as advertised. Now, while the opportunity is yours, plant your feet on the paving blocks that lead to the Wreck Store.
