FAIR PLAY FARMER IS SERIOUSLY STABBED

BY OSCAR BIRD A NEGRO FROM GEORGIA WHO WAS WANTED

CHANCES SLIGHT

Though Young Man Was Alive at 7 o'clock Last Night The Worst is Feared.

Julius Marett of Fair Play, Oconee County, the son of E. C. Marett of Westminster, was stabbed with a butcher knife and probably fatally injured by Oscar Bird, a negro, at Fair Play Thursday afternoon. Marett was alive at 7 o'clock last night, but little hope is held out for his recovery. The unfortunate affair occurred when Julius Marett went to a house to arrest the negro, who is wanted by the sheriff of Franklin County, Georgia, on charges of murder. The Georgia sheriff came to Fair Play and had Magistrate William T. McClure, a brother-in-law of Marett, to deputize the latter to go and arrest the negro, or induce him to return to Georgia with the officer of that State.

Stabbed in Breast. The Georgia officer remained at Marett's house while the latter went to arrest the negro. As Marett entered the house where the negro was he was snatched a knife from a table and plunged it into the breast of the officer, the blade of the instrument going several inches deep and severing the sixth rib. A telephone message was received by Dr. J. O. Sanders to come to Fair Play and attend the young man. Dr. Sanders was unable to make the trip but Dr. J. R. Young went in his stead, carrying with him Miss Janie Bryan, a trained nurse.

Looking For Bird. The entire lower section of Oconee County is greatly excited over the affair and several hundred men are searching for the negro who, it is reported, has escaped to Georgia. It is generally predicted that if the negro is caught violence will be done him. The Marett family is one of the largest and most prominent in Oconee County.

Description of Negro. Sheriff Ashley yesterday received a telegram from Sheriff John W. Davis of Oconee County, who was in Louisiana, Georgia, at the time of the affair, requesting him to be on the lookout for the negro, whose name is given as Oscar Bird. The telegram described the negro as being of light ginger cake color, about 23 years of age and weighing probably 165 pounds.

P. W. McCallum of the county was in the city yesterday for a short while.

GALAXY OF SPEAKERS TO APPEAR IN CITY

SOME OF MOST PROFOUND THINKERS AND GIFTED SPEAKERS TO TALK TO MEN HERE

UNUSUAL TREATS ARE TO BE HAD

Brilliant Lecturers Will Speak at Meetings For Men Arranged by Y. M. C. A.

The men of Anderson will be given the opportunity this winter of hearing some of the most prominent religious speakers in the United States, as a glance at the program for the Sunday afternoon men's meetings to be held in the court house under the auspices of the Young Men's Christian Association will show. Secretary Fred M. Burnett of the Y. M. C. A. yesterday announced the list of speakers he has secured for the men's meetings, and without doubt they are "top-notchers."

Dr. Arch C. Cree. The series will be opened tomorrow afternoon in the county court house by Dr. Arch C. Cree, the enlistment secretary of the Home Mission Board of the Southern Baptist Convention. The meeting will be held at 3:30 o'clock, and the men of the community are cordially invited to hear this well known and powerful speaker. Dr. Cree will speak on "The Tragedy of Sin, or Whose Fault is it if Men are Lost?"

Howard Lee Jones. Rev. Howard Lee Jones, D. D., formerly pastor of the Citadel Square Baptist church, of Charleston, but now president of Coker Female College at Haratville, has been secured for one Sunday in January, the date to be announced later. Dr. Jones needs no introduction to the people of Anderson. He is one of the most magnetic speakers and one of the most profound thinkers in the State.

Henry N. Snyder. No program would be complete without Dr. Henry N. Snyder, the gifted president of Wofford College, who has been secured for one Sunday in January, the exact date of his appearance to be announced later. Like Dr. Jones, Dr. Snyder is too well known to Anderson people to need any introduction in this connection. As an orator, a thinker and a scholar he is unsurpassed by anyone in this State.

P. E. Burroughs. Dr. P. E. Burroughs, of Nashville, Tenn., has been secured for an address in January. He is one of the most talented speakers in Tennessee, and in wide demand as a lecturer. He is bound to please the men of Anderson, and it goes without saying that he will be heard by a large audience.

W. B. Spillman. For the last Sunday in January Dr. W. B. Spillman, the secretary of the Sunday school board of the Southern Baptist Convention, has been secured. Dr. Spillman is one of the most illustrious figures in the Convention, and his reputation as a speaker of depth and brilliancy is well known throughout the South.

A Verifiable Feast. In Dr. S. D. Gordon, author of the well known "Quiet Talks" series, the Y. M. C. A. offers to the men of Anderson one of the most effective speakers that it is possible to secure in the United States. Dr. Gordon's "Quiet Talks" are too well known and appreciated here for any comment to be made upon them in this connection. But the best feature of this announcement is that Dr. Gordon will remain in Anderson for three days, and lecture twice daily in the various churches of the city, to the general public. Dr. Gordon will deliver his first address here on Sunday, February 7.

Dr. Charles Steltzle. Dr. Charles Steltzle, of New York, one of the foremost platform speakers in religious circles of the country, has been secured for one Sunday in February. It is likely that Dr. Steltzle will remain over for a few days for a few conferences with the people of Anderson.

