**BAR ASSOCIATION ARRANGES ROSTER OF CASES FOR TRIAL AT DECEMBER COURT OF COMMON PLEAS**

**CONVENES DEC. 7**

Judge R. Withers Memminger of Charleston Will Be on the Bench.

For the purpose of arranging a roster of cases for trial at the approaching term of the court of common pleas, a meeting of the Anderson Bar Association was held yesterday afternoon at 4 o'clock in the grand jury room of the courthouse.

Court will be convened Monday, December 7, Judge R. Withers Memminger, of Charleston, presiding. Jurors to serve at this term of court have been drawn by the commissioners. It is probable that the jury trials will consume about a week and a half of the two weeks term. The balance of the session will be devoted to the hearing of matters in equity.

Following is the roster of cases as arranged:

- Monday, December 7. Carpenter versus Saddler. McCoy versus Robbins. Summey versus Anderson county.
- Tuesday, December 8. Gagsdale vs. G. S. & A. Ry. Milford vs. Greer. Southern Ry. vs. Williamston Lumber Company.
- Wednesday December 9. Owens vs. Chiquola Mfg. Co. McAllister vs. Tucker. Prutt vs. G. S. & A. Ry.
- Thursday December 10. Anderson vs. Blue Ridge Ry. McAllister vs. Tucker. Cleveland vs. Southern Public Utilities Co.
- Friday December 11. Sherard vs. Tufts & Lowe. McSwain vs. Anderson Machine and Foundry Co.
- Saturday, December 12. Equity Matters.
- Sunday, December 14. Mullally vs. Mullally (6 cases.) Watson vs. Jackson. Culberson vs. Davis Bros.
- Tuesday, December 15. Humphrey vs. Anderson Gas Co. Farmers Bank vs. Mattison. Richardson vs. Pullen.
- Wednesday, December 16. Jenkins vs. Western Union Telephone Co. Southern Railway vs. Wilmot Oil Mill. Virginia Chemical Co. vs. Dunlap. Ayers vs. Gluck Mill.
- Thursday, December 17. Shoe Company vs. N. Polikoff. Max Enrich vs. N. Polikoff.

**GRAY HAIR BECOMES DARK, THICK, GLOSSY**

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

**64 Years in Office.**  
**HILLSBORO, N. C., Nov. 23.**—John Laws, 94 years old, register of deeds for Orange County for the past 64 years, and who is believed to hold the record in the United States for continuous service in an elective office, died of pneumonia at his home here at 5 o'clock this morning. He was the only man who ever held the office of recorder of deeds in Orange county.

**Help the Stomach Digest Your Food**

When the stomach fails to digest and distribute that which is eaten, the bowels become clogged with a mass of waste and refuse that ferments and generates poisons that are gradually forced into the blood, causing distress and often serious illness.

Most people naturally object to the drastic cathartic and purgative agents that shock the system. A mild, gentle laxative, positive in its effect and that will quickly relieve constipation is Dr. Caldwell's Syrup Pepsin, sold by druggists at fifty cents and one dollar a bottle. It does not gripe or cramp, but acts easily and pleasantly and is therefore the most satisfactory remedy for children, women and elderly persons. For a free trial bottle write to Dr. W. B. Caldwell, 451 Washington St., Monticello, Ill.

**LEGISLATORS ARE TO VISIT CLEMSON**

**DELEGATIONS FROM THREE COUNTIES MEET THERE TODAY**

**STAY TWO DAYS**

Thorough Inspection of Workings of Clemson College to Be Made.

Members of Anderson, Oconee and Pickens counties delegations to the general assembly will gather at Clemson College today for the purpose of spending a couple of days making a thorough inspection of the workings of the institution. The Anderson delegation will leave the city at noon and will meet the representatives of the other counties at the college upon the invitation of the president of the institution. They will return to their homes late Wednesday afternoon.

It is understood that inasmuch as Anderson, Pickens and Oconee counties are the nearest "neighbors" of the institution it would be fitting to have the representative delegations of these counties visit the institution and make a thorough inspection of its workings so that they might be in a position to speak with authority when matters pertaining to the college come before the legislature.

