NOTICE

Pursuant to the rules of the democratic primary of the state of South Carolina, the county executive committee met at the court house at Anderson, S. C., and canvassed the returns of the managers of the second primary election held September 8th. The following named candidates having received a majority of the votes cast for the respective offices are declared the nominees of the party:

- For Commissioner Section 1. J. Lawrence McGee declared the nominee.
- For Commissioner Section 2. John R. Culberson declared the nominee.
- For Commissioner Section 3. W. A. Spearman declared the nominee.
- For Commissioner Section 4. R. Dick Smith declared the nominee.
- For House of Representatives. Rufus Fant, Jr., J. H. Hutchinson, Sam. M. Wolfe, declared the nominees.
- For Supervisor. J. Mack King declared the nominee.
- For County Treasurer. G. N. C. Boleman declared the nominee.
- S. DEAN PEARMAN, LEON L. RICE, County Chairmen.

WILL BLOCK NORTH SEA

English Fleet May Cut Off Germany's Food Supply by So Doing.

(By Associated Press.)
 London, Sept. 10.—There is general discussion in London of the possibility that England may close the North sea, blockading it completely if the trouble with floating mines continues.
 The government's position is that the shipping of neutral nations is endangered by German mines. England repeatedly has stated that she will not resort to the use of mines. After the mine sweepers free the North sea of the obstructions, however, naval strategists advise the exclusion of vessels which might plant more mines.
 Such a action would limit the commerce of Holland, Denmark, Norway, and Sweden, cutting off Germany's source of food supply.
 British officials say there is abundant evidence that mine layers have operated under neutral flags.

COUNTY COMMITTEE COMPLETED DUTIES

FINAL SESSION FOR NEXT TWO YEARS

TO PAY MANAGERS

Executive Committee Yesterday decided On Pay for Election Managers and For Secretary

The Anderson county Democratic Executive committee held its final session yesterday afternoon and at 6 o'clock took an adjournment. The work of this committee is completed and unless there should be a death or resignation of some county officer, the committee will have no more duties to perform until 1916.

The committee met yesterday morning in the office of the superintendent of education at the court house to hear the returns from the various boxes and to declare the official returns, which was quite a task within itself. When this work was completed it was found that all candidates were satisfied except one candidate in the race for the general assembly. The unofficial returns indicated that W. W. Scott had defeated Sam W. Wolfe for a seat in the lower house, but when the official returns were added up yesterday morning it was found that Mr. Wolfe had a lead of 6 votes over Mr. Scott. When that fact was ascertained Mr. Scott asked for a recount of the votes and thus began a hard day's work. The committee worked until 5 o'clock yesterday afternoon at which time the recount was finished and it was found that Mr. Wolfe was elected by 31 votes. Mr. Scott thanked the committee for its labors and said that he had no further protest to make.

The executive committee then went into session to consider finances. It was found that the committee had on hand about \$940 and deducting the cost of printing, election tickets, and newspaper advertisements, it was found that there was a remainder of about \$440. It was therefore moved and carried that the managers of election be allowed \$6 for each box, to be divided equally.

The next question taken up was that of paying Leon L. Rice, the county secretary, and the committee voted that this officer be paid the sum of \$150 for his services. The chairman, S. Dean Pearman, declined to accept any remuneration.

When the question of pay for the executive committee came up, it was decided to pay only those members in attendance and assisting with the recount, both in the first primary and in the second primary. It was decided to pay these members the sum of \$1 per day and 10 cents per mile each way for their travel.

When this business was concluded it was found that the committee had discharged all its duties and the chairman declared the session adjourned.

EXPRESS SERVICE IS TO START ON SUNDAY

WITH ADDITIONAL EQUIPMENT ON P. & N.

OBSERVATION CARS

Unique Idea Will Be Followed In Equipment of New Parlor Cars On the Interurban

While in Anderson yesterday, General Passenger Agent Palmer of the Piedmont & Northern Lines made a number of interesting announcements concerning the new parlor car service which his road is to inaugurate. Only the limited trains of the Interurban will carry these parlor cars but according to the announcement of Mr. Palmer, each of these express trains will be as handsomely equipped as any of the fast trains of other railroads. He announced that the new service would be inaugurated next Sunday, provided nothing interferes and he said that he could see no reason why anything should prevent the cars making their first runs on that date.

