subjects.

(By Associated Press.) WASHINGTON, Dec. 15.-Financial here today and met twice with the conditions throughout the United States have improved greatly in the last few months, according to reports to the federal reserve board today by some of the country's most prominent bankers. Credit conditions were said to be exceptionally good, reserve abundant and short-term money cheap.

The reports were made by members of the advisory council, the only body authorized by the reserve act to give advice to the reserve board. Such well known financiers as J. P. Morgan and J. B. Forgan are among members of the council. Their opinions on conditions over the country were re-ceived by the board as a most promising indication that business generally

Several weeks ago Supervisor Ritis had in mind the sending of the gang to Fock Mills, but later announced that he would send the forces to Fork township first, letting them go to Rock Mills after completing certain work in the Fork. Yesterday he stated that the original idea had been carried out, and the gang sent to Rock Mills. Mills.

In Rock Mills township several changes of roadways over hills are to be made. After these are made it is be made. After these are made it is probable that the gang will be sent to Fork. Chaingang No. 2 has something over a half-hundred members just at this time, and the force is daily enlarged. It is likely that by the first of the year, or soon thereafter, the county will have one of the biggest chaingangs in years. And with favorable weather, there is every reason to believe that some good road work will be done in the county.
