Hearing Postponed.

St. Louis, July 29.—Organized base-ball claimed a victory today when Judge Triener postoponed until Eep-tember a hearing on the St. Louis Federal League's team pellifon to have dissolved the injunction against Ar-mando Marsans, the Cuban fielder, who jumped from the Cincinnati Na-tionals. The Federal league season closes early in October, and it is con-sidered doubtful if the decisions will be rendered in time to permit Marsans to play again this year.

Our idea of suitable revenge is to touch up every Spartanburg pitcher for about ten hits during the next three days,

Spartanburg took three straights in Spartanburg, but if Spartanburg gets one in Anderson she will do well.

Rice will probably pitch this after noon for Anderson. If not Rice then Robinson will do the hurling.

Robbie Held Spartanburg down to two hits until the ninth inning on Monday and he will hold them to two during the entire game if he pitches in this series. Three new men will get their first

workout for the locals this afternoon.

Mobley will be catching, Hough will be on short while White will be in the outfield. Watch for something to break.

And Red Childers got another home run yesterday. The big boy certainly does do his part of the hitting.

Don't you get the idea in your poor old noodle that this team can't play ball. Come out this afternoon and see for yourself.

We said it and we will stick to it. Anderson has the best club in the league.

How would you like to see Rice hurl a no hit, no run game against Legs Martin and his crew this afternoon? It would not surprise us.

After the present series is concluded the Spartanburg team will feel like resuming its old-time habits of playing feap frog and shooting marbles.

Now is the time for all good men to

Speculators crowed the visitors' gallery throughout the day and long lines of men and women outside awaited admission. The brokers' offices near the board were packed with people but the would-be speculators were debarred from trading because of large margins.
