Gaffney Copped the Second Battle

WON BY A SCORE OF 4 TO 3 IN POORLY PLAYED GAME HERE YESTERDAY

HIT WATSON HARD

Locals Could Gather Only Four Hits Off Dagerhardt While Visitors Secured 13

Hard hitting on the part of the Gaffney team, execrable support accorded Watson by the Anderson team, tells the tale of why the home club lost to the visitors yesterday. Watson was in poor form and did not seem to have his usual curves, while Dagerhardt was in rare shape, pitching good ball. However, Childers secured a clean home run over the center field fence off Dagerhardt and the visiting pitcher also failed to equal Watson's strike-out record.

The hitting began early in the game, so far as the visitors were concerned and they continued it with painful regularity. Watson was wild but he made a game fight for the game and had he received proper support from his team mates he would probably have won, even then.

The game was filled with some fine fielding features but on the other hand some of the poorest playing was done and some of the most pinning plays were pulled that Buena Vista park ever saw.

The exhibition for this afternoon bids fair to be better than either of the ones going before and the attendance will be considerably augmented by the Saturday afternoon crowd.

N. Y. NATIONALS STICK

(By Associated Press) New York, July 24.—The New York National league team returned home today from its western trip with virtually the entire team signed to new contracts from which the ten days clause had been stricken.

After Justice Bissel in Buffalo decided that Hal Chase's contract was inequitable owing to the ten days' clause, the Giants, it is said, were interviewed by Federal league agents in Cincinnati, who made an effort to secure players of the club, including pitcher Terreau. In order to protect the club, President H. N. Hempstead induced every player on the team to sign a new contract with ten days' clause eliminated. As a result President Hempstead said tonight every player on the team whom we desire to keep is now bound by contract in the new form, believed to be unbreakable.

CUBAN BALL PLAYER

St. Louis, July 24.—Armando Marsans, Cuban baseball player in his answer to the petition of the Cincinnati National League asking for a permanent injunction restraining him from playing with the St. Louis club of the Federal League today charged the Cincinnati club with violation of the Federal anti-labor contract law. Marsans says last January while he was in Havana, Cuba, the Cincinnati club sent a representative to him to sign a contract which is in violation of the federal law that prohibits the importation of aliens for contract labor. The answer also charges organized baseball is violating the Sherman anti-trust law by controlling and setting salary limits for ball players. Marsans also attacks the ten day clause which gives the club magnates right to abrogate a contract with a player after ten days' notice, while the player is denied the same privilege.

GENERAL SHAKE-UP OF ANDERSON TEAM

LOCALS NOW ENROUTE TO THE TOP

"MAC" IS MANAGER

Anderson Bought McColl From Gaffney, Made Him Manager and Released Bull

The directors of the Anderson baseball club have released Manager Bull outright, bought Leroy McColl from the Gaffney club and made "Mac" manager. In the deal Anderson had to trade Curry, the local's new first baseman, to Gaffney and had to give the Gaffney club a considerable consideration as well. However, McColl is worth and the Anderson club will be made much stronger by reason of the fact that he is playing here. There is general regret felt all over the city that Manager Bull is to leave the team. He is a good ball player, is quiet and courteous at all times, and he has done good service for Anderson.

Coming with this deal is a new first baseman, said to be faster than any playing in the league at present. He is a left hander, has played first base for Tulane University of New Orleans and will show a thing or two in this league. It is hoped that he will arrive in the city in time to play on the initial sack in the exhibition this afternoon.

Dr. Herbert Harris, secretary of the Anderson club announced last night that negotiations were underway with a pitcher who worked with the University of Pennsylvania this year and pitched a shut-out game against Yale, winning by a score of 3 to 0 and that this man would probably arrive in Anderson to pitch the game this afternoon. That means another win for the locals.

Several new faces are to be seen in the line up for the next series and the Anderson team will go better than it ever has before. The new manager is no stranger to Anderson fans. He is admitted to be the best all-around baseball player in the league. He is heady, a quick thinker and he plays the game from the first man up in the first inning until the last man is out in the ninth. He was at one time a pitcher on the staff of the Columbia team in the Sally league and later played 1st base for Charlotte in the North Carolina league.

President Whaley of the Anderson club announced last night that Ed. H. DeCamp, president of the Piedmont league, had called a meeting of the league directors, to be held in Greenville at the Imperial hotel this afternoon at 3 o'clock, and the President of the Anderson club will be on hand. At this time Anderson's protests of two games will be heard and it is believed that both will be sustained.

Manager Walte Hamrick of Gaffney is expected to arrive in the city this afternoon to assume charge of the club and with Hamrick directing Gaffney's play and McColl in charge of the Anderson team, some real baseball will be seen.

RACING RESULTS

(By Associated Press.) Cleveland July 24.—On a slow track at the last day's meeting of the Grand Circuit races at North Randall, Thomas Murphy's Frank Bogash, Jr. paced a mile in 2:01 1-4, three quarters of a second under William's mile of Tuesday. This again broke the North Randall track record and was the fastest mile paced this year. The feat was accomplished in the first heat of the championship pacing sweepstakes which Frank Bogash, Jr., won in two straight heats.

