BAD EYE GUTHRIE SUSTAINS RECORD

WON EIGHTH COSECUTIVE GAME ALTHOUGH HARD HIT

PITCHERS' BATTLE

With Robinson Getting the Big End In Giving Up Hits Yesterday

Guthrie maintained his reputation as being invincible yesterday afternoon by defeating Anderson in a royal battle between himself and Robinson. The best two pitchers were engaged in the conflict and the game was one of the very best. The Spartans scored once in the third inning and once in the second. Then Robinson tightened up a bit, and there was no more scoring until the eighth. Then the Spartans found him for a hit or two and the game was apparently won by the Spartans with a three run lead. Anderson did her scoring in the third inning and got a pair of runs. There was no more scoring by Anderson for the rest of the game until the 9th inning when with two men out and two strikes on the batter, here came a rally and the score was tied. This served to set the fans on fire and there was some of the old 1909 rooting done. Guthrie was beaten when it comes to a pitchers' battle, for he allowed many more hits than did Robinson. There were a few little disputes that added a lust to the game.

GAFFNEY TOOK ANOTHER FRAME

Pope, Greenville's New Manager, Took Hold of the Team Yesterday

Special to The Intelligencer. Greenville July 16.—Nix, a "phonon," made his debut today and he will without much doubt be farmed out for a couple of seasons for he was in company too fast for him. Nix was hit hard and without mercy and the Gaffney team had but little trouble in making nine runs in the seven innings that he operated on the mound. Ployer entered and went the last two frames without a score. Potent, the local left fielder, lifted the ball over the fence for a homer scoring a man ahead of himself. The new manager, Pope, was accorded hearty applause as he advanced to the bat for the first time. A great crowd is looked for tomorrow's game when Greenville entertains ten thousand farmers at a civic picnic. Dagenhardt for the visitors failed to play more than ordinary ability for he was hit rather hard at times. YELLOW STORY PROVED FALSE

A Correspondent Who Tried To Be Smart Has Received a Severe Rebuke

(By Associated Press) Washington, July 16.—Rear Admiral Badger reported today that senatorial news dispatches sent from Vera Cruz by Fred D. Boalt, an American writer, charging that "the law of flight" had been applied to Mexican prisoners of an American naval officer, had been found without foundation by a court inquiry. Secretary Daniels directed the investigation, while Secretary Garrison's order for the cancellation of Boalt's correspondent's credentials on his denunciation was held in abeyance. The findings of the court were described in this statement by Acting Secretary Roosevelt of the navy department: "The navy department has received a dispatch from Rear Admiral Badger, stating the investigation of the allegations made by Fred L. Boalt, a newspaper correspondent at Vera Cruz of the Newspaper Enterprise Association, has been concluded. "The inquiry was extensive and examined into every phase of the charges. It showed conclusively that Boalt's statements were false and that under no circumstances or at no time was the so-called 'law of flight' applied at Vera Cruz by the naval forces of the United States. Admiral Badger reports that he will forward the proceedings and records to Washington by the next mail. The acting secretary of the navy is highly gratified, but not in the least surprised at the investigation." The finding exonerates Esquivel William A. Richardson, of the battleship Arkansas, who was named by Boalt as authority for his stories.

TROOPS REMAIN FOR THE PRESENT

Until Carranza Clears Up the Benton Case and Other Such Clippings

(By Associated Press.) Washington, July 16.—Mr. Bryan is highly optimistic that peace in Mexico is at last in sight. Mr. Silliman was instructed to urge upon Carranza an appeal to guarantee the lives and property of those who had supported Huerta. As to recognition, an agreement between all factions would be expressed by the United States as an expression of the will of the Mexican people. If Carranza pushes his way by force into Mexico City, the American government will withhold recognition until an election is held to indicate whether or not the people approve of the new regime. The American government, however, will delay recognizing the constitutionalists government until satisfactory adjustment is made about claims growing out of the revolution and the American forces will not be withdrawn from Vera Cruz until every difficulty has been adjusted.

FEDERAL LEAGUE WINS BIG VICTORY

George M. Johnson Will Be Permitted To Play By Decision Rendered

(By Associated Press.) Chicago, July 16.—The Federal league obtained its first big victory in its war on organized baseball today when the appellate court held the ten days' clause in the ball players' contract "null and void."

