Clemson Victorious 25 to 13. ATHENS, Ga., Nov. 7.—Clemson college defeated the University of Georgia in football here today, 25 to 13, scoring four touchdowns in the last quarter. When the final period began, Georgia was leading 13 to 7. Clemson, however, soon forged ahead, Quarterback McMillan receiving a punt and dashing through the entire Georgia team for a touchdown. Line plunges and long end runs netted three more touchdowns for Clemson before the game ended.

Defeated Wake Forest College. COLUMBIA, S. C., Nov. 7.—The University of South Carolina defeated Wake Forest college of North Carolina at football here today 26 to 0. The home team's success was due largely to its ability to negotiate long forward passes. Three of the touchdowns were scored on this play and

the other came after a forward pass had put the winners in striking distance of the goal. Stoney and Hayward starred for Carolina and Harris for the visitors.

Citadel Defeats Newberry. CHARLESTON, S. C., Nov. 7.—In a fierce struggle, Citadel defeated Newberry here today 14 to 13. Citadel played straight football. Newberry used the forward pass brilliantly, completing nine out of 16 Weeks and Sheppard, of Citadel, and MacLean and R. Baker, of Newberry, divided honors.

The Game Bitterly Contested. WASHINGTON, Nov. 7.—Georgetown and North Carolina A. and M. battled here today to a 7 to 7 tie. The game was bitterly contested from beginning to end and was marked by much roughness on the part of both teams.

North Carolina scored in the first period when Georgetown attempted to kick. The ball was blocked and Fiddick, North Carolina's right halfback, recovering it, raced 35 yards for a touchdown. He also kicked goal. The North Carolinians maintained this advantage until the last few minutes of play when Georgetown executed a beautiful forward pass for 30 yards and crossed the line for a touchdown. Noark kicked goal and with the score tied time was called before the two teams could line up.

Loosely Played Game. BIRMINGHAM, Ala., Nov. 7.—Out-generated, outplayed and outgotten throughout, the University of Alabama football team was decisively defeated by Sewanee in a loosely played game here this afternoon by a score of 18 to 0. Alabama failed utterly to cope with the Sewanee attack, while its few chances to score were ruined by costly fumbles. Parker was the distinct star of the contest, ripping the Alabama line into shreds by his terrific plunges. Vandegraaf did great work for Alabama.

Fiercely Fought Game. NASHVILLE, Tenn., Nov. 7.—The University of Tennessee football team defeated Vanderbilt here this afternoon in a fiercely fought game, 16 to 14. The extra score which decided the contest was due to the accurate toe of Carroll who scored three points on a placement kick for Tennessee in the third quarter.

Brilliant Game. ATLANTA, Ga., Nov. 7.—The Alabama Polytechnic Institute (Auburn) defeated the Georgia School of Technology in football here today, 14 to 0. Both teams played brilliantly. Auburn scored her first touchdown in the second period. After repeated short gains by the Auburn backs through Tech's line, Prendergast finally carried the ball over left tackle for a touchdown. Harris kicked an easy goal.

The second and last touchdown of the game was scored during the first part of the fourth period. After recovering a fumbled punt by Hayes, of Tech, on Tech's 20-yard line, Auburn again hurled all her plays against Tech's line. When the ball had been carried to the 10-yard line, Hart plunged through Tech's right tackle for a touchdown. Louisville kicked goal.

Continue Unbroken Victories. LYNCHBURG, Va., Nov. 7.—In an evenly matched and hard fought game here today Washington and Lee continued her unbroken string of victories by defeating Swarthmore college, 10 to 0. After two and a half minutes of play Graham secured the ball on the 13-yard line when Shultz blocked Cline's punt, and carried it for a touchdown. Pierotti kicking goal. Late in the last period Donahue scored a goal from a dropkick from the 35-yard line.

Outclassed Opponents. CHARLOTTEVILLE, Va., Nov. 7.—Completely outclassing their opponents, Virginia's football team today piled up a score of 38 to 0 against St. John's college of Annapolis. Six of the 13 touchdowns were scored in the final quarter with a team composed entirely of substitutes.

Played Below Form. NEW HAVEN, Conn., Nov. 7.—Yale played below form today and the eleven was forced to extend itself to

the limit to defeat Brown, 14 to 6. With all the regular Yale backfield except Alsworth watching the Harvard-Princeton game at Cambridge, the second string backs played loosely.

Crimson Outclassed Tigers. CAMBRIDGE, Mass., Nov. 7.—Harvard crushed Princeton, 20 to 0 today in their annual football game.

The Crimson outclassed the Tigers in every department of play. The New Jersey collegians had little offensive or defensive strength and their nearest approach to the Crimson goal was in the first period, when the Orange and Black secured the ball on a fumble on Harvard's 35-yard line. Even with the ball well in their opponents' territory when all the attacking players were fresh, Princeton was unable to retain this advantage, relinquishing the ball on the first play by a disastrous fumble. Harvard never thereafter was seriously threatened.

CAPTURED NEGRO IS DESPERATE CRIMINAL

POLICE BELIEVE THEY HAVE MADE FIND

READY FOR WORK

Had Poison, Complete Kit of Burglar Tools, and a Black Mask When He Was Arrested.

