Mrs. H. B. Hendricks, who has been quite ill with grip is better.

Next Monday is Salesday and there is some valuable real estate to go on the block.

The mock trial at the School Auditorium Friday night promises to be one of the best entertainments of the season.

If you want to have a good laugh and enjoy yourself, go out to the mock trial next Friday night, Dec. 1st and hear Smythe vs. Smith.

The year 1912 is the last year in which crosses of honor will be bestowed on veterans and descendants of veterans. Get your application blanks from Mrs. T. J. Mauldin and have them ready for January 19th.

A brass band has been organized here with Messrs. Sam Christopher and T. R. Allen managers. We are glad to have it, and are sure it is a welcome addition to the progressiveness of our town.

Death of John E. Holden.

Mr. John E. Holden died at his home on Keowee river on the 21st inst. of a complication of diseases.

He was one of the most substantial and prominent citizens of the county, and will be missed by a wide circle of friends.

He was in his 63d year and leaves a widow and children. He was a prominent member of the Methodist church and was also a Mason.

His remains were buried at Old Pickens the day following his death.

Mr. J. B. Rigdon Dead.

Mr. J. B. Rigdon died at his home near Pleasant Grove church last Sunday morning, and his remains were interred in the cemetery at Olenoy the day following his death. He had been in failing health for several months but bore his sickness with patience and resignation.

He was 73 years old and leaves a widow and several children besides a large circle of friends to mourn his death.

Truly, a good citizen, a loyal Christian and a brave Confederate soldier has been called to his reward.

The Six Mile Baptist Academy.

From the report of the Woman's Missionary Union at Anderson, as given by the Daily Mail, we take the following:

At the Wednesday afternoon session one of the delegates from Pickens gave a short written report of Six Mile mountain school located six miles from Norris, S. C. This school was founded in 1910 for the education of the boys and girls of the mountainous districts of Pickens, and Oconee and the northern portion of Anderson county. The plot on which the school is located consists of 10 acres of the most beautiful land in South Carolina, donated by the Presbyterian and Methodist families to the Home Board of the Southern Baptist Convention, as the people of that vicinity are generally Baptists. The grounds are valued at \$2,000, and one building has been completed at a cost of \$8,000. At the first session 100 boys and girls were in attendance. The great need at present is for dormitories, one now being in construction for the girls. The convention was asked to take this new institution under its special care and try to get the local societies over the state to help in the equipment of the dormitory now in construction at Six Mile.

A collection amounting to \$90 was taken for Six Mile school located in the mountainous districts contiguous to Pickens, Oconee and Anderson counties.

Mrs. Mame Tillman, of Edgefield, in an appropriate speech presented to the retiring officers, Mrs. I. W. Wingo and Mrs. A. L. Crutchfield, beautiful bouquets of carnations from the convention, and \$10 from the western division for the girl's dormitory at Six Mile in the name of the retiring president, Mrs. Wingo.

Mr. W. I. Gravely has a cow which is the mother of twin calves.

Mr. R. E. Boggs of Spartanburg was in the city last Saturday on business.

The Sentinel went to press one day earlier this week on account of Thanksgiving.

Mr. Jas. W. Earle is improving and remodeling his dwelling one mile north of town.

Married on the 22nd inst. by Judge J. B. Newberry Mr. Wave Hester and Miss Viola Bentley.

Mr. Albert Babb sustained a very serious injury one day last week by falling over a chair and breaking four of his ribs.

Miss Vesta Ashmore left last Saturday for Charleston where she will spend Thanksgiving week as the guest of Mrs. G. S. Legare.

Married last Sunday, the 26th inst. at the residence of the officiating officer Judge Newberry, Miss Ermie Bryant and Mr. Thomas Black.

Mr. J. J. Lewis who last fall moved from this county and located near Williamston, S. C. was on a visit to relatives in and around Pickens the first of this week.

Dr. A. E. Brown of Ashville, N. C. was in town last Friday. He is superintendent of the Mountain Mission Schools and was on his way to visit the Academy at Six Mile.

Mr. S. B. Craig has been appointed by Gov. Blease as a delegate to the good roads convention to be held in Washington, D. C. next week. He will leave here about the 8th of Dec.

Ex Sheriff McDaniel has the sincere sympathy of his many friends in the serious illness of his wife. Mrs. McDaniel has been quite sick for several weeks and very little hope is entertained for her recovery.

If you have never heard a trial in court, you may hear one at the school house on Friday night. The shrewd lawyers and conscientious Judge with all the other officers will be there. The case is Smythe vs. Smith.