W. L. Potat. The name "Potat" is one to charm with in Anderson. Dr. W. L. Potat, president of Wake Forest College, N. C., could be best introduced to an Anderson audience as a brother of the brilliant and versatile Dr. Edwin M. Potat, president of Furman University. The North Carolina Potat will speak here on Sunday, February 28. He is equally as good a speaker as his brother is at the head of Furman University. As a profound thinker, a scholar and a man after the Master's own heart, Dr. W. L. Potat is without a peer in the South.

An Ex-Governor. Everybody knows or has heard of "Bob" Glenn, ex-governor of the good old state of North Carolina. He has been secured for two addresses in Anderson on a Sunday in March, the date to be arranged later. He will speak in the afternoon to the men, in the court house. At night he will address a mass meeting of men and women of all denominations in one of the churches of the city. Ex-Governor Glenn is one of the most forceful speakers in the country and since leaving the office of governor of the Tar Heel state practically all of his time has been spent on the lecture platform.

Other Speakers. Even this brilliant array of speakers is not all the good things which the Y. M. C. A. has in store for the men of Anderson. There are other speakers who will address the men of the city during this winter, but of these the Y. M. C. A. will speak later.

Call Caucus to Discuss Program

(By Associated Press.)

WASHINGTON, Dec. 11.—Senator Kern today called a caucus of Democratic senators tomorrow afternoon to discuss the legislative program. The aim is to so frame the program that there may be no necessity for an extra session after March 4 next.

President Wilson has told administration leaders that he wishes the work of the sixty third congress completed when March 4 arrives and leaders in both houses are unanimous in their intention to avert another extra session.

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back Hurts or Bladder bothers.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acids of grapes and lemon juice, combined with lithia and has been used for generations to flush sluggish kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders. Jad Salts is inoffensive and cannot injure; make a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

BAIL FOR WHITLOCK SET IN SUM \$5,000

JUDGE MEMMINGER ACTED FAVORABLY ON HABEAS CORPUS PLEA

OTHER MATTERS

Jury Out in Case of Cleveland Against Southern Public Utilities Co.

Acting upon habeas corpus proceedings brought for the liberation from prison of S. H. Whitlock, the Pendleton policeman who is held on charges of having shot to death Charles W. Robertson on last Monday afternoon, Judge Memminger yesterday afternoon fixed bail for the imprisoned man in the sum of \$5,000.

Counsel for the accused man, Watkins and Prince, last night forwarded the bond to Pendleton for the signatures of various persons who will secure it. The papers will probably be returned to the city today, in which event Whitlock will be released. Solicitor Kurtz P. Smith argued the proceedings for the State. In their plea counsel for the imprisoned man presented a number of affidavits with reference to the tragedy, which tended to show that Whitlock was acting in self defense and was in every way entitled to bail.

Damage Suit On.

All of the morning session and practically the whole of the afternoon session was taken up with the trial of the case of Miss Jodie May Cleveland against the Southern Public Utilities Company. This is the case which was taken up late Thursday afternoon. When court recessed that night a jury had been drawn and the complaint and answer in the case read.

Upon the meeting of court yesterday morning the taking of testimony in the matter was begun. The plaintiff introduced the following witnesses: Dr. J. H. Hix, Mrs. D. J. Hix, Jodie May Cleveland, Mrs. Susan Stephens, Mrs. T. P. McKinney and J. W. Hilly. The defense put up witnesses as follows: Dr. J. Louis Gray, H. H. Russell, Gary Estes, W. N. Suttler, Alfred Fant, A. C. Kay, W. R. Sutherland, A. J. Hearst, J. B. McCown and P. D. Worley. The plaintiff is seeking \$5,000 damages as the result of the colliding of a street car with a vehicle in which she was riding, the accident occurring on South Main street on October 8, last.

Sealed Verdict.

The case was given to the jury yesterday afternoon about 4:30 o'clock, and after they had been out for several hours without reaching an agreement Judge Memminger instructed them to return a sealed verdict upon the meeting of court this morning.

Last Jury Case.

This was the last jury case for trial this week. The only other jury case scheduled for this week, that of McSwain versus the Machine and Foundry Co., will be heard on Monday.

SPLENDID BILL ALL OF NEXT WEEK

Palmetto Theatre Has Classy Troupe Booked For Entire Week.

All of next week promises to be a hummer at the Palmetto as the Gardner-Lawson Comedy Company is slated to appear at this popular theatre the entire week. There are seven real good looking girls in the company, also three men. The Augusta Chronicle has had several stories during the past week telling of the merits of this company. The following is a copy of article appearing in the Augusta Chronicle under date of the 10th. "For high-class, wholesome, enjoyable musical comedy by a small company of a dozen, 'The Blackbird,' as presented at the Bijou by the Gardner-Lawson Musical Comedy Company takes the cake for satisfactoriness. It is said by everyone who has been to the Bijou this week that the Gardner-Lawson bunch is the best yet. There are seven real good looking girls—and all of them can dance, laugh, grin, sing, act—and they all do so every minute of the hour they show at each performance. The men are also very good. The performance of the past week have been free from anything objectionable, and Manager Pinkston is making good his assertion that he would put on shows that would please everyone. The Cliff Watson Musical Comedy Co. that has furnished the amusement this week at the Palmetto, will be pleasantly remembered by the many that were fortunate enough to see the shows.