Two vials of deadly poison, a black mask for his face and a complete set of high-priced burglar tools constituted the find the Anderson chief of police made yesterday afternoon when he opened a hand bag belonging to J. C. Brown, a negro, wanted in this city for having fleeced another negro named Lee Davis out of \$15.

Following his exploit, Brown made a get-away but he had his baggage checked to Greenwood. The police of Anderson found out where the baggage was shipped to and notified the Greenwood police to watch the railroad station. Sure enough, Brown presented himself and demanded the baggage but he was detained by the station agent while another railroad employe telephoned for the police. The cop was just about to grab the negro when he turned around and saw the officer approaching and for the second time he got away.

Yesterday morning he again presented himself at the railroad station in Greenwood and this time the officers nabbed him. He was looked in jail and a message was dispatched here to the police, informing them that the man was under lock and key. Chief Sammons left at once for Greenwood and when he got there, the station agent consented to open the hand bag and then the find was made. Everything needed for use in perpetrating a hold-up, a robbery or even murder was found in this grip.

When the chief started from Greenwood with his man, he handcuffed the prisoner but Mr. Sammons says that evidently the negro is a desperate man, since he was constantly watching for any chance to make a leap from the train. The chief almost had to keep the negro covered with his gun to get him to Anderson and he was placed in the strongest cell at the city jail. The officers are confident that they have caught a much wanted criminal and they are determined to search for information which will connect him with other crimes.

A few days ago Brown blew into town and impressed all the negroes in Anderson. He was well dressed, had a fine gold watch and chain and a pretty diamond ring. He pulled the skin game here when he went to Lee Davis, head waiter at the Chi-Quola hotel, and represented to Lee that he would pawn his diamond ring for \$15. He let Lee carry the ring to a jeweler and have it examined and the jeweler said that it was well worth the money. When Lee returned and gave the man the money, Brown managed to exchange the ring for a cheap paste imitation he had in his pocket and then got away before the exchange was discovered.

CIVIC ASSOCIATION IS AFTER VAUDEVILLE

COMMITTEE CALLED ON PICTURE SHOWS

A BAN ON GIRLS

Managers Have Agreed That They Will Show No More Vaudeville Attractions in Theatres.

At a recent meeting of the Ladies Civic Association of Anderson a long discussion was engaged in concerning the vaudeville attractions at the Anderson picture houses. The ladies discussed the matter, pro and con, for some time and it was finally decided that a committee would be appointed to wait on the theatre managers and try to secure their consent to do away with vaudeville in local houses and to show nothing but pictures.

Yesterday the committee, consisting of Mrs. Rufus Fant, the president of the association, Mrs. A. L. Smethers and M. Martha Bonham, waited on the two amusement places of the city, and as a result of this call, Anderson will see no more vaudeville.

The Bijou theatre on South Main street, presented vaudeville attractions for only a few weeks and then deserted it for a singer. Quartettes and single singers were brought to Anderson for a few weeks and then the Bijou dropped everything but pictures.

The Palmette theatre has been conducting vaudeville in connection with its show for some months and has been attracting splendid houses. When seen yesterday by the committee, Manager Bristow of the Bijou told the ladies that he would very cheerfully agree to the proposition, since he had long ago quit showing vaudeville anyway.

Manager Pinkston of the Palmette theatre agreed to the request and will hereafter show no more vaudeville but he told the committee that it required a considerable financial sacrifice on his part and he expects the people of Anderson to stick to him and show their appreciation of the step he has taken.

While many people unhesitatingly state that the vaudeville attractions have a tendency to injure the morals of the community, it is said that other people do not agree with the idea. However as that may be, there will be no more vaudeville in Anderson.

AWAIT PRESENTMENT IN RE WATER COURSE

ACTION OF INTEREST BY GRAND JURY

COMPLETE REPORT

Effort Will Be Made to Determine What Action is Possible Concerning Savannah River.

The most important act of the grand jury, when it convenes during the coming term of the court of general sessions for Anderson county, will be the special presentment of that body regarding the interference with or obstructing of traffic across the Savannah river, caused by the impounding of waters at Portman Shoals. This matter has caused so much discussion in Anderson county that it will awake interest on every hand when it is finally discussed by the grand jury. It is charged that the waters of the

Savannah are dammed up at night and that they are not released until about 5 o'clock next morning. Since Portman is considerably higher up than the ferries used for traffic between this city and county and Hartwell, Ga., and other Georgia counties, it is almost impossible to cross on the ferry at any of these places until about 1 o'clock in the afternoon. The water is by that time normal but it is again dammed up at night. The last Court of General Sessions saw a committee appointed by the grand jury to investigate into this matter and find out what needs to be done. This committee consists of Andrew Sullivan, James Anderson and Paul Earle and its reports will be the event of principal interest when court convenes on November 6.

Cut out this talk about your luck. And figure more about your pluck. In fine Remember that when things go wrong 'Tis just the time to buck up strong; Don't whine. Some think the others have the luck. Well, let 'em have it. Just you buck the line. Put up a good and sturdy fight. And things will come your way all right. Don't whine.
