

### Girls of Glacier Park's Attractive Swiss Chalets

The Swiss "chalets" of Glacier National park are famous throughout the country, and it is indeed difficult for the visitor to realize that he is in America instead of the Alps of Switzerland. To add atmosphere, the pretty girl attendants, some of whom are here seen, are dressed in Swiss costume.

### Parties in Honor of Fairfax Bride-Elect

Fairfax, Aug. 15.—Miss Alice Lee Fitts entertained Friday evening in honor of Miss Helen Lightsey, whose marriage to Harry Lancaster of Sheldon takes place next week. The 16 guests were received on the porch where punch was served by Mrs. W. M. Lightsey. The living rooms were tastefully decorated. Four tables were placed for cards and after the games the bride-elect was presented with the prize, a dainty piece of lingerie, won by Mrs. E. L. Young. Pink cream with bride's cake was served, favors being wedding bell baskets fill with pink mints. The bride's place was marked with a wee bride under a miniature arch. To the strains of the wedding march the hostess escorted the bride to the dining room where she cut a make-believe cake which was filled with handkerchiefs from the guests present.

Miss Lightsey was again complimented with a miscellaneous shower Wednesday afternoon at the home of Mrs. E. L. Young, Mesdames W. M. Lightsey and R. L. Lightsey being joint hostesses. Punch was served on the porch by Miss Jonnie Googe and Mrs. T. C. Sanders, Jr. The guests registered in the bride's book, presided over by Mesdames J. W. Campbell and J. B. Barker, with a ten year hence prophecy for the bride and bridegroom. A delightful amusing contest was enjoyed and Miss Virginia Williams won the prize, a pair of silk hose, which she presented to the bride. Green and white cream and cake and mints were served by Misses Frederica and Frances Lightsey. Lit-

tle Harold and Judson Lighsey brought in a huge parcel post package—gifts for the bride. About 50 guests enjoyed the affair.

Mrs. T. P. Barber entertained Monday morning in honor of her sister, Miss Thelma Stallings, of Atlanta. Tea and sandwiches were served and tiny hearts as favors announced the engagement of Miss Stallings to Paul Dimplin of Atlanta.

Monday evening Miss Ethel Loadholt entertained a few friends at a card party in honor of Miss Norma Brabham of Walterboro, house guest of Miss Alice Lee Fitts. Cream and cake were served after the cards were laid aside.

### Olar Items.

Olar, Aug. 16.—D. B. Johnson and family of Garfield, Ga., are visiting the Rev. C. P. Chewing and Mrs. Chewing.

Judge Schwartz and family and Miss Lula Schwartz of Savannah are visiting Mr. and Mrs. Jeff Gunnels.

Mr. R. A. Easteling, of Denmark, was in the city Friday on business.

### Health and Home

#### PROPER FOOD FOR SCHOOL CHILDREN

The age during which children are attending school may aptly be called "The Dangerous Age." It is the period of rapid growth and every care should be taken to insure the child of a normal and healthy body. The idea of eating only fit and wholesome foods should be early impressed on the younger members of every family in order to protect them against later ill health and its accompanying unhappiness. If the utmost care is not taken in the diet that is used by children, cases of food poisoning, indigestion and kindred ailments may result.

And milk, being the chief item in the diets of most children, should be carefully guarded. It is, because of its nature, prone to infection if exposed to germs and may soon become unfit for use. Wherever there is the slightest reason for doubt as to its purity and food value, steps should be taken to insure the sterility and the fitness of milk intended for consumption by children. Many mothers have adopted the excellent practice of using milk that is absolutely pure and sterile and free from any germs or bacteria. The most satisfactory, as well as the safest milk used in preparing food for the growing child is evaporated milk. It is sterile, and therefore safe. It is more digestible than market milk. Its uniformity, convenience and cost are qualities that recommend it.

The following dishes are well suited to the needs of the growing child; they are easily digested and very nourishing:

- Caramel Custard.**  
 1 cup evaporated milk diluted with 1 cup water  
 1/4 cup sugar (caramelized)  
 1/2 tsp. salt  
 1 egg  
 1/2 tsp. vanilla  
 Scald the diluted milk. Caramelize the sugar and add to milk to dissolve. Beat eggs slightly, add sugar, salt, and flavoring and combine with scalded milk. Pour into custard cups and set in a pan of hot water and cook in a moderate oven. When done, a knife blade run in the center will come out clean.
- Fish Chowder.**  
 1 pint raw fish cut in 1-inch dice  
 3 cups boiling water  
 6 small potatoes, sliced  
 1 cup evaporated milk diluted with fine 1 cup water  
 1/4 pound fat salt pork, sliced  
 6 crackers  
 Fry out the salt pork. When brown, remove pieces of pork and put fish, potatoes, and onions in kettle. Cover with boiling water. Simmer until potatoes are tender. Add the milk and cook 5 minutes longer. Season with salt and pepper. Just before serving add the crackers.

### Is Your Work Hard?

Many Barnwell Folks Have Found How to Make Work Easier.

What is so hard as a day's work with an aching back?  
 Or sharp stabs of pain at every sudden twist or turn?  
 There is no peace from that dull ache.  
 No rest from the soreness, lameness and weakness.  
 Many folks have found relief through Doan's Pills. They are a stimulant diuretic to the kidneys. Barnwell people recommend Doan's: C. C. Owens, drayman, Barnwell, says: "Jolting while riding on the wagon irritated my kidneys and they acted irregularly. I became lame and my back was stiff and sore. My kidneys acted too freely and I had to get up several times at night. The secretions were highly colored and contained sediment. I went to the Best Pharmacy and got Doan's Pills. Doan's relieved me in a short time. 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y."

### General Motors

#### Denies New Fuel

Detroit, Aug. 7.—Reports of the discovery of a new automobile fuel that would revolutionize the motor car industry today were characterized as ridiculous by A. P. Sloane, Jr., president of the General Motors Corp. Mr. Sloane took cognizance of reports published on the strength of a statement reputed to have been made before the annual convention of the

American Chemical Society at Los Angeles.

"My attention has been called to recent statements in the public press relative to revolutionary inventions in the way of a type of automobile for new motor fuel or something else new and radical.

"These reports are ridiculous on their face for General Motors has recently announced new series of cars which should be a sufficient answer. In addition to this there is absolutely nothing to form even the slightest foundation for such a statement."

### Springfield Locals.

Springfield, Aug. 15.—Mr. and Mrs. W. E. Bennett and family are at home after a week's trip to the mountains of North Carolina.

Dr. and Mrs. N. E. Boylston complimented their guest, Miss Minnie Harvin of Sumter, with a chicken supper Tuesday night.

Miss Edith Maroney of the Richland County hospital, Columbia, is spending her vacation here with relatives.