The train leaving Spartanburg at 8:48 A. M. will be known as the Spartanburg-Anderson Limited and will arrive in Anderson at 11:35. Returning this train will leave Anderson at 4:45 in time to make connection with the Southern Railroad train for Columbia. Train No. 12 will leave Spartanburg for Greenwood at 1:55 P. M., and will reach Greenwood at 5:15 in time to connect with the Seaboard train for New York. Train No. 8 will leave Greenwood at 10:00 A. M., connecting with trains for Asheville and Columbia.

Mr. Palmer says that the new parlor cars, instead of having numbered chairs as on other trains, has a name of some town along the route for every chair. Thus a seat will be named Anderson, another Greenville, another Columbia, and so on, and by the chair a bracket has been placed which receptacle the Charabancs in the various towns will be allowed to place literature descriptive of their city and its advantages. This will be very attractive, especially for the traveler making his or her first visit to one of the towns along the line.

The new passenger agent expressed himself as being well pleased with the volume of business now being done by his road and says that it is increasing every week at a very satisfactory rate.

SELECTING THE JURY FOR THE POORE TRIAL

ONLY 11 MEN HAVE BEEN CHOSEN

PANEL EXHAUSTED

Five Pleas of Guilty Entered Yesterday in Criminal Court and One Murder Case Tried

Yesterday was a busy day for the court of general sessions. The grand jury wound up its business and made its present, five pleas of guilty were heard and the defendants sentenced, one murder case was tried and the court took up the trial of Claude Poore, charged with the murder of Joe Kelly.

When court convened yesterday morning the trial of Will Belcher, charged with killing a negro named Robuck at a "hot supper" was the first thing taken up. This case was started Wednesday afternoon and all the evidence was completed before adjournment Wednesday. Yesterday the arguments in this case were delivered and shortly after the noon recess the case went to the jury.

The task of drawing a jury for the trial of Claude Poore was then begun. Each juror was sworn on his voir dire and there were numerous objections. This finally resulted in the panel being exhausted when only 11 men had been chosen and as the Belcher jury was still out at 6 o'clock the judge declared that if the Belcher jury could not reach a verdict he would declare a recess. The jury in the Belcher case was called into the court room and the foreman asked if there was any immediate prospect of a verdict being reached, to which he replied that there was not. Judge Memminger then advised the jurors of the facts in the case and the law on the subject and the jury then returned to its room. The court then took a recess.

The following are the 11 men already chosen on the jury to try Poore: John A. McGill, R. B. Blackwell, Ben Rogers, A. C. Keys, Eugene T. Anderson, J. L. Lafay, J. L. Warnock, J. A. Cochran, T. O. Wright, W. M. Webb and B. F. Johnson.

This case is one of the most interesting to be tried at the present term of the court of general sessions. While on duty as a policeman in Wil. Hamston, it is alleged that Claude Poore had an altercation with Joe Kelly, an ex-policeman and that Poore shot Kelly to death. It is alleged that Kelly had no weapon and that both his hands were above his head when he was killed.

During yesterday's session of the court the following pleas of guilty were entered and sentences passed:

George Thompson, house breaking and larceny, entered a plea of guilty and was sentenced to one year on the chain gang.

Eugene Martin entered a plea of guilty to the charge of housebreaking and larceny and was sentenced to one year on the chain gang.

Will Randall, charged with the larceny of a bicycle, entered a plea of guilty and was sentenced to one year on the chain gang and to pay a fine of \$100.

Floyd Gambrell entered a plea of guilty to the charge of house breaking and larceny and was sentenced to serve for one year on the chain gang.

Owen Williams entered a plea of guilty to the charge of larceny from a house and receiving stolen goods, and was sentenced to serve six months on the chain gang.

J. A. Brock, who was tried Wednesday and convicted of assault and battery of a high and aggravated nature and of carrying concealed weapons, was sentenced yesterday. On the first charge he was sentenced to serve two months on the chain gang, and on the second he was sentenced to serve 30 days or to pay a fine of \$100. The second sentence to begin immediately upon the expiration of the first.

The following is the general presentment of the grand jury: To Hon. R. W. Memminger, presiding judge, Anderson, S. C.:

We have passed on the bills and indictments which have been handed us at this term.

We wish to call the magistrate's attention to the law requiring them to send in warrants to the clerk of court promptly after making up the case in order that the solicitor may have the indictments ready for the grand jury by the first day of court.

