

A STUDENT'S ROOM.

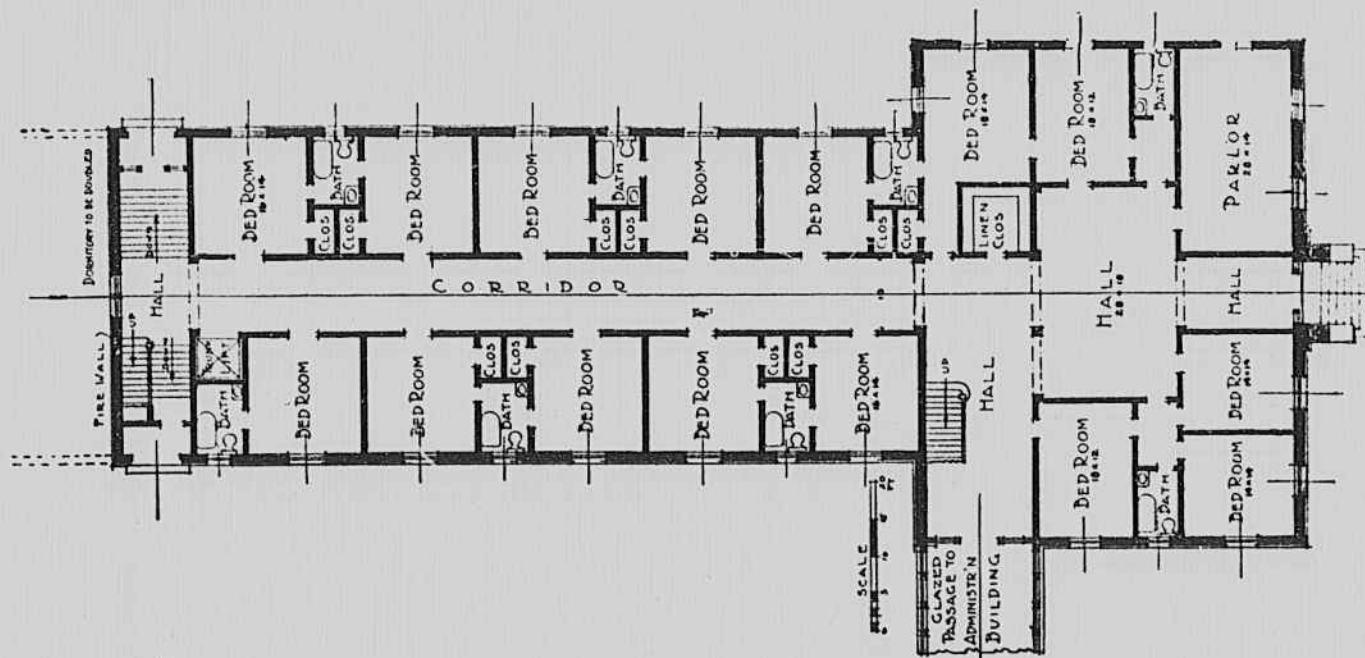

MUSIC STUDIO.

### Cost of Attending.

Anderson College is not the cheapest College for women in the State, and it is not the most expensive. The cost is exceedingly moderate when compared with that of other colleges of its class. Enough is charged to secure for the students proper food and the proper training and care of mind and body. The college is not a money making institution. We could not lower the cost without lowering the character and tone of the college.

For catalogue address,  
 JAMES P. KINARD, Ph., D., President,  
 Anderson, S. C.

Ground Floor of a Dormitory. Both floors of each dormitory are practically the same.
