INVESTIGATION OF WHITMAN MURDER

Sensational Reports Continue to Circulate in Greenwood. Hackmen Questioned.

GREENWOOD, Dec. 17.—A private investigation into the murder of J. C. Whitman was held Wednesday morning in T. F. McCord's office by Coroner Dock Owen, T. F. McCord representing the State, W. H. Leaman, foreman of the coroner's jury, and Mr. W. J. Snead, foreman of the grand jury. The hearing had been announced to take place at 10:30 at the court house, but it was later decided to exclude the public and hear additional testimony behind closed doors. All of the evidence, as at the last investigation, was taken down by a stenographer. This being true, all that is reported here is necessarily "hearsay evidence," but the statements made are based on what was heard outside the closed doors.

One of the most sensational reports of the day is to the effect that one of the witnesses examined has stated that he saw Jesse Clem and a man wearing a white sweater up town Saturday night about 7:30 o'clock. He saw the two soon afterward near the P. & N. lunch stand, where Clem is said to have told Bob Cozee: "You didn't think I would come back with him, but you see I have brought him." This witness, it is reported, has said further that he heard the men, there were five in the crowd, talking about hiring a hack, but decided to "go down the railroad where it wasn't so muddy." The last he saw of them they were going towards the Seaboard station from the lunch stand.

About Burning Clothing
Another report, which may or may not have been told at today's investigation, has it that Jess Clem's father declares he burned some rags in the grate at his home early Saturday night. This is said to have been a few minutes after he had gone home with Bob Reed. Mr. Clem is said to have gotten sick from drinking too much liquor. Reed said this morning that he went home with the elder Clem Saturday night and remained at Clem's home about 10 or 15 minutes. He passed Jess Clem as he (Reed) went out of the house.

Saw Men in Woods Monday.
That two white men were seen in the woods near the scene of the crime Monday morning before the report of finding the dead body had been made is another report today. It is claimed that the two men hid in the woods until after the officers arrived and then, by a circuitous route, came up and joined the crowd that gathered around Whitman's body.

Many Hackmen Called.
Several colored hackmen were called to testify before the private investigation today, the supposition being that the coroner is working on the theory that Whitman may have been murdered and then taken to the woods. The hackmen were not disposed to say much about the case before called in to give their testimony.

It is presumed that the evidence will be sifted down after the hearing today and only the important witnesses will be bound over. All of the witnesses who were here at the last hearing were present at the court house this morning.

WOMAN DIES IN FIRE

Mrs. Elizabeth Huggins Loses Life in Flames.

ORANBERG, Dec. 17.—Mrs. Elizabeth Huggins was found dead this morning about 5 o'clock at the home of her son, J. T. Huggins, having been burned to death. The body was found lying under the house directly beneath her room, where she had fallen through a hole which was burned in the floor. Both hands and both feet were burned off and the body charred. The fire was still burning when members of the family went to the room.

Mrs. Huggins was 72 years of age and had been in failing health for some time. Members of her family would visit her room at times during each night to see how she was getting on. She would at times get up during the night and rest in a chair. Her son was in her room at 3 o'clock and Mrs. Huggins was then in bed. It is thought that Mrs. Huggins got up after that hour and rested in a chair and was smoking and she smoked a pipe at times. The doctor thought she was stricken unconscious while smoking and that the fire started from the sparks of the falling pipe.

The coroner viewed the body and after taking all circumstances into consideration he decided that her death came as a result of accidental fire. The funeral services were held this afternoon, burial taking place at Sunnyside cemetery.

ELECTRIC CITY SPARKLETS

Items of Interest and Personal Mention Caught Over the Wireless on the Streets of Anderson

Alleged Gun-Man Has Given Bond.
Sam Wessinger, who is charged by J. R. Eichey with having pointed a gun at him, was arrested yesterday morning. Wessinger immediately gave bond before Magistrate W. C. Broadwell, and will be given a preliminary next Tuesday. The offense with which Wessinger is charged cannot be tried by a magistrate, therefore unless the matter is dismissed, the defendant will have to stand trial in court of general sessions. It will be recalled that Eichey alleged that Wessinger came upon him while he was peddling farm produce at the Riverside mill and drew a shot gun on him and made certain threats.

