AGREE UPON PLANS FOR RAISING BELGIAN FUND

COMMITTEE HELD MEETING AT CHAMBER OF COMMERCE YESTERDAY

MUCH INTEREST

Paramount Theatre Will Give Portion of Receipts on Opening Day.

Plans for raising Anderson County's contribution to the Christmas fund for the relief of the stricken Belgians were agreed upon yesterday afternoon at a meeting of the educational committee of the Chamber of Commerce.

Two schemes were adopted. One of these is to be carried out by the Paramount motion picture theatre, which agrees to give all its forenoon receipts and 50 per cent. of the afternoon and night receipts on the opening day, which will be about Friday, December 11. The other scheme is to be carried out by the various churches of the city and county. The pastors of the several churches and the superintendents of the Sunday schools will appoint committees to circulate contribution envelopes and collect them. A report of the success of the enterprise will be made at a meeting of the committee to be held at the Chamber of Commerce on the evening of Friday, December 18. The results of the campaign will then be telegraphed New York headquarters of the Belgian dollar Christmas fund, the movement with which the meeting yesterday decided to affiliate.

Among those present at the meeting yesterday afternoon at 3 o'clock in the Chamber of Commerce were: Rev. W. H. Frazer, pastor of the First Presbyterian church; Rev. D. W. Dodge, pastor of Central Presbyterian church; Rev. J. F. Vines, pastor of the First Baptist church; Rev. J. H. Gibbons, rector of Grace Episcopal church; Rev. J. W. Sparks, pastor of St. John's Methodist church; Messrs. M. M. Mattison, Foster A. Whaley, secretary of the Chamber of Commerce; Secretary Fred M. Burnett of the Y. M. C. A., and Superintendent E. C. McCants of the city schools. The meeting was presided over by Mr. McCants.

Mr. Burnett, who will manage the Paramount theatre, will arrange a special program for the opening day of this house. A program of special interest to children will be shown in the forenoon, and an admission of something like 5 cents will be charged. The entire collections of the forenoon will be given to the Belgian fund. In the afternoon and evening, a program of special interest to adults will be shown, and 50 per cent. of the proceeds will be donated to the fund.

Takes Oath of Office.

(By Associated Press.) SANTO DOMINGO, Dominican Republic, Dec. 5.—Juan Isidro Jimenez, who was proclaimed president of the Dominican Republic yesterday by the national congress, took the oath of office today. Quiet prevails throughout the country.

Personal

W. E. Hammond of Pelzer was among the visitors in Anderson yesterday.

Magistrate J. R. Leverett of Starr was in the city yesterday, for a short while.

L. E. Engle, a jewelry drummer of Baltimore, was in the city yesterday calling on local dealers.

See B. N. Wyatt for \$1.50 and \$5.00 coal.

MEETING MONDAY IN INTERESTS ELEVATOR

GATHERING WILL BE HELD IN COURTHOUSE AT ONE O'CLOCK

MUCH INTEREST

Is Being Taken in Matter Throughout County—The Program.

Indications are that the meeting of business men and farmers to be held in the court house at 1 o'clock Monday afternoon for the purpose of discussing the proposition of erecting here a grain elevator will be largely attended, and that efforts to be made at that conference to raise stock subscriptions to the enterprise will be successful. Reports from every section of the county are to the effect that the elevator proposition is being discussed with keenest interest by farmers generally, and that they seem willing to contribute to the erection of a plant here for the holding of and creating a market for the grain that is to be produced in Anderson county.

The grain elevator meeting will be called promptly at 1 o'clock in the court house, Mr. B. F. Mauldin presiding. The principal talk will be by Judge J. S. Fowler, chairman of the farmers and business men's grain committee of the chamber of commerce. There will be several short talks on the subject by several well known citizens, among them being Mr. S. A. Burns, president of the Anderson County Live Stock Association.

Members of the special committee appointed for the purpose of making arrangements for the meeting Monday stated yesterday that they are highly pleased with the outlook for the success of the enterprise. Already several farmers and business men have stopped by the chamber of commerce and reserved stock in the proposed company.

At the meeting Monday it is probable that Mr. W. S. Brock will submit some interesting data which he has received from back brother, who is engaged in the grain elevator business in the northwest. A letter received from this gentleman states that last year his grain elevators paid a dividend of 20 per cent, the lowest that has ever been paid. This was accounted for by the fact that the grain crop in that section last year was the smallest on record. On that, the letter says, the grain elevators are owned by the farmers and no farmer is permitted to own more than \$500 worth of the stock.

Body of 10-Year-Old Girl Found in Church

(By Associated Press.) SACRAMENTO, Cal., Dec. 5.—The body of a ten-year-old girl, who had been strangled by means of a cord, was found in a German Lutheran church here today.

The dead child, Margaret Millings, was to meet half a dozen of her companions at the church to make doll dresses for Christmas. She arrived ahead of them. The other little girls were frightened by finding a trail of blood stains which led them to Margaret's body in the basement. David Fontaine, janitor of the church, was arrested.

BAPTIST STATE CONVENTION

(CONTINUED FROM PAGE ONE.)

mill villages. Especially do the women workers in the mill villages do a superb welfare work, and the State mission board has become the model of many similar boards in other Southern States in this regard. Its purely missionary work costs the convention about \$10,000 yearly.

Schools and Colleges. Baptists maintain not only excellent colleges for both men and women, but a number of high schools also. An education board has lately been created by the State convention, whose duty is to have a general oversight of all the convention's educational enterprises.

