

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

If feverish, bilious, constipated, give fruit laxative at once.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, indigestion, diarrhea, give a teaspoonful of California Syrup of Figs, and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of California Syrup of Figs, which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the California Fig Syrup Company. Hand back with contempt any other fig syrup.

Plans for Memorial For Mrs. Wilson

(By Associated Press.) ATLANTA, Ga., Nov. 7.—Definite plans for a memorial for Mrs. Woodrow Wilson, to be known as the Ellen Wilson fund for the Christian education of mountain youth, were laid today at a meeting here of interested women. A letter from President Wilson approving the movement was read. The plans contemplate a nationwide appeal for funds to carry out the education work. The memorial has the support of the board of home missions of the Southern Presbyterian church. Mrs. Wilson was a native of Georgia.

Efficiency Ideas. A big concern in New York puts its office boys on roller skates. Thus they can cover the vast floor space to better advantage. Now, if the girls are allowed to tanquo on their various errands much will be gained.

GAMBLERS FIRED ON THE SHERIFF'S POSSE

WHEN COVEY WAS FLUSHED FRIDAY

ONE NEGRO SHOT

About 15 Were Participating in the Game When Sheriff Ashley Arrived.

That Sheriff Ashley and Special Deputies Page and Hughes are not dead is through no fault of a covey of negroes, flushed by the officers Friday night while a big game of "skin" was going on.

Sheriff Ashley went to Ibonea Path Friday afternoon and while there he received information to the effect that a hot supper was to be held by a party of negroes near Craytonville. Knowing that they would be up to some deviltry, Sheriff Ashley swore in two special deputies and went over. When near the scene of the supper he discovered the fact that a crap game was going on and he and his two assistants slipped up on the gathering. Each of the officers grabbed a man but the other negroes, some 15 in number, made a break for liberty. They ran some little distance and then turned and began to shoot. They fired about 30 or 40 shots all told but fortunately they all aimed high and none of the officers suffered an injury. However, during the course of the shooting a bullet struck one of their own number, Rob Clinkscapes, who had been participating in the game. The bullet entered the negro's foot and just missed hitting his head.

When part of the negroes had been caught Sheriff Ashley gave up the chase after the remainder, for the time being, and brought his captives to town, reaching here between 2 o'clock and 3 o'clock yesterday morning.

When the negroes were arraigned in Magistrate Broadwell's court they were handled as follows: Rob Clinkscapes, Sam Clinkscapes, Charles Thompson and McKim Simpson, fined \$20 each. Dote Jenkins and Hack Cowan, two other members of the party, are still in jail, awaiting trial, while the sheriff and his deputies will shortly round up the ones who escaped.

Sheriff Ashley said last night that he had never seen a strong barbed wire fence more completely demolished than was the one crossed by the negroes Friday night during their flight.

Car Men Enjoined From Going on Strike

(By Associated Press.) INDIANAPOLIS, Nov. 7.—Indiana street car men today were enjoined by Federal Judge Anderson from going on strike. The injunction supersedes the temporary restraining order issued September when a strike was threatened. The order is to be in effect pending a decision on the petition for a permanent injunction against a strike.

Crown Prince Wounded. (By Associated Press.) LONDON, Nov. 7.—Crown Prince George of Saxony has received a serious wound in the leg and can take no further part in the campaign, says a dispatch from The Hague to the Exchange Telegraph Company. The prince is at the royal castle at Dresden, the dispatch says.

IN FIVE MINUTES NO SICK STOMACH INDIGESTION, GAS

"Pape's Diapepsin" is the quickest and surest stomach relief.

If what you just ate is souring your stomach or lies like a lump in your throat, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves, sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery. Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

What Others Say

THAT GRAIN ELEVATOR.

Now that the fair is over some attention should be turned without delay to the matter of establishing in Spartanburg a grain elevator. It is a fact that the farmers of this country are planting grain in large quantity, and it is a further fact that there is a law recently enacted by the legislature requiring all South Carolina farmers to reduce their acreage in cotton. This law is going to increase the grain crop in all parts of the State, creating a real demand for a cash market by next spring.

There are parties in Spartanburg interested in the grain elevator proposition and they should be gotten together.—Spartanburg Herald.

Harold Booker of the Spartanburg Journal, says he will be at that Charlotte paragon festival if he can borrow railroad fare from Ed. De Camp. Walk the line, man, walk the line! That's what we're going to do if worst comes to worst, and it won't be the first time, either.—Columbia State, No. six-roc. We will never submit to Harold counting noses. Any man who has confidence enough in us to believe that we can loan him railroad fare from Spartanburg to Charlotte and return, shall not be disappointed—even if we are forced to humiliate ourselves by asking Jim Bell to lend it to us.—Gaffney Ledger. There you go. We were figuring on touching Jim Bell ourselves, since we have been requested to chaperone Major Booker, but suppose now it will be necessary to get in a little worse with Sam Reid, formerly of the Clifton Chronicle, but now degenerated into a Spartanburg bank cashier.—Spartanburg Herald.

CHIEF RAILWAY MAIL CLERK IN ANDERSON

J. A. METTS CONDUCTED AN EXAMINATION

PRAISED OFFICE

Says That Postoffice is Well Conducted and Thinks Chances for New Mail Clerk Good.

"I can make no statement regarding what my recommendation to the postoffice department will be, concerning a new mail clerk on the Charleston and Western Carolina railroad between Anderson and McCormick," said J. A. Metts yesterday, "but I believe that the chance for Anderson getting this additional service are splendid."

Mr. Metts is chief railway mail clerk for South Carolina, with offices in Charleston, and he came to Anderson for two purposes. He desired to see at first hand just what necessarily might exist for a new clerk on the C. and W. C. and then too, he came here to conduct the annual examination for the mail dispatchers at the Anderson postoffice.

