Religious Campaign Opens September 20

Blackville, Sept. 7.—An enthusiastic meeting of all the general committees in connection with the co-operative evangelistic campaign, which is to open up in Blackville on the 20th of September, was held at the Episcopal Church on Friday evening, the 4th. Plans were formulated by the several committees for the perfecting of the general organization and already a decided interest in the coming meeting is manifesting itself. The town has been divided into eight sections and a cottage prayer meeting will be held in each of these sections on Tuesday and Friday evenings of this week and on the same evenings of next week. The Sunday School enlistment campaign was begun last week and the results in an increased attendance upon the various Bible schools of the town on last Sunday morning were encouraging. On Sunday afternoon at the Methodist Church a Sunday school rally service was held at which the pastor of the church, Rev. Humphries, and Rev. O'Kelly of the Denmark Baptist church, each made a most inspirational address. As a result of this rally, there will be much zeal added to the Sunday school enlistment campaign this week and it is expected that many new faces will be seen at Sunday school next Sunday morning. T. L. WRAGG, Chairman, Publicity Com. Bridge Club Meets. The Wednesday afternoon Bridge Club met last week at the home of Mrs. L. M. Calhoun. The high score prize was won by Mrs. R. H. Wilcox and Mrs. Charlie Brown, Jr., cut the consolation. After the games a salad course was served.

Plenty of Kick

To get the most out of your Fall Advertising you must put plenty of "kick" into it. We are especially ready to help you, because we get weekly, a fresh supply of ready-to-use advertising suggestions illustrated with live, peppy cuts. Just the thing to put the "kick" that brings results, and just remember that The People-Sentinel is the official newspaper of Barnwell County, supplying subscribers with eight to ten pages of all home print weekly, and offering to advertisers a circulation greatly in excess of that of any other newspaper in Barnwell County. When shall we call to talk it over?

"It Certainly Is a Smart-looking Car"

That's what everyone has to say who has seen the latest Ford cars. That such attractive motor cars could be offered without the slightest increase in prices, seemed incredible to a public long familiar with Ford values. Yet enthusiasm for the smart new appearance can never supersede the fact that it is the quality of materials and workmanship that has made the Ford the world's leading automobile value. New beauty has not crowded out traditional Ford reliability. The very volume of Ford output demands absolute accuracy of every working part. The steady flow of production is dependent upon parts fitting together perfectly; inaccuracies would interrupt and delay assembly. And to this precision must be largely credited the uniformly fine performance and freedom from trouble of all Ford cars. Closed cars now shown in color are unusually pleasing; new and finer upholstery gives an artistic harmony to the cars. Bright nickel-radiators feature the closed cars and nicked headlamp rims are on all types. The fenders are larger and longer, and the running boards are wider. Comfort is increased by the cars' lower center of gravity, by the low, deep, wide seats, by the added foot room, and by many other refinements that contribute to your ease, convenience and safety. Here is the ideal car for a woman's personal use—good-looking, trustworthy, easy to handle and inexpensive to maintain. Here, too, is a practical car for any family—that every member of the family can enjoy.