Mr. Walter Mitchell has purchased the interest of Mr. S. B. Craig in the Keowee Supply Co. and will take charge December 1. Mr. Mitchell has moved his family to town and occupy the Farr house on Hampton Avenue.

The Sunbeams and Royal Ambassadors each will hold an open meeting at the Baptist church next Sunday evening, beginning at seven o'clock. They expect to take a collection to help raise their Christmas offering. All are invited.

There will be Thanksgiving services at the Baptist church Wednesday night, conducted by the pastor. The public is cordially invited to attend and participate. The orphans will be remembered with an offering.

Hon. T. J. Mauldin left Tuesday to attend the annual conference of the Methodist Episcopal church, South, which meets at Bennettsville this week. Rev. G. F. Kirby, pastor of the church at this place could not attend on account of some very pressing duties here.

Lillian, the sweet little 2 year child of Mr. and Mrs. James B. Graig, died last Thursday evening from an attack of meningitis. The funeral was held from the home on Catherine street and the remains interred in the town cemetery. Many friends sympathize with them in this sad hour of their deep sorrow.

Rev. Mr. Gillespie preached at the Presbyterian church last Sunday afternoon. He is pastor of the Presbyterian church at Yorkville, but at present is engaged trying to raise an endowment fund of \$200,000 for the colleges of his denomination in the State. The church at this place has been asked for \$600 to help him and it will be given.

The resignation of Dr. Williams of the Presbyterian church has been announced. It is hoped he will return soon.

Sunday School Convention.

The fourth annual Sunday School Convention of Pickens County will be held in the Presbyterian church at Liberty December 6th next.

A program of great interest has been prepared which include very live topics for serious thought.

During the morning session addresses will be made by Prof. J. M. Hancock, Rev. I. E. Wallace, Miss Grace Vandiver and others. The afternoon will be devoted to round table talks and an elementary conference. At the evening session addresses will be made, Rev. W. H. K. Pendleton and Ex. Gov. M. F. Ansel.

In the afternoon, at 5 o'clock, the men of Pickens county will have a demonstration at Liberty. In connection with the Pickens County Sunday School Convention held that day the christian men of the county are going to march through the streets of the town as a witness to Christ and the study of His word. Those saw the splendid parade of 1300 men of the State Convention at Spartanburg last March realize what it means to see christian men in line; standing a solid phalau against evil. In San Francisco 10,000 men marched through the streets of that great city, each carrying a Bible in his hand.

Pickens County is the first county in the State to hold such a demonstration, and we want it to be a credit to the country.

Let every minister, every layman, every christian man that can possibly be in Liberty on the 6th be there to add one more to this great parade. It is going to be a remarkable demonstration—do not miss it—come and bring some man with you. Entertainment will be provided for all that come. If you are a teacher come. If you are a member of a B ble Class come. If you are a christian come. Let us make it the biggest thing of its kind ever seen in the county.

Each Sunday School in Pickens county is entitled to send two delegates, and in appointing delegates be sure and appoint those who will attend.

Each Sunday School will please take up a collection and send it by their delegate to pay our county expenses.

Every pastor in Pickens county is urged to be present and all who do so will be official delegates. Generally speaking pastors get 85 per cent, of their church members from the Sunday School and 15 per cent from all other sources. Should they not give more attention to this most prolific field?

Homes will be provided for all delegates who will notify Albert F. Riser, Liberty, S. C.

Let us all work and pray that this may be the best meeting we have ever had.

A Man Bird.

Through the untiring efforts of the Greenville News arrangements have been made for a demonstration of the activity of air ships in Greenville today (Thursday). James J. Ward, an expert navigator of the air and clouds, has been secured and in his aeroplane will make three flights in Greenville Thanksgiving day and for the two days following.

The railroads have made reduced rates for the occasion and those who visit Greenville Thursday will witness some wonderful feats in air navigation.

Stores Will Close.

On account of this being Thanksgiving Day all the stores, banks and other places of business will be closed. Let everybody take notice of this and govern themselves accordingly. Do not come to town to-day (Thursday) expecting to do business.

For The Monument Fund.

In this column from week to week will be published the names of contributors and the amount contributed for a Confederate monument at Pickens Court House, the size, kind and other details to be decided later. Previously acknowledged: \$5.00 Sam B. Craig, 5.00 H. E. Sutherland, 5.00 Total, \$15.00

Who'll be the next? Not a cent was received last week for this fund. Where is the civility and patriotism of Pickens county people? Come on men, and let us do something worthy of our sires.

Never use Dr. Miles' Anti-Pain Pills for headache? Better start now!