In talking to a reporter for The Intelligencer, Mr. Metts said that it would be very desirable to have a train leaving Anderson in the morning on the C. and W. C. and one leaving McCormick in the morning on the C. and W. C. Another leaving each place in the afternoon would give a double-daily passenger and mail service, and he thinks that it would please everyone living between the two points and he also thinks that it might be a good thing for the railroad. He believes that this would be the most beneficial arrangement the railroad could strike on. Mr. Metts pointed out that the Anderson branch of this railroad is the only point in South Carolina, to the best of his knowledge, without a double-daily service.

The chief clerk says that as a matter of fact the chances for getting a new clerk on this road are weakened by reason of the many changes made in schedule on the Anderson branch. He says that the postoffice department is not willing to put a man on a run for a few months and then have to take him off because of some change in schedule and he pointed out that there have been numerous changes in the schedules of trains operated into and out of Anderson over this road.

Following a conference he was to hold in Augusta, Ga., last night with F. M. Doar of the C. and W. C., Mr. Metts will return to Charleston and make some recommendation to the postoffice department in regard to the new clerk. It is believed that he will recommend favorably on this question, provided he can get some assurance that schedules will be made more permanent on the Anderson branch.

Speaking of the Anderson postoffice, Mr. Metts said that he was well pleased with everything he saw on his visit here. He says that the two dispatchers made splendid records on the examination which they underwent here yesterday, securing an average of over 99 in each instance. He says that Postmaster Cochran has one of the best organized offices in the State and deserves to be commended for the splendid manner in which the affairs of the office are conducted.

Old Reformer

Will Be Opened in Prominent Position on Public Square by the Civic Association.

Acting for the Ladies Civic Association of Anderson, Porter A. Whaley, of the Anderson chamber of commerce called on Clerk of Court James N. Pearman yesterday and made request for permission to place "Old Reformer," Anderson's historic cannon, in some prominent position on the court house grounds. Mr. Pearman unhesitatingly gave his permission and it is probable that the cannon will be placed just in front of the court house.

The Civic association desired that the gun be placed on the side steps of the building but the clerk pointed out that this would never do, since the public sales are held at that place and also the gun would greatly interfere with people getting in and out of the building.

Within the next few days the Association will decide just what spot about the court house grounds will be most suitable and the historic old gun will once more be placed in position. Since it was taken down from its pedestal on North Main street the gun has been left at one side of the street.

With The Church Women Photo 57. The ladies of the Missionary society of St. John's Methodist church have held prayer meeting each afternoon this week at different homes in the city. Each meeting was led by different members of the society and they were well attended and most profitable. The ladies of the Working society of the Central Presbyterian church will have a turkey dinner next Thursday in the store room vacated by Hillman. The dinner will be 35 cents with 15 cents for coffee and plum pudding. Primary Philathea. A new organization is the Primary Philathea class of the First Presbyterian church with Mrs. W. H. Frazier as teacher. This is a class of young girls about 12 years old, and they have entered very enthusiastically into Philathea work. Their first social meeting was held Friday afternoon with Misses Sara and Eunice Evans and it was a very pleasant and enjoyable meeting. Dainty refreshments were served by the young hostesses. The officers for this class are Miss Elizabeth Hudgens, president; Miss Lucy Bell, vice president; Miss Ernie Evans, secretary and treasurer; Miss Elizabeth Ramsay, assistant. Divisions of First Baptist Church. The Women's Missionary society of the First Baptist church is divided into seven divisions, viz: Northern, Eastern, Western, Southern, River Street, Greenville Street, which meet the first Monday in each month at the homes of members by invitation. The meetings last Monday were very interesting, in reality they were an afterthought of the splendid meeting just held by Dr. White. The subject, "Personal Work," was the one most suggestive of each member's part of the work before the church now, and as was suggested in one division meeting, that if each member entered a more thoroughly into personal service, the church will live to a higher standard and soon realize a "Christian city." Mission Study Classes. The Mission Study class for the officers of the society and leaders of these divisions of the First Baptist church, led by Mrs. John F. Vines, is one of the most helpful features of the work. These meetings are open to any woman of the town and they are most instructive and helpful. Senior Philathea. The Senior Philathea class of the First Presbyterian church was delightedly entertained on Thursday afternoon by Mrs. George Speer. Mrs. Jim Farmer and Miss Julia Gayton of the home of the latter in North Anderson. Beautiful autumn leaves used in provision all over the house. After a short business session, the guests were entertained with a festivity by Miss Carrie Fretwell and several piano selections by Mrs. Harida and Miss Parks. An elegant salad

America's Greatest Grass Comes From Africa

Good For Hay Seed Forage Silage Grow Sudan Grass The most wonderful grass of the age introduced and endorsed by the U. S. Agricultural Department. Tested severely in every part of Texas successfully. Makes more seed and better hay than any other forage plant grown. Under ordinary conditions produces 300 to 600 pounds of seed and 5 tons of choice hay per acre the same season. Adapted to all sorts of soils. Resists drought and stands much rain. Takes 2 to 4 pounds of seed to sow an acre in drill and 16 to 24 pounds broadcast. Quality of hay equals alfalfa. Last spring the seed sold for \$2 to \$3 per pound and everyone who grew it will plant more next year. The seed is now selling for \$1 per pound and will go higher before spring as the supply is limited. We will send prepaid by parcel post pure Sudan seed in lots of 50 pounds and up. Not less than one pound considered for \$1 per pound cash with the order. Larger lots by freight cheaper. Better order now and be sure of getting the seed and save money thereby, also make more money next season. Everyone who can should try this great grass.