Summary: 2:14 class pacing, purse \$1,000, three heats raced Thursday: Ella Mackay, blk. m., won; R. H. Breat, b. g., second; Viewpointer, b. h. third. Fred DeForrest, Laura Patch, Little Director, Major Ong, Rodney W. Prunce Michael, Tom King also started.

Best time: Fourth heat 2:09. Championship pacing, sweepstakes, value \$1,700: Frank Bogash, Jr., b. h., won; Earl, Jr., second; Flower Direct, b. m., third. Evelyn W., Pickles also started. SOUTHERN'S PEACH TRAINS

Are Being Run in Great Number From South Georgia. Atlanta, July 24.—With the movement of peaches from the south Georgia orchards at its crest and that from the orchards of northeast Georgia just coming on, the Southern Railway is now running from five to seven special peach trains out of Atlanta every night carrying the luscious Elbertas to the markets of the East and North.

The total movement over the Southern Railway for the present season has run about 2,000 cars of peaches to date and with them about 200 cars of cantaloupes. The heaviest movement for any one day was that of the night of July 31 when 161 cars of peaches were moved and it was necessary to run six special peach trains from Atlanta to the East and one to the west.

On account of the highly perishable nature of the peaches it is necessary to get them to market with great rapidity and the fast service which the Southern Railway affords has been one of the vital factors in making possible the development of the peach industry in Georgia to its present proportions. Special icing facilities have been provided at Atlanta, Spencer, N. C. and Potomac yards, Va., and schedules arranged by which the peach trains are handled from Atlanta to Potomac Yards in twenty-two hours. Southern Railway has been enabled to handle the large number of special peach trains on this fast schedule without interfering with its regular heavy business largely as the result of having about half of the line between Atlanta and Washington double tracked and because of the large number of high-power locomotives which it has available for this service.

It is believed that the movement of Georgia peaches is now about half over. A Winner. "My dog took first prize at the cat show." "How was that?" "He took the cat."—Columbus University Jester.

BUNTS

The best thing the Anderson baseball club ever did was to elect Dr. Herbert Harris as the secretary and treasurer of the association. He is what one might term a wheel horse when it comes to keeping things moving.

Some of those Gaffney fellows play like they were in a trance. Maybe it takes a Gaffney umpire to keep them awake.

Henderson umpired a very fair game on the opening day of the series and the Gaffney players had no right to kick.

How about a regular Saturday afternoon crowd for the game today? It would be a shame to have 75 or 100 people for the exhibition game today?

A number of Belton people will probably be found in the grand stand this afternoon. Belton seems to care more about the Anderson team than do the home folks.

Maybe Gaffney did think that they had "Pet" Robinson's measurements but they have changed their minds. After the Spartanburg series next Monday, Tuesday and Wednesday we will again be reposing on the top ladder.

The Anderson fans are well pleased with the manner in which Curry handles himself on first base. He can hit a little in addition to playing a jam-up fielding game.

Wrenn, who is officiating for the locals at night, is one of the speediest men in the league. He is some fast on his feet.

Pity Ripley is out of the game. He is about 25 per cent of the life of the team and the fans will be glad to see him back on the roll next week. Spartanburg will also know that he is again playing.

After Red Childers gets that black eye cured up he will more than make amends for his recent bobble. It is a pretty hard thing for a one eyed man to play baseball.

Of course the fans in the grandstand can put up a better game than the players out on the field. But without some rooting the game wouldn't be baseball, eh?

Boost the game for this afternoon. Go yourself and take your neighbor.

It is said that ladies always recognize a bargain, therefore there is no excuse for their falling to attend the games when they are all admitted free.

Hate to do it but Gaffney may as well arrange right now to give up today's struggle.

We have already won two from Ingle and it looks like a pity to make it three, but—

The fans will regret to see Bull go. Likewise Curry will be missed from the first sack, but it is said that the new man is a daisy.

Porter Whaley will today present our side of the forfeited game at Gaffney to the league directors—that the game will be played over again.

In an Anderson uniform this afternoon in an Anderson uniform this afternoon.

The next thing the fans know, this club will be right back on top of this league. Wait and see.

The game this afternoon will be played in a little more than half the time of yesterday's exhibition.

Watch than bunch go some this afternoon.

The visitors really did not deserve to win that game yesterday, even tho' they did hit like fens. Poor playing on Anderson's part was responsible for their win.

J. C. Watkins is a good umpire, but not partial to the home club.

The new first baseman, due to report in time for this afternoon's game is left handed and said to be very fast on his feet.

If the local club succeeds in securing Rice to pitch this afternoon, it is "Goodnight, Gaffney."

The game will be called promptly at 4:30.

A big crowd for Saturday, Thursday.

HUERTA IN JAMAICA. Absconding President and Party Will Remain Several Weeks on Island. Kingston, Jamaica, July 24.—General Huerta and the party of fugitives from Mexico accompanying him arrived here at noon today on board the German cruiser Dresden from Puerto Mexico. Arrangements had been made in advance for the former Mexican dictator with General Blanquet and the rest of the party to remain here for a week or more at a hotel where several other Mexican refugees already have taken up their quarters.
