ACID IRON MINERAL, ALL DRUGGISTS HAVE IT

"I found such quick relief from taking Acid Iron Mineral (natural iron) for rheumatism, and chronic indigestion I want to urge more people to take iron instead of other remedies when needing a tonic and something that will build them up," said J. C. Shelton, of Roanoke, Va.

"I was weak, had a sour stomach, bad appetite, and suffered most all the time. I needed a tonic badly, and when I started taking Acid Iron Mineral I found the remedy I needed," continued Mr. Shelton, who lives at 502 12th st., N. W.

Acid Iron Mineral is highly concentrated medicinal iron testing over 10 degrees specific gravity and a few drops in a glass of water makes an unexcelled medicine for the blood, digestion, and appetite. It is sold by druggists in six and twelve ounce bottles under the Ferridine Chemical Corp. trademark, which guarantees strength and efficiency. Be sure you get the genuine. Get a bottle. It is cheaper, stronger and better for you.