Speaking yesterday of the trip to Clemson, Senator-elect J. L. Sherard said, "The delegations from these three counties will meet at Clemson college on Tuesday and will stay over until Wednesday afternoon in order to see every department of the college work and to make themselves familiar with what the institution is doing. Clemson lies at the junction of Oconee, Pickens and Anderson counties. It belongs almost as much to any one of these counties as to another. The legislative delegations from these three 'home counties' have been invited by the college to visit it so as to gain a personal knowledge of its magnitude, its work and its plans for the future."

The members of the delegations are as follows:  
 Anderson: Senator J. L. Sherard. Representatives: S. A. Burns, Rufus Reid, Jr., J. H. Hutchinson, Geo. M. Fent, John T. West and S. M. Wolfe.  
 Oconee: Senator E. E. Verner. Representatives: J. H. Brown and Frank H. Shirley.  
 Pickens: Senator W. T. O'Dell. Representatives: J. L. Bolt and J. P. Carey, Jr.

**CITROLAX.**  
 Users say it is the ideal, perfect laxative drink. Mr. M. J. Perkins Green Bay, Wis., says "I have used pills, oil sals, etc., but were all disagreeable and unsatisfactory. In Citrolax I have found the ideal laxative drink." For sick headache, sour stomach, lazy liver, congested bowels—it is the perfect laxative and gives a thorough flush. Sensitive, delicate people, invalids, and children find it easy to take and pleasant in action. Results thoroughly satisfactory. Evans Pharmacy.

**FOLEY KIDNEY PILLS**  
 FOR BACKACHE, KIDNEYS AND BLAODER

**THE SUPREME COURT RESERVED DECISION**

On Order Directing Tillman Why Children Should Not Be Given Into Custody of Another.

(By Associated Press.)  
 COLUMBIA, S. C., Nov. 23.—The supreme court today reserved decision on its order directing Mrs. Lucy Dugas Tillman to show cause why her children, Douschka Pickens Tillman, and Sarah Starke Tillman, aged ten and seven years respectively, should not be given into the custody of another. Mrs. Tillman and her two daughters testified today at an extraordinary sitting of the supreme court. The order citing Mrs. Tillman to show cause why she should not surrender the children is said to have resulted from three alleged refusals on the part of the latter to obey the court's order that they spend July and August 1914, with United States Senator Benjamin R. Tillman, their grandfather.

Counsel for B. R. Tillman, Jr., father of the children, requests the court to give them into his custody.

The interest of the whole State is centered in the proceedings in Columbia, where Senator B. R. Tillman and his daughter-in-law, Mrs. Lucy Dugas, the beautiful divorced wife of B. R. Tillman, Jr., again fought a great battle for the possession of the two little children, Douschka Pickens and Sarah Starke Tillman. Several years ago, the supreme court gave the children into the custody of their mother. Later the father, B. R. Tillman, Jr., brought action to recover possession of them, with the result that the court ordered the children to spend part of each year with him. Some time ago when young Mr. Tillman went to Alaska, in the service of the government, the court ordered that the children spend the time that was to have been spent with their father, with their grandfather and grandmother, Senator and Mrs. B. R. Tillman. The months of July and August was the time set by the court, and when the children refused to go, Chief Justice Gary issued an order requiring Mrs. Dugas to show cause why she should not be deprived of the custody of the two little girls.

The case was argued for B. R. Tillman, Jr., by his brother, Mr. Henry C. Tillman and Mr. J. B. Parks of Greenwood. G. Mc G. Simpkins is attorney for Mrs. Dugas.

**Fox Hunt**  
 Picture is Finished and Will Be Shown Here in the Near Future.

The last filming on the motion picture of the Anderson county fox hunt was done yesterday at Sunset Forest, after which the party of Atlantians who spent several days here for that purpose returned to their homes. The film will be developed and the print made in the next few days and the picture showed at a local theatre in the near future.

