Mr. C. C. Langston, Anderson, S. C.

My Dear Mr. Langston: I had received a note from Dr. Fraser in which he told me of your activity in securing aid for the orphana, and so I was not unprepared for receiving your kind letter with its list of donations amounting to \$51, secured as your kind letter with its list of do-nations amounting to \$51, secured as the result of your efforts. Tals, I understand, includes \$5 from the Chi-quola lodge, K. of P., a noble order this is always ready and willing to aid others, and also \$5 given at the Baptist church on Thanksgiving day, as our part of the collection. And there are also \$1 other donors. In as our part of the collection. And there are also 41 other donors. Independently of your collection, I had already received quite a number of individual girts, by mail, at Thanksgiving time. It is needless for me to say that the gift is gratefully welcomed. One who has the care of 300 children has so many places to put the money, that the only question is, to which place to put it.

I want you, lease, to ask one of your city papers * print this little note of thanks as I understand this to be a general collection.

note of thanks as I understand this to be a gene, at collection.

The orphanage was hardly ever better fixed to stand the storm than at the breaking out of the European war, and had the regular monthly contributions of our benefactors kept up, we would certainly have come through the stress of the panic in fine condition, but unfortunately it struck us at the season of the year when our finances are at the lowest and we certainly felt the pressure in a very exacting way, but the kind gifts of our people at this Thanksgiving time has stopped the downward tendancy and we find ourselves in good anape again, though a little concerned from the fact that no man knows what a day may bring forth.

May our Lord hear our prayers for Anderson and its people. We thank you most heartly and specially do we thank our grood brother, C. C. Langston, who never falls the orphanage in its time or need.

Yours faithfully and truly,

W. P. JACOBS.
