**INTERVENTION ASKED**  
Peking, August 7.—China has instructed her ministers at Washington and Tokio to request the United States and Japan to join with China in an effort to prevent hostilities in Chinese waters and territories because of the far reaching dangers connected with them. The presence of Japanese warships off the German port of Tsing Tau is generally considered here to mean that Japan has entered the war. The German authorities at Tsing Tau have received reports that British warships have gone to Vladivostok to escort a Russian troop to Kiao-chau for the investment of Tsing Tau. **How To Cure a Sprain.** A sprain may be cured in about one-third the time required by the usual treatment by applying Chamberlain's Liniment and observing the directions with each bottle.