As has been stated before, the central figure in this picture is Col. Jas. T. Roberts, probably the most famous fox hunter in the United States. The picture was made in the vicinity of Sunset Forest and a score or more of ladies and gentlemen of Anderson are shown participating in the chase.

The fox hunt is woven about a very pretty little story, the substance of which is that "Capt. J. J. Fretwell invites 'Col.' Roberts and a party of his friends out to Sunset Forest for a fox hunt. After the picture had been completed yesterday those taking part in it were delightfully entertained at Sunset Forest.

**GRAIN ELEVATOR MEETING TODAY**  
 Matter to Be Discussed This Morning at The Chamber of Commerce.

A meeting of farmers of Anderson county and business men of the city will be held this morning at 11 o'clock at the chamber of commerce for the purpose of discussing the advisability of erecting here a grain elevator. Judge J. S. Fowler is chairman of the special committee of the chamber of commerce which has had this matter under advisement for the past several days and will make a talk at the meeting this morning, emphasizing the necessity of providing some means of handling the grain crop for cash. It is expected that the meeting will be largely attended by farmers from practically all sections of the county and business men from the city.

Since the matter of a grain elevator was brought up by the chamber of commerce numerous letters have been received by Secretary Whaley from men throughout the northwest who wish to become manager of the plant which it is proposed to establish here. The latest communication of this kind is from Edward H. Richard, of Willow City, North Dakota.

**NO ELECTION SOON ON PAVING MATTER**

LEGISLATURE MUST RATIFY RESULT OF GENERAL ELECTION THEN PASS ACT

This Act Must Then Be Voted on by People—Council Meeting.

There will be no election ordered on the question of authorizing the city of Anderson to assess abutting property owners for a share of the cost of permanent improvements until after the meeting of the general assembly next year, this fact having been brought out last night in a letter from City Attorney G. Cullen Sullivan to Mayor Godfrey which was read at the special meeting of city council, called for the purpose of considering the supply bill for 1915 and taking up other matters of a routine nature.

The letter from the city attorney with reference to the matter is as follows:

"As requested by you this morning, I investigated the constitutional amendment submitted in the last general election, which authorizes the general assembly to give the city the power to assess abutting property owners under certain conditions.

"I find that the status now is that this amendment to the constitution was passed at the last general election but that it provides that the act of the general assembly authorizing the city to make assessments, etc., shall not become operative until the same is approved by a vote of the qualified electors of the city.

"Of course this means that the general assembly will have to pass such an act at its next session and then this act must be voted on and approved by a majority of the votes cast before it becomes operative.

"Under these conditions of course no election can be held at this time."

**Minor Matters Heard.**  
 The fore part of the special meeting of council was occupied with the consideration of matters of a minor character. Representing George N. Broyles, a property holder on West River street, Attorney J. L. Sherard, appeared before council and asked if the city intended permitting certain grading to be done on Peoples street, if done, would damage his client's holding in that vicinity. After a discussion of the matter it was ascertained that there was no intention of cutting down the street in this locality and the relief asked was assured, a committee consisting of the mayor and Alderman Tate stating that they would go down in that vicinity this morning and right the matter.

A former petition for curbing and drains on West River street was renewed by Mr. Sherard. Upon motion of Alderman Tate it was decided to curb West River street, from Main to Towers, put down drains and pave one sidewalk, the work to be taken up in the regular order of street improvements.

**Asked Pardon of Council.**  
 Fleet Gambrell addressed council at some length at this juncture asking that he be pardoned of a conviction for selling whiskey which was brought against him "the city court some time ago. Gambrell stated that he was convicted of selling whiskey and was fined \$100; that he appealed his case to the State court and failed to win out but secured a reduction of \$50 in his fine; that he then appealed the case to the supreme court, and supposed that the matter rested until he was advised that some action was to be taken against him. Gambrell explained that his attorney had died since the case had been taken to the supreme court. He made the statement that if council did give him a pardon he could get one from Governor Bleasde, but later stated that he had rather serve a term on the chain-gang than ask the governor of South Carolina for a pardon. Upon motion of Alderman Dolbins the chief of police was instructed to collect the fine imposed upon Gambrell. The petitioner made several efforts to get council to show him some leniency, suggesting that he be allowed to pay the fine in installments, etc. To all of these pleadings council turned a deaf ear.