The high schools of the Baptists are North Greenville Academy at Tiger-ville; Spartan at Landrum; Six-Mile in Oconee County; Twelve Mile in Pickens County; and Slevern in Alken County. The colleges are Furman University for men; Furman Fitting School, a preparatory school for men; Greenville Female College, Coker College at Hartsville, and Anderson College at Anderson, for women.

It is probable that Coker College is the best equipped and most largely endowed of any denominational school in the State. Major James L. Coker, founder of the college, has given about half a million dollars to this institution. It is probable that his donations are larger than the gifts of any other individual in the South to education.

All the Baptist Colleges are well equipped. The churches have in recent years contributed very liberally to education) enterprises. Greenville Female College has used \$140,000 in permanent improvements in the last three or four years, and Furman has raised \$100,000 for additional endowment in the last 18 months.

The Year's Growth.

In the last decade the Baptist denomination has grown wonderfully in this State, as the following interesting figures will reveal: In 1904 there were 931 churches; in 1914 there are 1,111. In 1904 there were 102,833 members; in 1914 there are 148,646 members. Contributions to the various causes have kept pace with the growth in numbers. The following table will show the increase in contributions, as taken from published statistics:

State missions	1904	1910
Home missions	\$ 12,618	\$ 42,510
Foreign missions	6,945	22,550
Orphanage	17,327	52,615
Aged ministers	10,302	28,487
Education	3,216	11,318
	2,245	41,828

Aggregate con. \$276,711 \$773,650

Of course, contributions to the several objects enumerated above do not include anything expended by the local churches at home.

Baptist Benevolences.

South Carolina Baptists are keenly alive to the humanitarian side of religion, and labor in many fields for the benefit of suffering humanity. The oldest benevolent institution they have in the State is Connie Maxwell orphanage, located at Greenwood. Mr. B. H. Buell of this city is president of the board of trustees of the orphanage, and the Rev. A. T. Jamison is the superintendent. This orphanage is one of the best equipped in the South. It is a veritable village in itself, having been located two miles from town. It has electric lights, sewerage, a hospital, a graded school, a printing office, a laundry, a

library, and other modern conveniences. Two hundred and fifty children are there, and from it hundreds and hundreds have gone out into the world, after being raised, educated and trained. The orphanage does not take its sheltering hand off a pupil till the pupils becomes of age.

The ministers of the Baptist denomination know that the churches are paying quarterly sums to old, needy preachers who have wrought well in the ministry. Dr. C. C. Brown of Beaufort is secretary and treasurer of the board, and he dispenses something like \$11,000 a year among 54 beneficiaries.

The Baptist Ministers Mutual Benefit Association is the high-sounding name of a modest association among Baptist preachers. The object of this body is to help a new-made widow when she loses her husband. An assessment of \$1 is levied upon each member every time there is a death in the membership. Immediately upon the death of a member, the treasurer sends all there is in the treasury to the widow, to help her in this time of sorrow and need. The amount usually is \$125 to \$150, and it has assisted many a poor new-made widow when she knew not where to turn.

The Baptist hospital, located in Columbia, is a new thing in the denomination. J. J. Gentry, formerly a Spartanburg lawyer, is superintendent. This will be about the only Baptist enterprise not reporting a debt in current affairs at the coming convention. The hospital receives fees from patients who are able to pay, and cares for others free. Its fees more than pay operating expenses, and the hospital will report about a thousand dollars "to the good" next week.

Local Arrangements.

The Citadel Square Baptist church, where the sessions of the convention will be held has made ample provision for the entertainment of the 350 or more delegates who are expected. The following committees have been named:

General—T. T. Hyde, T. S. Wilbur, W. R. Thompson, A. V. Parry, W. S. Cook.

Assignment to Homes—J. V. Weston, Jno. P. Thomas, Edw. A. Eve.

Program and Badges—A. V. Parry, W. R. Thompson, W. S. Cook.

It has been 16 years since the Baptist convention met in this city. The late Judge J. H. Hudson was president then. The annual sermon was preached by the Rev. Chas. S. Gardner, D. D., pastor of the First Baptist church of Greenville. This year the Rev. S. T. Cody is president. The annual sermon will be preached Tuesday night by the Rev. Chas. E. Burts, D. D., pastor of the First Baptist church of Columbia.

PETROGRAD, Dec 5.—The following official communication was issued by general headquarters tonight:

"Desperate engagements in front of Lovicz and particularly in the region of Lodz and along the roads from the west towards Piotrkow continue. On December 4, on the roadway between Poblancio and Lask, our armaged automobiles, by favor of the darkness, fell upon a large column of the enemy, dispersing it with machine gun fire and artillery, causing serious losses. "The rest of the front is without essential modification."

PETROGRAD, via Paris, Dec. 6.—(4:45 a. m.)—The following official communication has been issued:

"Furious combats continue to rage on the Lovicz front, notably in the Lodz region and routes from the west toward Piotrkow. "Fire from our machine guns and artillery caused great loss to the enemy. "There has been no essential modification of the situation on the remainder of the front."

For Winter Eggs

An Egg Mash Is a Necessity—Smith's Laying Mash, Makes Hens Lay.

Made from Cotton Seed Meal, Corn Meal, Wheat Bran and Wheat Shorts, Linsed Meal, Beef Scraps, Oyster Shells, Charcoal and ground rock Lime.

Put up in 50 lb. Sacks at \$1.25 per Sack.

Feed this mash dry and keep a supply of fresh water near.

We can furnish dry mash feeding hoppers properly made at 50 cents each.

Our laying Mash is properly blended as we make this up in lots of only one hundred pounds at a working and know it to be free of any adulteration.