The ruling reversed a superior court decision enjoining Pitcher Geo. M. Johnson, the Winnebago Indian, from playing with the Kansas City Federals. The injunction issued by Judge Foell in the superior court, and served on Johnson while he was participating in the game here was granted at the request of the Cincinnati Nationals, whose ranks Johnson left to join the Federals.

Federal league officials declared the decision would result in additions to their playing corps of dozens of stars. At the same time it is said the ruling gives ball players a great leverage in making demands from the clubs. Counsel for the Cincinnati club say that Judge Foell's injunction still technically stands. They have ten days in which to file a petition for a rehearing in the appellate court and meanwhile Johnson cannot play with the Federals, they say. The decision of Judge Foell may yet be sustained, according to counsel.

Kansas City, July 16.—C. C. Maddison, president of the Kansas City baseball club, today declared the decision in the case of George M. Johnson would mean that suit to keep Hal Chase and Players Marsan from the Federal league would probably be decided in favor of the Federals. Johnson has been on the bench since the decision against him was rendered by Judge Foell. Maddison said he would probably get into the game tomorrow.

Cincinnati, July 16.—President August F. Mann, of the Cincinnati baseball club, with which Johnson was connected before joining the Kansas City Federals, when told of the appellate court's decision in Chicago, said: "Of course we will appeal to the higher court immediately."

DECISION GOES TO FRENCHMAN

BECAUSE GUNBOAT SMITH FOULED HIM IN THE SIXTH ROUND

CROWD HOOTED The Decision of the Referee Was Hotly Contested—the Fight By Rounds

(By Associated Press) London, July 16.—Georges Carpentier the French heavyweight champion, tonight was awarded the decision over "Gunboat" Smith, the American pugilist, in the sixth round of a re-fought 20 round contest. Smith was disqualified for hitting the Frenchman when the latter slipped and fell.

Round 1—Both men shook hands at exactly 10 o'clock. Smith got two right jabs to the Frenchman's body. In the first clinch, which followed soon, Carpentier gave Smith a hard short hand drive on the cheek with left. Both dodged right hands. Smith gave the Frenchman a hard one on the face with the right. A right and left body blow in infighting were Smith's offerings. Smith's blows were harder than the Frenchman's, whose footwork had not yet been in evidence. Round 2—Carpenter took the aggressive, but made no impression on Smith. Each again ducked hard right hands from the other. Smith landed on the kidneys with right in a clinch. Carpenter landed a left on the jaw. Carpenter sent a fast right to the face. Carpenter was playing for the body at short range when the round ended. His lightning quickness was beginning to count. Round 3—The referee warned Smith for fouling. Carpenter landed a left on the face. Smith got in two body blows at close range. Carpenter barely missed a clever left which slid off his cheek. This round was mostly clinches. Round 4—Smith missed a left swing to the face. Carpenter reached Smith's face with a left, and repeated a similar operation a moment later. Smith again missed a body blow with his right. Smith was knocked down with a right on the kidney. Smith took six seconds and was rising when the bell rang. Carpenter's swiftness seemed to be giving him the heat of it. Round 5—Carpenter led with his left and exchanged short right arm blows on the neck. Smith hooked a right hander and clinched. Carpenter gave him two swift vicious lefts on the cheek. They then mixed it furiously, playing for the face with right. Smith got a trifle the worst of it. Smith landed with a right to the face which jarred the Frenchman. Honors were even. Round 6—Carpenter slipped when trying to land a hard right hander. Before the Frenchman arose Smith struck him on the face. Smith was disqualified for hitting Carpenter when he was down. Carpenter held his head, apparently in great pain, though it seems Smith's blows hardly reached him. The Frenchman's seconds took him to his corner, while the crowd hooted loudly. The referees decided Carpenter had won. Smith remained in the ring. He and his seconds protested against the decision. When Smith left the ring after some seconds, the crowd jeered and hooted him. Then the Frenchman came to the ropes and received a great ovation as he pointed to his eye and forehead, indicating that Smith had hit him there. Too Fogy For Races. Newport, R. I., July 15.—Fog caused another postponement of the race of the American cup yachts, Resolute, Vantile and Defiance today just after the boats had reached the starting line. Weather permitting, the yachts will race tomorrow.
