He was accompanied by his wife and three children and they are occupying the parsonage. We join with others in extending to them a hearty welcome.

D. A. R. AT LIBERTY.

The April meeting of the Fort Prince George Chapter was a delightfully instructive one, held at the hospitable home of Mrs. A. L. Johnson in Liberty, with Mrs. J. F. Banister and Mrs. Wade C. O'Dell as joint hostesses.

The cordial reciprocity of feeling which has always existed between the ladies of Liberty and Pickens has been decidedly promoted by the organization of this patriotic society, for they have united in an effort to preserve the history of Pickens county in its earlier days, and to form a chapter of which any community would be proud.

After a short business session, the study of the life and times of Gen. Francis Marion was entered upon. No more picturesque character has ever adorned the pages of any history than that of the "Swamp Fox," and Mrs. Wayne Mauldin, in an excellently prepared paper, gave a vivid account of the life of this partisan hero. Mrs. Laura Alexander read Glimore Simms' "Swamp Fox" in a most effective manner. Mrs. T. J.

Rev. Dean Crain, a mountain school product, and one of the leading Baptist ministers of the state, preached the baccalaureate sermon Wednesday evening. The declamation contest was held in the auditorium Thursday night.

The past session was said to have been the best of any previous year. More than 200 students have been enrolled, among them more than 70 boarding students. Nine ministeral students were in the academy the past session. The school has had only an eight months session in the past but it has been proposed to make it nine months for next session.

Eight teachers have been elected for the next session as follows: F. S. Childress, principal; Miss Viola Trogdon, Mathematics, Science Miss Maude McDaniel, Latin; Miss Annie Pearl Shirley, English and Expression; Miss Flora Mae Hood, History; Prof. B. R. Childress, Intermediate Dept.; Miss Ollie Mae Durham, Primary Dept.; Mrs. S. L. Griffin, Primary Dept. The music teacher has not yet been selected.

The main building which was burned in 1919 has been replaced by a modern two-story brick building containing seven class rooms, a study hall and principal's office on the first floor and a large auditorium and two class rooms on the second floor. Although this building is not quite finished, the closing exercises were held in it and the people seem to be pleased with the progress that the school is making. The next session will open August 31, 1921.

Easley Progress.

Capt. Elias Day was carried to the Greenville City Hospital Monday morning in a critical condition as the result of injuries received Friday night when he was run into by a bicycle ridden by Holbert Pickens, sixteen-year-old son of Mr. W. L. Pickens. The accident occurred about 8 o'clock Friday night on the side walk just in front of the home of W. D. Spearman. Mr. Day was going to his home and Holbert Pickens was riding toward town. Both were on the sidewalk. Mr. Day was evidently tripped and his head struck the pavement with force, breaking his nose and badly bruising his head. His left arm was also broken. Medical aid was summoned and he was carried to his home in an unconscious condition. Since that time he has shown little improvement and was carried to the Greenville hospital Monday morning. Mr. Day is a confederate veteran nd is 76 years old, and is one of the best known men in this county.

At this time Mr. Day's oldest son, Dr. R. B. Day, is critically ill in the Chick Springs hospital and little hope is entertained for his recovery.

Mrs. Day has just returned from the Greenville hospital where she underwent a serious operation.

The many friends of this family will regret to learn of their misfortunes and wish for each member a speedy return to health.