**No Carnival in Town.**  
 An itinerant dealer in fountain pens appeared before council and asked that he be granted a license to do business on the streets of Anderson for a short while. It appears that the license for doing business of this kind is \$300 and that there is no provision for a license for doing business for a shorter period. The matter was referred to the mayor with power to fix a license for whatever length of time the petitioner decided to do business here.

The management of the World's Exposition company, a carnival company, which has been showing in North Anderson for the past week or so, appeared before council and asked that the license for shows of this kind doing business in the city be reduced so that he could bring his show into the city for the balance of the week. He explained that owing to unfavorable weather conditions the show had lost money in North Anderson. In behalf of the petitioner, Mr. Jas. T. Pearson, appeared and stated that he had made a canvass of the business houses on the square and in that number had found but two business men who objected to the carnival coming down town. Mr. Pearson asked that the council do something for the carnival as the times were hard and it was dis-

**Good Things FOR THANKSGIVING**

Dressed and live Turkeys, dressed and live Hens, Pork Hams and Spare Ribs, Pork Sausage and Brains. Kinyan Hams and Breakfast Bacon, boiled Ham and Souce Meat, West Point Oysters and Fish.

**Complete Picture of Real Fox Hunt**

The only complete picture of a real fox hunt ever made in the entire country, so far as is known, has just been completed in Anderson county. For several days the photographers have been at work making pictures of events leading up to the big hunt and yesterday morning the chase was staged. The start took place from the home of James T. Roberts, the champion fox hunter of the county, and was followed by the chase which took place in "Sunset Forest" the handsome country estate of J. J. Fretwell.

Some time ago Mr. Roberts brought to Anderson a troupe of trained motion picture actors and actresses from Atlanta, Ga. These stars came from the Seac Motion Picture Company and each of them took an important part in the picture. The amateurs around town were secured yesterday morning as riders and the complete picture is now ready.

The finishing up of the picture, depicting the chase of a live fox, followed by a hundred trained fox hounds, with the graphophone attachment to reproduce the baying of the hounds, will all be completed in Atlanta and within the next few weeks the picture will come to Anderson to be seen by people of "My Town."

Mr. Roberts says that he does not anticipate any trouble in being able to book the picture, since he has already received numerous requests from houses in all parts of the country desiring to show the picture.

**NEW LOCOMOTIVE FOR LOCAL USE**

**Blue Ridge Railroad Has Received Splendid New Passenger Locomotive.**

The new engine for the Blue Ridge Railway which with other rolling stock of the latest and most improved type, was ordered several months ago, has arrived, the big new "Iron horse" having arrived in Anderson Sunday afternoon. The big fellow has been put to work and today is whirling passenger cars up and down the Blue Ridge railroad.

The engine was made at the Baldwin Locomotive Works, Philadelphia, and weighs 75 tons. It is of the same type as Nos. 3 and 4, which have been in use on this road for some time. The engine is equipped with all the latest devices and is in every respect a thoroughly up-to-date piece of machinery. The balance of the new rolling stock, one steel mail car, one steel combination car and two steel passenger coaches, is expected in the near future. The mail car is expected in December, while the contract calls for the delivery of the other cars in January. The new engine cost between \$15,000 and \$18,000 and was completed the first of this month.

**The Secret of a Good Figure**

often lies in the braisiers. Hundreds of thousands of women wear the Blue-Jolie Braisiers for the reason that they support the bust and back and give the figure the practical, cutting fashion desired.

are the distinct, most perfect, earnings immediately. Only the best of materials are used in the construction of a Blue-Jolie Braisier. It is a perfect support of the bust, absolutely restful—permitting laundering with a removal.

They come in all styles and your local Dry Goods dealer will show them to you on request. If you do not carry them, we can easily get them for you by writing to us. Send for an illustrated booklet showing styles that are in high favor.
