Soon Felt Improvement

"The first time I took Cardui I was in an awful bad way," says Mrs. Ora Carille, R. F. D. 5, Troup, Texas. "I went fishing one day. A heavy storm came up and I got soaking wet in the rain. I was afflicted with awful smothering spells. I could not get my breath. My mother had some

in the house that she was taking, so she immediately began giving it to me. In a few days I got all right. "Last fall I got run-down in health. I was weak and puny and I began to suffer. I would get so I could hardly walk. Having taken Cardui before, I sent to the store for a bottle of it. Almost from the first dose I could feel an improvement.

"Cardui has helped me a lot and I am glad to recommend it. I don't feel like the same woman I was last fall. My appetite is good now, and I'm sure it's Cardui that's made it pick up."
