PICKENS CHAPTER RED CROSS NOTES

A new shipment of wool has just been received by the Red Cross chapter here and those who desire to knit either socks or sweaters will be able to get the wool at the Red Cross rooms over Keowee Bank. On Tuesdays and Thursdays the rooms are open from 3 p. m. 'til 6 p. m. and someone will be there on the e days to let the wool out. At any other time the ones who desire wool can see Mrs. T. J. Mauldin, chairman of knitting at her home. A sample pair of socks was also sent and directions for knitting sweaters.

On Tuesday and Thursday afternoons as many ladies as can possibly do so are requested to come to the Red Cross rooms and help with the surgical dressings. We have an order now for okum pads and will begin on them this week. It is not necessary to have taken the course in surgical dressing to be able to help now, so don't stay away on this account.

The finished pajamas are beginning to come in and the ladies who have not finished their's are requested to have them in by the middle of next week as we want this shipment to go in this month with our February shipment.
