## Announcement

On August 27th, 28th and 29th, there will be held at our store an Exposition of pre-advanced Fall and Winter Woolens and Fashions in Men's Clothes, for splendor in coloring and magnificence in style and design are unprecedented in the annals of clothes making.

The only Line in America backed by real merchant tailoring will be displayed by the world's foremost promoter's of fashion, Isaac Hamburger & Sons, Baltimore.

On the above dates their representative will conduct our Fall Tailoring Opening and entertain the public by assisting them to review the array of Woolens and Fashions on display.

Your presence at this "fashion show" is cordially invited and as Isaac Hamburger & Sons are the recognized producers of America's highest type of tailored to measure clothes, it will be to your interest to attend. No obligation to buy but, if it will be your pleasure to order, your measures will be expertly and scientifically taken.

## ANDERSON SEES LAST GAME HERE

Picked Team From City Will Play Against Workers Here for Western Electric Company

The last game of baseball to be played on the local field this year by an Anderson team will take place on Saturday afternoon at 4:30 o'clock on Buena Vista field when a picked team from the city will play against a team composed of the workers in Anderson for the General Electric Co. It is said that some splendid material has been secured on both sides for this contest and it is expected that it will be one of the best games that will be seen this summer. The men working here for the General Electric Co. are putting the telephone wires underground and they have a number of college players on their team. The local team will be made up largely of college men and of players from one or two of the mill teams. The fans believe that the game will be a good exhibition and they predicted last night that the attendance would be larger than at any of the league games played here this year.

### ANOTHER ADVANCE

Wheat Has Reached Highest Price in Four Years.

Chicago, Aug. 27.—The war was reflected in the wheat pit again today by an excited advance in prices, in the season of which wheat sold at \$1.25, the highest in four years, and 33 cents over the price just before the start of the European struggle. The various operations at their best were from 37.5 to 50¢ higher than they were when the market closed yesterday. The purchases of small lots was sufficient to boost prices a penny at a leap and the aggregate of business was small. Scattered sales by holders to secure profits wiped out the gain and closing prices were 1.5 to 5¢ net lower with May selling at \$1.10 1/4.

### DRY GOODS

New York, Aug. 27.—Dry goods markets were active today. Prices on brown shagwags were lower. Colored goods were withdrawn by one of the leading houses because of the scarcity of dyestuffs, which are imported from Europe. Staple woven dress goods were in demand for prompt delivery. Japanese raw silk declined sharply.

Waitress (to dinner)—"How did you and your steak?"  
"Oh," he replied, "I lifted up my potatoes."

"The hired man fell off the fence down in the meadow, just now."  
"Had he hit the ground when you left?"

### Why Flies Are Dangerous.

It is easy for flies to carry disease from one person to another, from a person to an animal, from an animal to another animal. In this way flies are practically universal transmitters of disease. Circular 23 of the U.S. College describes fully how to fight flies.
