Notice to The

TRADING PUBLIC.

Commencing on Tuesday, Oct. 10th at 7 a. m. I will begin a 20 days sale at my store at the H. L. Huckabee old stand near Catechee. This sale is no fake to get off hand stock for every thing in my store is brand new. I opened up in Feb. last and bought everything new. It is a known fact that I have sold more goods since I opened up than any merchant in Pickens County considering the size of my stock.

Why did I do this? Simply because I guaranteed everything I sold and sold it as cheap as I could to live and let live.

Again I guarantee every pound that goes out of my store to contain 16 oz. and every yard 3 feet, every can of stuff to be pure or your money back.

My motto: "Treat everybody right in a business like manner full weight, full measure, satisfaction guaranteed."

I will quote only a few prices that will move the goods from my shelves during this sale, 14lbs granulated Sugar to the dollar.

Sugar has advanced and you will not find this price in many stores.

5 lbs very best coffee either green or parched to the dollar. Try this coffee and if you don't say it is good and will make oath before a Notary Public that it is not I will give you 5 lbs free.

I have another grade of coffee 6 lbs to the dollar. This is a very good coffee and if you don't believe it ask Lando Mauldin or Dave Hall of Catechee both of whom are coffee experts.

I handle the "Blue Ribbon" flour. Every sack guaranteed or bring it back and get your money. I can make a price on it that will make the other fellow close his doors if you will compare the grade of goods. I handle all kinds of staple and fancy groceries.

The best meat of any merchant in my section. Try it and see.

Now in regard to dry goods: I will sell dress goods during this sale from 5c to 50c that has sold heretofore from 6c to 75c.

I have ready made suits for boys at a price never heard of before. The best stuff you ever saw for the money. I have odd pants for men from \$1.50 to \$4.50. The knife will be put to these prices during this sale.

I have shoes to fit anything from an infant to a man or woman 105 years old and socks and stockings to match the same. During this sale the prices shall not stand in the way if you want shoes. Bring the whole family and let me fit them up and save you enough to carry the old woman a new dress home.

I carry a full line of gents furnishing goods and very near everything needed by the female class.

Now come one, come all and let me show you what I have during this sale if we don't trade it will give me pleasure to shake your paw and ask about the babies.

During this sale any one trading to the amount of five dollars will be given a present free, a pair of lady shoes if you are married.

To the one trading to the amount of ten dollars, a better present, to fifteen dollars a still better one and twenty-five dollars a pair of \$2.50 pants free.

To the first one at my store on the morning of the opening and trading to the amount of five dollars I will give an extra present besides the one above mentioned. So you see it behooves everybody to try for these two presents.

Bear in mind the date Oct. 10th at 7 a. m. Strictly a cash sale, no goods charged but every thing sold guaranteed.

Yours for Business,
