## 90% ARE SUFFERING

And Are Doing Nothing to Avoid the Serious Results That Will Follow

### NUXCARA WILL GIVE RELIEF

It has been estimated that 90 per cent of the people of this country are suffering from indigestion, in a more or less serious form. The worst feature of it is that the majority of these are not doing anything to stop it. Every day that this goes on means an additional weakening of some vital organ, for there is practically no fatal disease that does not start originally from some form of indigestion.

If you have heart-burn, sick headache, languor, sour stomach, nausea, giddiness, bad breath, melancholy, sleeplessness, impatience or nervousness, it's safe to say that you are afflicted with indigestion. Don't delay until you are seriously ill. Cure yourself and eliminate the doctor bill. If you wish to avoid trouble quickly and cheaply, take a bottle of Nuxcara which has afforded relief to hundreds. We will be glad to send you some of our numerous testimonials from grateful people. Write for Nuxcara to the Nuxcara Co., Atlanta, Ga., or get it at

- you can smoke it as long and as hard as you like without any comeback but real tobacco happiness!

On the reverse side of every Prince Albert package you will read: "PROCESS PATENTED JULY 30TH, 1907"

That means to you a lot of tobacco enjoyment. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

## PRINCE ALBERT

the national joy smoke

YOU'LL find a cheery howdy-do on top no matter how much of a stranger you are in the neck of the woods you drop into. For Prince Albert is right there—at the first place you pass that sells tobacco! The lippy red box sells for a nickel and the tidy red tin for a dime; then there's the handsome pound and half-pound tin humidors and the pound crystal-glass humidors with sponge-moistener that keeps the tobacco in such a "bawdy" way all the time!

in goodness and in pipe satisfaction is all we or its enthusiastic friends ever claimed for it!

It answers every smoke desire you or any other man ever had! It is so cool and fragrant and appealing to your smokeappetite that you will get chummy with it in a mighty short time!

Will you invest 5c or 10c to prove out our say-so on the national joy smoke?

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

This is the reverse side of the Prince Albert tidy red tin. Read this "Patented Process" message-to-you and realize what it means in making Prince Albert so much to your liking.
