

Regulating Sale of Flour

The United States Food Administrator has made the following rulings concerning selling flour with substitutes:

No merchant is permitted to sell more than 100 pounds of flour to a family, and in order to get this amount the family must reside in a rural district of the county and must present to the merchant a certificate of his miller, stating that he has had 100 pounds of corn meal ground at his mill. The merchant will file this certificate and at the end of each month mail all of the certificates to my office at Pickens, S. C.

Merchants must not sell over fifty pounds of flour to the people living in towns and must sell an equal amount of substitutes with the sale.

Sugar may be sold to people living in the rural districts in ten pound lots. People in towns are only allowed five pounds.

Merchants are called upon to report all customers who buy of them fifty or one hundred pounds of flour, if this same customer goes to some other merchant and secures more.

I have appointed the following members of the United States Food Advisory Board for Pickens county: J. F. Williams, Catechee; T. R. Allen, Pickens; B. Lewis, Easley; Norman B. Williams, Dacusville; W. B. Glenn, Liberty; C. C. Burroughs, Norris; H. E. Seaborn, Central; John Smith, Calhoun; D. C. Mann, Pickens; R. F. D. 2; S. B. Edens, Pickens-R. F. D. 4.

The above gentlemen will give you such information as you will need concerning the orders of the administration.

I call upon all ministers, school teachers, and women and merchants of Pickens county to assist me in carrying out this work as laid down by our government.

SAM B. CRAIG,
Food Administrator for Pickens Co.

Corn Millers, Attention

All persons owning or operating corn mills in Pickens county should at once send me their names and addresses so that I may promptly supply them with necessary certificates to fill out and give customers who have corn ground.

SAM B. CRAIG, Pickens, Co. Food Administrator.

Does This Affect You?

If you are unmarried and your income is \$1,000 or more a year, or if you are married and your income is \$2,000 or more a year, you should make income tax returns. The following letter, which is self-explanatory, may interest you:

EDITOR THE SENTINEL:—Please announce in your most valuable paper, that I will be in Pickens on Thursday and Friday, the 14th and 15th instant, for the purpose of assisting in taking returns.

Please impress on the people that it is very important that these returns be made, and if a man is uncertain as to whether he is taxable or not, he had better see me when I am there, as this will very likely be the last opportunity for consultation and assistance in making the returns.

After the time expires for the making of returns, the government will investigate the incomes of citizens failing to make returns, and in case they are found liable to tax, there will be a heavy fine, besides a large additional tax to be paid.

The government has many ways, unknown to the average citizen, of finding out the income of people, and those who fail or refuse to make returns will be punished.

Yours very truly,
S. B. JONES,
Income Tax Inspector.

Good Negro Woman

These lines are dedicated to the memory of Mary E. Mansel, wife of Frank Mansel, colored, who died at her home near Dacusville on December 19, 1917. "Aunt Mary," as she was called by those who knew her best, had been in failing health for several months, and was confined to her bed for some time before her death. She belonged to a type that is fast passing away—the antebellum negro—and she showed in all her walks of life that she had been well reared and trained. The white people of the entire community were all her friends, and during her lingering illness they never forgot to call regularly and inquire after her condition, or offer to lend a helping hand if needed. She and her husband, by their energy and thrift, had acquired a good farm and were an example of thrift worth following—always making a splendid living and having something to spare to sell the year round. The interment was at the Shod Creek cemetery, in the presence of many, both white and black, who assembled to attend the last sad rites over one who had the respect of all who knew her.

ONE WHO KNEW HER.

Mrs. Emily Williams

Mrs. Emily Williams, wife of Jerry Williams, died Sunday afternoon, February 11, after an illness of several weeks at their home between Liberty and Easley.

She was a member of Smith's Grove church and her body was laid to rest in the cemetery at that place Monday afternoon after funeral services by Rev. D. W. Holt. She is survived by her husband and one daughter, Mrs. Artie Brown, also one sister, Mrs. Mary Hinton, and a brother, Elihu Smith.