School Trustees Held Meeting.
The board of trustees of the city schools held a special meeting yesterday afternoon at 4 o'clock in the office of Superintendent E. C. McCants for the purpose of considering some matters pertaining to school insurance. It is understood that nothing of interest to the general public transpired.

Touching Up New Office of Clerk.
Painters have been busy for the past day or two improving the appearance of the new quarters of Clerk of Court James N. Penman. The walls are being kalsomined and the woodwork repainted. Similar improvements will be made in the new quarters of the sheriff.

Alleged Pistol Man Is Under Arrest.
Clifford Hawthorne, colored, who is charged with carrying concealed weapons, and who was arrested Thursday by Deputy Jim Williams, will be given a preliminary hearing this morning at 10 o'clock by Magistrate W. C. Broadwell. It will be remembered that Hawthorne is the negro who is charged with having drawn a pistol on a white man by the name of H. E. Strickland, below the Orr mills, on Thursday, and threatening to kill him if he did not that day pay for some milk which Strickland had purchased from his mother. Charges of pointing a pistol will not be preferred against the negro, as this constitutes a circuit court case, and it is the wish of the prosecuting witness to have the matter disposed of immediately in the magistrate's court.

Council will discuss also the matter of holding a bond election at the same time the people are asked to vote on the question of approving the constitutional amendment. Other matters of a minor nature will probably come before the meeting.

The following self-explanatory notice was given out yesterday by Manager A. M. Pinkston of the Palmetto theatre: "Owing to certain abuses of passes issued by the Palmetto theatre, it is hereby announced that passes presented for admission by any one other than to whom it was originally issued, will be taken up at the door and the regular admission charged the holder of such pass. This action is made necessary by the abuse of passes by lending them to friends of the holders." Mr. Pinkston went on to state that if a married man holds a pass his wife can not use it unless it is so stated on the pass.

WILL CONTINUE UNINVOLVED

U. S. WILL MAKE NO REPRESENTATIONS TO GERMAN CONCERNING RAID

DETERMINED NOT TO ENTERFERE

Government Desires to Keep Out of Controversies, Feeling Protests Would Be Fruitless.

WASHINGTON, Dec. 18.—Determined that the United States shall continue uninvolved in the controversies that have arisen between European belligerents over alleged violations of The Hague conventions, President Wilson and Secretary Bryan will make no representations to Germany concerning the German naval raid on the English coast.

Suggestions from the British press that the United States should protest to Germany against the alleged infraction of an article of The Hague conventions which prohibits naval bombardment of "undefended towns" has met with no response from Washington. No formal communication has come from Great Britain, but suggestions in the press developed an informal discussion among high officials here as to the American government's course, after which the President and Secretary Bryan renewed their determination not to interfere.

The fact that German officials have already taken issue with the British contention that the English coast towns bombarded were undefended has emphasized to officials here the controversial nature of the case. While the attitude of the Washington government is chiefly due to a desire to keep from entanglement in the war's controversies, its course also has been influenced largely by the feeling that during the conflict protests from even neutral powers are of little avail, though they will be taken into full account when a final reckoning is made at the conference of powers to discuss peace terms.

Live up your sluggish liver! Feel fine and cheerful, make your work a pleasure; be vigorous and full of ambition. But take no more, dangerous calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the liver. Calomel erodes into your bile ducts, dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the most appetizing liver and bowel cleansing ever experienced, just take a spoonful of harmless Dodson's Liver

Tonic tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick. Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular. Dodson's Liver Tonic is entirely vegetable, therefore harmless and can not silitate. Give it to your children. Millions of people are gaining Dodson's Liver Tonic instead of dangerous calomel now. Your druggist will tell you the sale of Calomel is almost stopped entirely here.
