## Regal Shoes

WE PLEDGE YOU A GENUINE SHOE-MAKER'S FIT

**A**FTER all's said and done, nothing can atone for shoes that don't fit. The surface style of an ill-fitting or wrong size shoe won't last.

Every step in an improperly-fitted shoe irritates the foot and distorts its shape. In a few days your shoes look like a "cotton suit caught in the rain."

We are exclusive Regal Agents, and we thoroughly believe that Regals are the greatest shoe-values in the world—otherwise, we would not recommend them. And, in order to prove this to you, we take every precaution to provide a perfect fit for your foot so that you will realize the complete comfort, long wear and smart style that every Regal can give.

That is why we stake everything upon correct fit—a genuine shoemaker's fit—a fit that "fits all over"—a fit given with infinite pains and patience, until the shoe "feel made-to-order."

## GERMANS ARE SLOWLY DRIVING ALLIES BACK

(Continued from Page One.)

for according to the Rheims dispatches, many of 90,000 Russians is now marching into Central Poland followed by another army of two million, while a third army, also aggregating two million, is coming from more distant regions and will reach the front in October.

There already are said to be a million Russians in Galicia and a half million in East Prussia.

While these numbers are enormous they are considered probably a fair estimate of what Russia will soon see. It is said she will have 1,000,000 men on the move. While continuing the offensive in Galicia, Russia is standing on the defensive on the East Prussian frontier, her army having been driven back by the Germans. This army, however, is said to be intact.

There was a remarkable scene today in the house of commons after the signing of the home rule bill by King George. For the first time, as far as can be recalled, the members of the house sang "God Save the King," and the Nationalists who previously had refrained from singing the national anthem, joined in.

Another precedent will be broken when Premier Asquith and John Redmond, the Irish leader, address recruiting meetings in Ireland, and still another when the Irish legion which the Nationalists are forming, fights under the British flag. There have been many Irish legions, some of which have fought on the French soil, but with one exception, never under the flag of Britain.

### BATTLED TWELVE INNINGS TO A TIE

#### Boston and St. Louis Play Last Game of the Season To a 1-1 Tie

Boston, Sept. 18.—St. Louis and Boston battled for twelve innings today for their final game of the season, darkness necessitating suspension of hostilities with the score of 1 to 1. Doak pitched great ball. James also worked well, but the visitors bunched three of their hits in the 8th inning when they scored their run. In the first inning St. Louis had the bases filled with one out, but Wilson struck out and Wingo forced a man. Boston's run was the result of a pass to Moran, followed by Evers' double to right field, sending the former home.
