COUNTY CAMPAIGN IS COMPLETED TONIGHT

HELD TODAY

BEGIN AT 10 A. M. STRONG FACULTY BULLETIN IS ISSUED

Quiet Meeting Was Held Last Night At Orr Mill and Last Bid For Votes Comes Today

The Anderson county campaign is coming to a quiet end, judging from the meeting which was held at the Cotton Mill last night, All but two of the candidates were present, one of those being absent being a warehouses, in the city. Through the government action the secretary will then extend the currency law to the State banks and trust companies through the large city National banks and then in turn the state banks will lord direct to the farner. candidate for the house of representa-tives and the other a candidate for county commissioner

The meeting last night was presided over by W. W. Scott, who is himself a candidate. He informed his hearers that the candidates expected a respectful hearing and the large crowdaccorded them this. Not a candidate

will have their last chance to tell Anderson county voters of how they long to serve the "pee-pul."

With the county campaign meeting

placed with metal and if there is a rural section without a warchouse the plan provides for planters getting to-gether and borrowing money from the local banks with which to erect such a building. union, a candidate for governor, speaking in the county, Governor Blease and Fred H. Dominick to speak they have given the plan very careful consideration and can find no flaws in it and do not believe that the farmers tonight, Anderson county people will have their time taken up pretty well with thing political.

AT MOUNTAIN SPRINGS

Most Enjoyable Event is Sched-uled for Sunday Afternoon.

There will be a singing at Mountain Creek church in Brushy Creek town-ship, Sunday afternoon. There will be present Messrs. Milford, Pace, Les-lie, Guthrie, Jones, Merritt and Wig-ington, all of whom are well known singers, and a most pleasant after-noon is assured every one who at-

fore the advice given the nousewise in New York state may prove interacting here:

Commissioners of Weights and Measure Hartigan's don't for housewives who want to keep down the cost of living:

Commissioners of Weights and Measure Hartigan's don't for house the day it was decided just to hold the convention in the afternoon. The public generally is cordially invited to attend.

Commissioners of Weights and Will prevent a great many of the participants getting there before late in a specialty of outdoor sports and games.

The letter says that the war have made it possible for the textile manufacturers

COLLEGE EXPECTING SUCCESSFUL YEAR

LAST MEETING WILL BE OUTLOOK BRIGHT FOR LO-**CAL INSTITUTION**

Enrollment This Year Will Be Materially Increased Over That Of Last Session

Anderson people are anticipating a great session for Anderson college reason why they should be disuppointed The faculty of this institu-tion will be as strong this year as that of any institution in the state and it is understood that the enrollment will be materially increased over that of last year.

The Columbia State yesterday

sued an educational number and the following article concerning Ander-

son College appeared therein:
Anderson college, will soon begin
its third year. In this short period in
the life of an educational institution accorded them this. Not a candidate was questioned as to his stand on the race for the United States senste and splendid order prevailed throughout the meeting. All the candidates made their usual addresses and departed but little from their regular speeches.

The meeting today will be heard in the court house and the 64 candidates with have their lest charge to their court house and the 64 candidates.

To give women the best of academic was a candidates. this desired end if they build always with this high aim in yiew. To give women the best of academic

and earnestly desiring to win as soon as it may an honorable place in the educational system of South Carolina.

ANDERSON COUNTY IS **RAISING LIVE STOCK**

ADVICE TO THE INTERESTED **FARMERS**

Chamber of Commerce Is Striving To Aid Live Stock Association Here

Since the organization of the Anderson County Live Stock Association, in the quarters of the chamber of commerce, last spring, there has been so much interest evinced in live stock and hogs that there has sprung up quite a considerable interest in the building of silos in this region Therefore the agricultural bureau of the chamber of commerce yesterday issued the following bulletin to all

Many men will fill silos for the first time this year, and some infor-mation as to when and how to fill a

The greater part of the silage this year, in the Panhandle, will be made from kafir, milo, feterita and sweet sorphum. The proper time to cut this feed for silage is when the seed are in the stiff dough stage and the bottraining and culture, and to do this tom leaves begin to turn brown, for in the atmosphere of genuine religations at this stage the plant will have its ious influence—that is the purpose maximum nutritive value and yet be of Anderson college, With this pur- green enough to keep well in the silo.

pose in view, the people of Anderson. The fed should be cut with a row

college, is, however, non-sectarian in teaching, and has already among its students many of other denominations.

Equipment is Good.

The equipment of the college is ansusually good. The large main building contains offices, parlors, class rooms, laboratories, dining room and auditorium. On the cast and west of the main building are the two dormitories, each well-arranged and handsomely furnished.

All the buildings are heated by trip, for as the feed is much better than one with a regular hay frame, as the green bundler are the green bundler are the feed hauled out of the field to wilt and become partly cured before putting into the silo, as a part of the nutritive value as well. It is especially advisable to take as large a load as possible each. All the buildings are heated by trip, for as the feed is green loane.

feeding, as all will be eaten.

The power required to run the sil-