We have instructed our road and bridge committee to take steps to see if any relief can be had by reason of the dam at Fortman Shoals stopping operations for five hours daily, half the year, of the ferries between this county and Hart county, Georgia.

In conclusion we desire to express our thanks to your honor and to the solicitor and to other court officials for the courtesies shown us during the term.

Respectfully submitted,
 J. B. Douthitt, Foreman.

SPECIAL SERVICES

At Sunset Forest Park on Sunday 15th Inst.

Dr. E. M. Potent, president of Farm-University, Greenville, S. C. will preach at Sunset Forest Park on Sunday next 13th at 5 o'clock p. m. Subject: "Religion for Farmers." The public generally, and the farmers and their families specially are all invited to this service. Mr. and Mrs. J. Fretwell.

BELTON "BOOSTERS" TOURED THE COUNTY

LARGE NUMBER IN PARTY COMING HERE

FOR BELTON FAIR

Live Wires Working In Anderson Yesterday For About One Hour and Then Continued Journey

The Belton "boosters," numbering about 125 people and traveling in 30 automobiles struck Anderson yesterday morning at 9:15 o'clock and spent almost an hour here. They arrived in machines gaily decked with advertising matter relative to the approaching fair and were given a very hearty welcome by the people of Anderson.

The purpose of this expedition was to advertise the Belton Fair, which is to be held on October 21 and to impress the people of surrounding towns and communities that the fair will be an event of considerable importance.

The booster party was accompanied by a splendid brass band, consisting of 18 pieces, headed by Director Taylor this band rendered several enjoyable selections on the public square while the party was in Anderson.

Secretary Whaley of the Chamber of commerce met the party on the square and made them feel at home and tried to do everything possible to make them enjoy their short stay in this city. In the party were about 35 ladies and some of the most prominent business men of Belton. Ross Mitchell, mayor of a bustling sister city, headed the procession.

The party left Anderson about 3:30 o'clock headed for Clemson College. They went from this city by way of Sandy Springs and Pendleton and when they arrive at Clemson a picnic dinner was spread, in which all joined.

From Clemson College the party went to Starr, by way of Dobbins Bridge and Roberts church and then to Iva. From Iva the party made a start for home, reaching Belton about 7 o'clock. They were all tired out by the day's hard trip but they believe that they must have helped considerably with the fair project and all of them felt that the day was well spent.

The Belton Fair is to be an event of no mean importance. Many and elaborate are the preparations made for the day and the crowd of people in Belton on Wednesday, October 21, will probably be considerably larger than that town has had the pleasure of entertaining in some time.

FITTING SCHOOL WILL OPEN SEPTEMBER 15

STRONG FACULTY FOR THE COMING SEASON

PROSPECT BRIGHT

Announcements Regarding Year Say Attendance This Year Will Be Much Larger Than Before

The 1914 session of the Frazer Fitting School bids fair to be the most successful that this splendid school for boys has ever enjoyed. Announcement has been made that the school will open on September 17 and it is said that the attendance will probably be materially increased as more students have already made application for admission to the school than were numbered on the rolls last year.

The Frazer school enjoys a reputation of which it is justly proud. The graduates of the Frazer school have gone to some of the most exacting institutions in the country and almost without exception they have taken a high stand at these institutions and reflected credit upon the Anderson school.

The faculty for the year 1914 will be stronger than it has ever been and will rank well up with any educational institution of the kind in the state. The faculty is composed of Dr. W. H. Frazer, B. M. Parks, S. G. Herdon, A. J. Banks and L. M. Cecil, all of whom are experienced educators and who have given much time, care and preparation to fitting themselves for their profession.

The opening exercises to be held on Tuesday, September 15, will be very interesting and an invitation has been extended the public to be in attendance and witness the opening of the 1914 session.

British Sweep Seas
 London, Sept. 10.—The official information bureau issued the following tonight:
 "Yesterday and today strong and numerous squadrons and flotillas have made a complete sweep of the North sea up to and into Heligoland Bight. The German fleet made no attempt to interfere with our movements and no German ship of any kind was seen at sea."

Grandma's Telephone Visits

GRANDMA SMITH is a sprightly old lady who likes to keep in touch with things. In the next town lives another dear old lady who was Grandma's school-mate, and of whom she is very fond. It's impossible for the two old ladies to do much visiting, but every day they call each other up on the telephone and have the most delightful chats.

No one gets more comfort and pleasure out of the family telephone than Grandma.
