

Some Thanksgiving Thoughts.

In accordance with a long-established custom and by virtue of law, both national and state, the last Thursday in November in each year has been set apart to be observed as a day of Thanksgiving to Almighty God. Some weeks previous to this day the president of the United States issues a proclamation, and the governors of each state do likewise, calling upon the people to gather in their respective places of worship and render thanksgiving and praise to the giver of every good and perfect gift. Few people observe this as it should be and as it is intended to be. Instead of making it a day of praise, thanksgiving and joy, it is usually spent in frivolity, sport and pleasure. Deep humility of soul and a devout feeling of dependence upon God should characterize each life on this day.

The people of Pickens county have abundant reason to enter joyfully and heartily upon this day for the material, personal and spiritual blessings which have been bestowed upon them during the past twelve months. There have been no serious disasters or calamities; no pestilence or epidemics; no disastrous losses or reverses. Good health has been prevalent among them; the year has been fruitful; large crops have been made and harvested; the country is at peace and the churches have had large gatherings. What more could we want to make us happy and joyful and thankful?

But while many of us enjoy all these great blessings, there are some who have not been so favored. God, in His wisdom, has seen fit to make some poorer and poorer; some have been bereft of parental love and have been cast upon the cold charities of the world; some, in His all-wise providence, have been called upon to suffer and endure hardships and afflictions, yet these can rejoice and be thankful for privileges and blessings we know not of.

One way this day can be made a blessing to each one of us is by doing something to help and bless someone else. There are the poor in the almshouses, the orphans in the orphanages, and all over the land there are those who need our sympathy and prayers and substantial help. Show them by some kind act, or friendly word, that you feel an interest in them. Prove your sincerity by doing something.

Have you given anything to the poor and needy this year? If not, to-day as you sit down to partake of your Thanksgiving feast, remember that there are hundreds of boys and girls in the orphanages, and hundreds of orphans who would enjoy your privileges for a day. If you do not attend a church service to-day, and do not have the opportunity to contribute something for these dependent and needy ones, will you not hand the pastor or treasurer of your church an offering for them?

Giving to the poor we are told is lending to the Lord, and if we lend to Him, we may be sure of being repaid with good measure, heaped up, shaken together and running over. Giving from pure motives and to a good cause always brings blessings, and many times four-fold, for we are told if we give it shall be given unto us in good measure and in such abundance that there shall not be room to receive it. Do you believe it? If not, try it. Begin to-day and make a generous, hilarious gift for one of the orphanages, and see how much better you will feel and what a joy it will bring to you.

"Praise the Lord of hosts: for the Lord is good; for His mercy endureth forever."
"Cast thy bread upon the waters: for thou shalt find it after many days."

Mitchell "30" 5 Passengers \$1,350.

The Wonderful Record Made by the

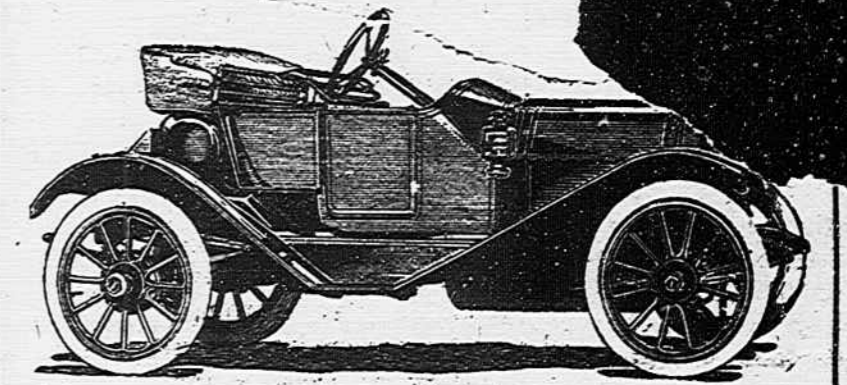

Mitchell

AUTOMOBILE IN THE GLIDDEN TOUR.

You have probably heard a lot of talk about the wonderful record of the Maxwell cars in the Glidden Tour which was recently run from New York to Jacksonville, Fla. The facts of the matter are that all Maxwell cars that made any record at all were driven by professionals with factory mechanics. They were all specially prepared for this trip and in fact went through a rigid course of training prior to the start of the Glidden Tour.

The Mitchell was the only car that had the distinction of winning first in two classes. The Mitchell 4-4 in division No. 2 from \$801 to \$1200 inclusively won first. Division No. 5 car from \$2001 to \$3000 was won by L. C. Brown in No. 19 Mitchell. It was the only car in its class that came through with a perfect score. Dr. L. C. Brown, of Athens, Ga., who drove the No. 19 Mitchell which was a 5 passenger Six with 3 1/2 x 5 cylinders, is an amateur. He never saw his car till two days before the run started in New York. It was delivered to him in New York by our New York Branch and when you think that he had no mechanic and that he was absolutely an amateur driver and brought the car through with a clean score, the only one in his class, it reflects some credit on Dr. Brown and a whole lot on the Mitchell. Mitchell No. 26 which won in division No. 2 was also driven by an amateur driver with no mechanic. Taking it all in all the performance of the Mitchell in the Glidden Tour was the most wonderful of any of those among the entrants.

We have a stock of these Automobiles on hand and will be glad to call and see them and let us give you a demonstration. What the MITCHELL is.

Mitchell "25" 2 Passengers, \$1,000.

"The Car You Ought to Have at the Price You Ought to Pay."

Silent as the Foot of Time.

Folger, Thornley & Co.

Clothing, Shoes, Hats and Gents' Furnishing Goods a Specialty.

Fall Plowing

Fall plowing time is here and we want to call your attention to Wm. J. Oliver Turn Plow on the market to-day. To prove this—ask any owner. We sold 50 of these plows last season and only had one broken frog returned. The frog is easiest part about a turn plow to get broken and we guarantee every one of the Wm. J. Oliver Plows.

Stalk Cutters

We have got the best thing yet in a stalk cutter. The new feature about them is arrangement of the cutter part on springs which, when striking a solid substance, enables the blades to give. This is an important feature about this machine, and will have to be seen to be appreciated.

Stoves and Ranges

We carry a full line of these articles. The "ORK" Range is as good as can be found. We also want special attention to the "Odessa" Cost Range in our window. This is a beauty.

Come in and see us. We carry a full line of Groceries and Hardware of the better quality and will treat you right.

Pickens Hdw. & Gro. Co.
