NEXT SUNDAY AFTERNOON WITH DR. ARCH CREE ON PROGRAM AT COURTHOUSE

Y. M. C. A. Plans to Have Splendid Speakers For the Series.

Announcement was made yesterday by Secretary Fred M. Burnett of the Young Men's Christian Association, that the first of a series of Sunday afternoon lectures for the people of Anderson will be given Sunday, and that Dr. Arch C. Cree, the enrollment secretary of the Home Mission Board of the Southern Baptist convention, will be the speaker.

In Court House. The lecture will be delivered in the court house at 3:30 o'clock, and the general public is cordially invited to attend. Dr. Cree is said to be the most effective speaker for men's meetings of any person in the Southern Baptist Convention. When Mr. Burnett was in Asheville last summer he inquired of a prominent Y. M. C. A. official as to who was the best speaker for men's meetings that he could secure. This official promptly replied Mr. Burnett states, that Dr. Cree stood at the head of the list.

Subject of Lecture. The management of the local Y. M. C. A. plans to have a dozen or more prominent lecturers here during the winter months. The meetings will be on the same order as those held last winter, and it is needless to say that the public generally will be deeply interested in them.

Dr. Cree's subject will be "The Tragedy of Sin, or Whose Fault is it if Men are Lost?"

At the Orr Mills auditorium Sunday afternoon at 3:30 o'clock the Hon. Joseph A. McCullough of Greenville will speak. This meeting will be under the auspices of the Y. M. C. A. also. Mr. McCullough was to have spoken at the Orr Mills several weeks ago, but on account of the inclement weather the engagement was called off. Mr. McCullough is one of the leading members of the Greenville bar and is a member of the Greenville county delegation to the general assembly. He is a forceful and magnetic speaker and those who go out to hear him will not be disappointed.

#### Deceased Children.

One of the saddest cases we have ever heard of happened between Belton and House Path this week, when three little children, two boys and one little girl, were given away or decided to other parties.

This family was in a destitute condition, on the verge of starvation and the parents took this step in order that their children would get the necessities of life. Just think for a moment of the sadness of this case. The poor little

children who have no voice in who shall be their master or parent, separated from father and mother, brother or sister. The story is terrible to say the least. In this Christian land of ours where we have plenty and yet these little children stated the day that they were given away that they had not had a square meal in four days.

Judging by the way people have been coming out of this store loaded with packages, you could not but note their smiling countenances--the kind of smile that speaks satisfaction--no evidence of hard times here. Money is being spent freely in contradiction of the much mooted low price of cotton. The many friends of Miss Grace Taylor will be glad to learn that she is rapidly improving from her recent illness.

### Here is Good News for Stomach Victims

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mays, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mays' Wonderful Stomach Remedy is now sold here

### NEGRO DECLARES HE WAS BEATEN BY MOB

LOCAL ATTORNEY MAKING INVESTIGATION OF UGLY MATTER

### TOWNVILLE CASE

Attorney States Constable Makes Unsatisfactory Explanation of It.

Whether or not a magistrate's constable willfully permitted a mob of men to take a negro prisoner from him and administer a severe and brutal beating to the negro, is a matter which a prominent attorney of the city is investigating, according to a statement made to The Intelligencer yesterday by the lawyer interested in the matter.

It will be recalled that early in the week a negro by the name of Will Blackwell was carried from this city to Townville, to stand trial before a magistrate in that settlement on a charge of interfering with an officer in the discharge of his duty. It was alleged that Will Blackwell and his brother, for whom a warrant had been issued, were engaged in digging a well at the time the constable set out to serve the warrant; that Will was managing the windlass while his brother was down in the well; that Will refused to draw his brother to the surface of the well in order that the warrant might be served upon him. This was the substance of the complaint against Will Blackwell.

When the constable, Will Kay, came to Anderson for the purpose of taking Blackwell back to Townville to stand trial on the charge of interfering with an officer, the lawyer objected to the negro being taken back. The lawyer's objections were based upon a report which had reached his ears to the effect that if the negro was taken back to Townville he would be dealt with by a mob.

The attorney stated yesterday that after considerable parleying with Kay and after the constable had promised that he would take the negro to Townville and bring him safe and sound back to Anderson the following day to stand his trial in this city, he consented for him to be taken back.

To make a long story short, the negro was not brought back on the day promised, stated the attorney. He then began an investigation of the matter, which resulted in his finding the constable and obtaining from him an unsatisfactory explanation of the effect that as he was taking his prisoner to the guard house at Townville

he was held up by a masked mob, who took the negro out of his custody and carried him off.

According to the attorney, the constable stated that he had no knowledge of what had become of the negro. A day or two after the reported beating of the negro, the attorney stated, Will Blackwell himself appeared in his office, in this city, and

presented an appearance of being more dead than alive. The attorney stated that the negro showed evidence of having been brutally beaten.

"I am not satisfied with the matter at all, declared the attorney yesterday, "and I am going to probe the matter to the bottom."
